(Continued from October 27, 2020)

To: Honorable Mayor and Members of the City Council

From: Dee Williams-Ridley, City Manager

Submitted by: Mark Numainville, City Clerk

Subject: Annual Commission Attendance and Meeting Frequency Report

RECOMMENDATION

Review and accept the annual Commission Attendance and Meeting Frequency Report.

FISCAL IMPACTS OF RECOMMENDATION

None.

CURRENT SITUATION AND ITS EFFECTS

Each of the City's 38 commissions that were active during the reporting period submitted an annual attendance report covering the period of September 1, 2019 through August 31, 2020. The reports provide meeting-level information on number and frequency of meetings, meeting cancellations, commissioners in attendance, length of meetings, number of speakers, and members of the public present. The reports also reflect the number of vacant positions on the commission as of August 31, 2020.

Due to the Shelter-in-Place order necessitated by the COVID-19 pandemic, most commissions ceased or greatly scaled back their activities in March, meeting only if they had time-sensitive, legally-mandated business to complete, and all meetings subsequent to the March health order have been held virtually.

On March 17, 2020 the City Council adopted Resolution No. 69,331-N.S. ratifying the City Manager's policy limiting the meetings of city legislative bodies in order to maintain staff resources to address the pandemic. The provisions of that resolution are still in effect. On October 13, 2020, the Agenda & Rules Committee took action to endorse the City Manager's policy to allow commissions to meet up to two times only for the purpose of developing their 2021 work plan and to address any COVID-related referrals from the City Council. Due to these actions, the ongoing meeting frequency for commissions will be adjusted as the pandemic conditions allow. For this reason, staff is not presenting a fixed 2021 meeting frequency schedule to Council for approval at this time.

Commissions are divided into four categories (A, B, C, and D) depending on the permitted frequency of meetings. Based on the information provided in the 2020 annual attendance

reports, the majority of commissions were meeting on a regular and frequent basis up until the COVID-19 restrictions. The meeting activity for the reporting period of September 2019 through August 2020 has been broken down by category and is described below.

Category A

Contains eleven commissions that meet on their own schedule. Most of these commissions resumed meeting virtually after the initial Shelter-in-Place in order to meet their legal obligations.

Category C

Contains three commissions. These commissions may meet as necessary to fulfill their legal obligations. Of the commissions in this category, none cancelled any scheduled meetings during this period.

Category D

Currently contains one commission that meets up to six times per year. The Animal Care Commission cancelled three meetings due to COVID-19.

BACKGROUND

On June 14, 2005, the City Council discussed the reduction of commission meetings as a cost-savings measure. Council adopted a proposal which created three categories of commission meeting schedules, a process for requesting Council approval of any extra meetings, direction to commission secretaries to submit an information report whenever a commission cancels two consecutive meetings for lack of quorum, and an annual attendance report. Council adopted Resolution No. 63,949–N.S. on January 15, 2008, which updated the commission meeting frequency schedule to include a fourth category of meeting frequency. On December 11, 2018, Council adopted Resolution No. 68,705–N.S., which changed the reporting period from November through October to September through August to allow commissions sufficient time to set their schedules for the following year. Most recently, on October 15, 2019, Council adopted Resolution No. 69,127–N.S., which set the 2020 commission meeting frequency schedule.

ENVIRONMENTAL SUSTAINABILITY

There are no identifiable environmental effects or opportunities associated with the subject of this report.

RATIONALE FOR RECOMMENDATION

The annual commission attendance report informs the Council of commission activity and allows for comparison with the meeting frequency schedule. The annual attendance report documents increased demand on, or under-utilization of commissions which may inform Council decisions related to the meeting frequency of commissions.
