Subject: To Planning Commission re:Berkeley bird ordinance

WARNING: This is not a City of Berkeley email. Do not click links or attachments unless you trust the sender and know the content is safe.

I am writing to urge the planning Commission to pass the Bird Safe Building Ordinance for all new construction in Berkeley. Birds have a hard enough time these days. Anything we can do to protect them from harm is a good thing. It is important that buildings in Berkeley be as safe as possible for birds.
