DISTRICT 3 – BEN BARTLETT
DISTRICT 4 – KATE HARRISON

DISTRICT 5 – SOPHIE HAHN
DISTRICT 6 – SUSAN WENGRAF
DISTRICT 7 – RIGEL ROBINSON
DISTRICT 8 – LORI DROSTE

Preliminary Matters

Roll Call:

Public Comment - Limited to items on this agenda only

Action Calendar

The public may comment on each item listed on the agenda for action as the item is taken up.

The Presiding Officer will request that persons wishing to speak line up at the podium to determine the number of persons interested in speaking at that time. Up to ten (10) speakers may speak for two minutes. If there are more than ten persons interested in speaking, the Presiding Officer may limit the public comment for all speakers to one minute per speaker. Speakers are permitted to yield their time to one other speaker, however no one speaker shall have more than four minutes. The Presiding Officer may, with the consent of persons representing both sides of an issue, allocate a block of time to each side to present their issue.

Action items may be reordered at the discretion of the Chair with the consent of Council.

1. 2019 City Council Referral Prioritization Process Using Re-Weighted Range Voting (RRV)

From: City Manager

Recommendation:

1. Review the completed Re-Weighted Range Voting (RRV) rankings for all outstanding City Council referrals;
2. Approve the removal of referrals that have been marked as rescinded by the sponsoring Councilmember or District;
3. Adopt a Resolution approving the list of prioritized referrals to city staff.

Financial Implications: No direct fiscal impacts

Contact: Mark Numainville, City Clerk, 981-6900

Adjournment

I hereby request that the City Clerk of the City of Berkeley cause personal notice to be given to each member of the Berkeley City Council on the time and place of said meeting, forthwith.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the official seal of the City of Berkeley to be affixed on this 6th day of June, 2019.

Jesse Arreguin, Mayor

Public Notice – this Proclamation serves as the official agenda for this meeting.

Item 1: 2019 City Council Referral Prioritization Process Using Re-Weighted Range Voting (RRV)

1. Supplemental material, submitted by Councilmember Hahn

Office of the City Manager

SPECIAL MEETING
ACTION CALENDAR
June 11, 2019

To: Honorable Mayor and Members of the City Council
 From: Dee Williams-Ridley, City Manager
 Submitted by: Mark Numainville, City Clerk
 Subject: 2019 City Council Referral Prioritization Process Using Re-Weighted Range Voting (RRV)

RECOMMENDATION

1) Review the completed Re-Weighted Range Voting (RRV) rankings for all outstanding City Council referrals; 2) Approve the removal of referrals that have been marked as rescinded by the sponsoring Councilmember or District; 3) Adopt a Resolution approving the list of prioritized referrals to city staff.

FISCAL IMPACTS OF RECOMMENDATION

There are no direct fiscal impacts related to the review and approval of the referral list.

CURRENT SITUATION AND ITS EFFECTS

Through the May 1, 2019 City Council meeting, there were 68 outstanding referrals to staff. The list does not include the following groups of referrals that have been evaluated and advanced through separate processes:

Housing Action Plan: Ten referrals related to housing were removed from the RRV rating process and assigned to the housing action plan on May 30, 2017. One additional referral was added to the Housing Action Plan on June 13, 2017. These referrals are moving ahead on their own schedule independent of RRV.

Fire and Emergency Referrals: Four separate items from Councilmember Bartlett, Councilmember Hahn, the Housing Advisory Commission, and the Disaster and Fire Safety Commission that contain 82 individual referrals were consolidated and referred to the Disaster and Fire Safety Commission and staff to come back and request funding as staff is able to meet the actual task.

Short Term Referrals: Referrals that staff determines will be able to complete in approximately 90 days with existing resources are not on the RRV list. Since May 2018, staff has completed 22 short term referrals and council has adopted 23 new short term referrals, bringing the total to 91. Of that total, 66 have been completed and the remaining 27 are in various stages of progress (see Attachment 6).

From Council direction on May 15, 2018, staff now reports the status of short-term referrals and date-certain reports to the Council on a monthly basis.

The Mayor and Council have assigned a rating to each referral as shown in the RRV spreadsheet in Attachment 2. Staff has applied the RRV formula to the raw scoring resulting in a prioritized list. These results will be used to guide the staff in the order that the referrals will be addressed. Some flexibility in the order in which the referrals are assigned will need to be exercised by the City Manager to ensure that the work is more evenly distributed among departments and that staff in each department has the available capacity to start work on the highly rated referrals.

During the scoring process, Councilmembers had the option to mark the referrals they, or their district predecessor, sponsored to indicate that the referral should be removed from the prioritization process (Attachment 3). The full Council will have an opportunity to vote to remove or retain the referrals that were marked for removal. In addition to the 10 referrals marked for removal, there were three additional referrals that Council may wish to consider for removal based on the scores received (see table below).

Referral Title	Council Scoring Result
Referring the NextDoor App	Received all 0s for scores and is the lowest rated referral (#68)
Resolution referring the Wildfire App to the City Manager	Received eight 0s and one 1 for scores and rated #65 of 68 referrals
Expediting Consideration of a Potential \$3 million Grant to Build a Magical Bridge Playground	Received eight 0s and one 1 for scores and rated #64 of 68 referrals

Summary Statistics (through May 1, 2019):

- Total Referrals on List: 177
- Referrals completed: 74 (Attachment 4)
- Housing Action Plan: 11
- Fire and OES: 4
- Referrals started: 85 (Attachment 5)
- Referrals added by Council since April 2018: 38
- Prioritized, but not yet started: 18

These statistics do not include any items that were submitted to “Direct the City Manager” rather than to “Refer to the City Manager.” For the “Direct” items, there were 15 of these items submitted since May of 2018. Some were modified to become referrals, however the majority that were adopted with specific immediate direction represent a significant amount of staff time and resources that are not captured in the referral statistics and that superseded the work on ranked priorities.

For a referral marked as “completed” that means that either 1) staff has reported back to the Council with analysis and a recommendation and the matter requires further Council action or budgeting to move forward; or 2) the matter has been disposed of through Council action.

BACKGROUND

In 2016, the City Council adopted a system of Re-weighted Range Voting (RRV) to prioritize City Council referrals to staff. The RRV system enables City Council to provide direction to staff on which referrals are highest priority and should be completed first.

Reweighted Range Voting is a proportional representation voting system designed for a blend of fairness and consensus, meaning that it ensures some representation for minority views as well. It accomplishes this by reducing the influence of Councilmembers in proportion to the points they have awarded to the referrals prioritized thus far.

Under RRV, Each Councilmember rates every referral on a scale of 0-5 (zero being the least support and five being the most support) using a basic scoresheet. There is no limit to repeat scores (i.e. a Councilmember could give every referral a five). When the scores are tallied, the referral with the highest total score becomes the 1st priority. Once the first referral is assigned, the scores for the remaining referrals are reweighted based on how much influence each Councilmember has had up to that point (based on the score they assigned, 0-5). If a Councilmember assigns high scores to several referrals, they use up the strength of their weighted vote more quickly and exercise diminishing influence when the scores are reweighted for subsequent referrals. This guarantees equal influence throughout the full list.

Councilmembers rated each referral by placing a number from 0 (low priority) – 5 (high priority) in the “RRV Rating” column. If a Councilmember did not rate a referral, the default score was set to zero.

Under the annual referral prioritization system, the following steps will occur:

- Staff will schedule an annual meeting for City Council to review and approve its prioritization of adopted referrals.
- Staff will provide an interim status report between annual prioritization meetings on the referrals that have been completed and which new referrals have been taken up by staff.
- “New” referrals adopted in between annual referral prioritization sessions will go into a holding position until they are prioritized at the next annual prioritization session, unless Council designates the referral as urgent to protect life safety or to avoid losing time-sensitive funding, or unless staff designates the referral as

“short-term,” meaning that it can be addressed within approximately three months.

- To assist Council to prioritize referrals, staff will provide City Council with a basic score of each referral based on estimated staff time, cost, and benefit of the referred work.
- Sponsoring City Councilmembers will have an opportunity to identify any referrals that are no longer needed and that should therefore be removed from the referral prioritization process.
- All referrals should have a nexus to the Strategic Plan.

ENVIRONMENTAL SUSTAINABILITY

There are no identifiable environmental effects or opportunities associated with the subject of this report.

RATIONALE FOR RECOMMENDATION

This recommendation carries out the direction of the Council to implement a prioritization process for City Council referrals to staff.

ALTERNATIVE ACTIONS CONSIDERED

Council may decide to forgo a prioritization process and continue the referral process with no structured tracking or prioritization of referrals.

RESOLUTION NO. ##,###-N.S.

APPROVING THE 2019 LIST OF PRIORITIZED CITY COUNCIL REFERRALS USING
THE REWEIGHTED RANGE VOTING SYSTEM

WHEREAS, On March 8, 2016 the City Council approved the use of Re-weighted Range Voting (RRV) for the prioritization of City Council referrals to staff; and

WHEREAS, the City Council has rated all the referrals; and

WHEREAS, the Re-Weighted Range Voting formula was applied to the ratings to create a weighted list of prioritization.

NOW THEREFORE, BE IT RESOLVED by the Council of the City of Berkeley that the list of prioritized referrals contained in Exhibit A is hereby approved.

BE IT FURTHER RESOLVED that the City Council grants the City Manager the authority to assign referrals to staff in a manner that ensures equitable distribution among departments and does not exceed the capacity of departmental staff to start work on the highly rated referrals even if that results in the referrals being assigned in an order that differs from the approved list.

2017-10-17	40	Administrative Changes Related to Taxicabs	Request the City Manager consider the following administrative changes, in order to increase the competitiveness of the taxi industry: 1. Reduce the annual vehicle inspection fee from \$88 to \$45 and the re-inspection fee from \$45 to \$25.; 2. Increase the maximum amount of free taxi scrip that drivers are able to redeem each week from the current limit of \$400 to \$800 (if taxi scrip is redeemed twice per week, the maximum amount redeemed at once should be raised to \$400 from \$200).; 3. Consolidate all taxi-related undertakings, including customer service and taxi scrip redemption, to one office located at 1947 Center Street, Berkeley, CA 94704.; 4. Reduce the burden of the current mandatory sensitivity training course for taxi drivers, by exploring an option to complete the course online instead of in San Francisco, which costs \$50 and imposes onerous logistical costs. For example, available courses can be found at http://www.equo.co.uk/11-Taxi-Drivers .; 5. Clarify in writing that taxi-drivers may purchase collective insurance instead of individual insurance. This will allow drivers to accumulate a more substantial fund to cover individual crashes, pay less per person, and reap similar benefits as rideshare drivers (who are insured by Transportation Network Companies) do. 2017-11-14	27	Referral to the City Manager: Equitable Access to Greenspace	Refer to the City Manager to explore developing a plan for increasing Equitable Access to Greenspace in Berkeley. Future parks and greenspace investments should be targeted at reducing disparities in access to greenspace. Criteria to consider should include: <ul style="list-style-type: none"> ■ Geographical distance and square footage of available greenspace ■ Income levels of area residents, which may impact their ability to afford non-public facilities and/or transportation to green spaces ■ The proportion of youth, seniors and disabled people unable to travel to more distant facilities The City may utilize recommendations from the report "Berkeley Parks Planning for an Equitable Future" produced by the Parks and Waterfront Commission's Subcommittee on Planning. The City should also consider the work of San Francisco's Green Connections (see http://sf-planning.org/green-connections) which promotes the presence and attractiveness of walking and bike paths to green spaces in order to encourage their use. The City should investigate strategies for expanding park capacity including assessing prime areas for developing new parks and greenspaces, such as in the Adeline Corridor and Santa Fe ROW. The Adeline Corridor Plan must consider and account for increasing greenspace in the Southeast Quadrant of Berkeley, and explore innovative ways for integrating greenspace into our urban environment. To implement these recommendations, the City should explore public-private funding partnerships as well as community partnerships with Berkeley residents, community organizations, and local businesses. The City should also explore development foundations, and bonds for supporting further investment in parks and greenspaces. Elements of the plan can include the following items: <ul style="list-style-type: none"> ■ Purchasing vacant lots to use as parks ■ Developing urban farms ■ Developing community gardens ■ PI 	Work in Progress	Council member	Ben Bartlett		Parks, Recreation & Waterfront

2017-07-11	29	Housing Accountability Act	Refer to the City Manager, Planning Commission, Zoning Adjustments Board, and Design Review Committee to consider the following actions, and others they may find appropriate, to address the potential impacts of the Housing Accountability Act and to preserve local land use discretion: 1. Amend the General Plan and Zoning Ordinance to adopt numerical density and/or building intensity standards that can be applied on a parcel-by-parcel basis in an easy and predictable manner. These would constitute reliable and understandable "objective general plan and zoning standards" that would establish known maximum densities. This could be done across the board or for specified districts. 2. Devise and adopt "objective, identified written public health or safety standards" applicable to new housing development projects. 3.
