CONSENT CALENDAR

June 16, 2020

To: Honorable Mayor and Members of the City Council
 From: Dee Williams-Ridley, City Manager
 Submitted by: Henry Oyekanmi, Director, Finance Department
 Subject: FY 2021 Tax Rate: Fund Disaster Fire Protection (Measure Q)

RECOMMENDATION

Adopt first reading of an Ordinance setting the FY 2021 tax rate for funding the procurement of disaster fire equipment at \$0.0125 (1.25 cents) per square foot of improvements.

FISCAL IMPACTS OF RECOMMENDATION

The tax levy of \$0.0125 per square footage will result in estimated total collections of \$985,734 for the Measure Q fund.

CURRENT SITUATION AND ITS EFFECTS

The Disaster Fire Protection Tax (Measure Q) does not allow an increase based on the annual change in the Bay Area Consumer Price Index. FY 2021 expenditures for disaster fire protection are expected to total approximately \$100,000 and the debt service on the bonds will be \$754,075. The tax proceeds of approximately \$985,734 will be enough to cover the projected project expenditures, debt service payments, and the amount set aside for equipment replacement. It is recommended that the City Council authorize the levy of a special tax of \$0.0125 per square foot of all improvements in the City of Berkeley. The tax will result in the same cost to taxpayers in the following average amounts during FY 2021, as compared to FY 2020: (no change)

Annual Tax		
Square Feet	FY 2021	FY 2020
1,200	\$ 15.00	\$ 15.00
1,500	18.75	18.75
1,900	23.75	23.75
3,000	37.50	37.50
3,900	48.75	48.75
10,000	125.00	125.00

ENVIRONMENTAL SUSTAINABILITY

There are no identifiable environmental effects or opportunities associated with the subject of this report.

BACKGROUND

In the November 2000 election, Berkeley voters approved Measure Q, which established a Community Facilities Special District for Disaster Fire Protection and authorized the levying of a special tax. The District was specifically designed to finance the purchase of \$8,000,000 in equipment, supplies and storage facilities to provide enhanced response to natural disasters such as urban wildfires and earthquakes.

The tax will raise approximately \$985,734 in FY 2021, which will be used to provide for the purchase of equipment, supplies and storage facilities (totaling \$100,000) to pay \$754,075 in debt service and for the equipment replacement fund. The rate proposed for FY 2021 (\$0.0125 per square foot), is the maximum allowable rate under the approved measure.
