Subject: Contract No. 8392 Amendment: Innovative Claim Solutions (ICS) for claims administration of the City's Workers' Compensation Program

RECOMMENDATION

Adopt a Resolution authorizing the City Manager to execute an amendment to extend Contract No. 8392 with Innovative Claims Solutions (ICS) to provide third-party claims administrative services, Medicare, Medicaid, and SCHIP Extension Act (MMSEA) Section 111 Mandatory Reporting to the Centers for Medicare & Medicaid Services (CMS), for an additional amount of \$598,560 for July 1, 2022 through June 30, 2023.

FISCAL IMPACTS OF RECOMMENDATION

The contract amendment with Innovative Claim Solutions will add \$598,560 to the existing contract through the end of fiscal year 2023. Funding for the proposed contract amendment is available in the Fiscal Year 2023 Workers' Compensation Self-Insurance fund.

As a result of the proposed one-year contract amendment, Innovative Claims Solutions (ICS) has agreed to lower their administrative fees from \$616,819 to \$598,560. The decrease in fees will net the City of Berkeley a savings \$18,259 for Fiscal Year 2023.

Original Contract Amount (7/1/2016 – 6/30/2022)	\$7,440,430
Current Contract Amount (FY 7/1/2021 – 6/30/2022)	\$616,819
Proposed Increase (FY 7/1/2022 – 6/30/2023)	\$598,560
Savings (decrease in fees)	\$18,259
Total New Contract Amount	\$8,038,990

CURRENT SITUATION AND ITS EFFECTS

The City of Berkeley is permissibly Self-Insured by the State of California, Department of Industrial Relations, to provide statutorily required workers' compensation benefits to injured employees.

On April 26, 2016, the City Council adopted Resolution No. 67,436, authorizing the City Manager to execute and implement a contract including amendment for workers' compensation third-party administration services with ICS. This contract amendment was approved from July 1, 2016 – June 30, 2021. The increase for this contractual period was \$3,247,413 for a total not to exceed \$6,823,611.

The current contract with ICS is set to expire on June 30, 2022. As such, a contract amendment is needed to continue claims administrative and management of the City's self-funded workers' compensation program. The Human Resources Department is planning to issue a Request for Proposal (RFP) in 2022 for workers' compensation third-party administrative services. It has been several years since the City of Berkeley has solicited an RFP for these services. As such, during the RFP process it is imperative that the operation of critical claim management services is maintained until a third-party administrator is selected. Additionally, retaining claim management services with ICS until the RFP selection process is completed ensures the City remains in compliance with all applicable workers' compensation laws and regulations.

BACKGROUND

Innovative Claim Solutions, has been providing claims management services for over 20 years. The third-party claim management services for a workers' compensation program consist of responsibility for claims management including, but not limited to, approval of claims based upon whether an injury arose out of the course and scope of employment; denial of claims that did not arise out of the course and scope of employment; or delay of claim decisions in order to obtain additional information or evidence before a determination can be on a claim. The third-party administrator procures services and pays bills incurred by claims for the provision of benefits to injured employees. These expenses include, but are not limited to, medical; legal; temporary and permanent disability payments; and future medical needs of injured employees.

A contract extension with ICS will maintain continuous service delivery including several performance standards that require ICS to evaluate old claims for closure and close new claims as soon as feasible.

ENVIRONMENTAL SUSTAINABILITY AND CLIMATE IMPACTS

There are no identifiable environmental effects or opportunities associated with the subject of this report.

RATIONALE FOR RECOMMENDATION

Innovative Claim Solutions has provided high quality claim management services throughout the terms of the contract. ICS consistently applies professionalism, expertise, and superior customer service in their claim management practices.

ALTERNATIVE ACTIONS CONSIDERED

Issue a Request for Proposal to seek bids from firms including ICS to provide third party administrative services for the City's workers' compensation program.
