

## Residential Preferential Parking (RPP) Days/Hours of Enforcement

Depending on the RPP area, hours of enforcement are 8:00am to 7:00pm except Saturdays, Sundays, holidays and during posted street sweeping days. In addition, some RPP areas may have limited time limited parking sections (e.g., two-hour parking for all vehicles), which will have signs indicating this distinction. RPP permitted vehicles are subject to the two-hour restriction and will be cited if the vehicle is not moved.

***Always check posted signage before parking in a certain area.***
