Subject: Assessments: Telegraph Property Based Business Improvement District

RECOMMENDATION

Adopt a Resolution approving the Telegraph Property Based Business Improvement District (TBID) Annual Report of FY 2022 and proposed budget for FY 2023, and declaring Council's intention to levy an annual assessment for the TBID for FY 2023.

SUMMARY

The Telegraph Property Based Business Improvement District (TBID or "the District") provides cleaning, hospitality and marketing services for Berkeley's Telegraph Avenue commercial district. In May of 2017 the TBID was geographically expanded and renewed for a ten-year period, authorizing operations through December 31, 2027, and designating the Telegraph Property and Business Management Corporation (TPBMC) as the District's Owners' Association. Annually, Council must approve the TBID's annual report and proposed budget and declare its intention to levy an annual assessment.

The City of Berkeley owns one parcel (the Telegraph Channing Parking Garage at 2431 Channing Way) within the boundaries of the TBID and is required by state law to pay the associated assessments. The assessment payment will be \$49,103 in FY 2023; in addition, the City will pay the General Benefit portion of the TBID costs, or roughly \$29,816.44. The City already makes an annual grant to TBID, through the Public Commons for Everyone Initiative (PCEI), which exceeds this general benefit amount, so there will be no new fiscal impacts related to funding the general benefit.

FISCAL IMPACTS OF RECOMMENDATION

Assessments levied in the Telegraph Property Based Business Improvement District (TBID or "the District") support a package of improvements and activities approved by the property owners and the City Council when the District was renewed for a ten-year period on May 2, 2017 (Resolution No. 67,940-N.S.). Assessment funds are collected by the Alameda County Assessor's Office, relayed to the City of Berkeley, and disbursed through a contract with the Telegraph Property and Business Management Corporation (TPBMC), a private owners' association that was established to implement the Management District Plan. TPBMC has an active contract with the City, not to

exceed \$7,410,024 of BID revenues, to implement the Telegraph Management District Plan for the period January 1, 2018 to December 31, 2027 (Contract No. 10835).

Collections from private parcel assessments (less the county's collection fee of 1.7%) are projected and budgeted at approximately \$583,315 in FY 2023. Collections from tax exempt parcels (owned by the Regents of the University of California and the City of Berkeley) are projected and budgeted at approximately \$161,079 in FY 2023. Annual and accrued private parcel assessment funds are deposited into Telegraph BID Fund 784-33-324-342-0000-000-000-412110 and expended from fund 784-21-208-251-0000-000-446-612990. An annual increase of up to 3% to account for inflation is allowed by the Management District Plan and must be approved by a majority of the TPBMC's Board of Directors. On April 12, 2022 the TPBMC board met and voted to raise assessments by 3% from the FY22 level due to a variety of factors including the modest increase in previous years. Project funds not spent in any given fiscal year are carried over into future years. TPBMC collects assessments directly from the University of California with no involvement from the City.

Under the provisions of Proposition 218 in the California Constitution, government agencies must pay assessments on properties they own in property-based BIDs, just like private property owners, unless they receive no benefit. Payment is collected from private property owners through property tax bills. Payments are due from non-property tax-paying entities concurrently. The City's assessment payment in FY 2023 would be \$49,103 (increased by \$1,430) from the FY2022 assessment of \$47,673). The City's assessment is paid annually through the Off-Street Parking Fund (627-54-622-665-3002-000-474-639990).

The City also pays for the "general benefit" portion of the TBID budget. "General benefits" represent that small portion of the overall benefits generated by a property-based business improvement district which are found to accrue to the general public who are not assessed and do not participate in the economic or social activities of the district. The engineer's report commissioned for the reestablishment of the TBID in 2017 calculated that the baseline general benefit for the district would be approximately \$28,947 annually. The City already makes annual grants to the TBID which exceed this amount, so there will be no new fiscal impacts related to funding the general benefit.

By financing improvements, maintenance and welcoming activities for the City's central business district, the TBID indirectly enhances sales tax, business license tax and other business-related City revenue sources.

#### CURRENT SITUATION AND ITS EFFECTS

State legislation that authorizes formation of property-based business improvement districts (BID) (*California Streets and Highways Code*, Sections 36600 et. seq.) requires that the BID governing body submit an Annual Report on operations and a budget proposal to the City Council each year. The City Council may approve the report with a Resolution to reauthorize the annual assessments.

The Board of Directors of the Telegraph Property and Business Management Corporation (TPBMC), the non-profit that manages the TBID, met in a publicly noticed meeting on April 12, 2022 to review and approve the attached Annual Report for the TBID and Budget for FY 2023 (Exhibit A). The report includes a budget for improvements and activities for FY 2023 and an estimated cost for providing them. The report also recommends that the assessments for FY 2023 be levied on the same basis and method, and within the same boundaries, as they were levied for FY 2022, with a 3% increase (Exhibit B: Telegraph BID FY 2023 Assessment Roll). Council can adopt the recommended Resolution which will confirm the TBID assessment, and thus enable continuous BID operations for another year.

### BACKGROUND

The TBID is a benefit assessment district that provides cleaning, hospitality and marketing services for Berkeley's Telegraph Avenue commercial district. The TBID was created in 1998 pursuant to California's "Property and Business Improvement District Law of 1994" to provide needed improvements and activities to assessed property owners. Since the initial five-year term, the TBID has been renewed for a second five-year term in 2003, a ten-year term in 2008, and underwent an expansion and ten-year renewal in 2017. As such, the TBID is authorized through 2027 unless action is taken to disestablish it.

In FY 2023, the District should generate approximately \$750,257 for the provision of "Clean, Safe, and Beautification" services, communications and economic development, and related management and administration. The budget of the TBID is approximately \$761,274 inclusive of taxable and non-taxable parcels and private donations, and net of the County 1.7% collection fee on private parcels (Exhibit A). The TBID Assessment Revenue amount articulated in Exhibit A (\$514,102.22) is slightly different (\$69,212) to account for uncollectable property tax and funds that will be carried forward from the prior year.

The Management District Plan that was adopted by Council in 2017 as part of the reestablishment of the District provides a framework and budget for the TBID's activities, assessment method, and illustrates the TBID boundary and benefit zones. The Management District Plan provides for services above and beyond those provided by the City of Berkeley. Under "The Right to Vote on Taxes Act" (also known as Proposition 218) all public agencies are required to pay the same assessments for public property that apply to private property. The City owns one property within the district, the Telegraph Channing parking garage at 2431 Channing Way. The FY23 assessment for that property will be \$49,103, a \$1,430 increase (approximately 3%) from the FY2022 assessment.

In FY 2023, the TBID will continue its ongoing "clean safe and beautification" activities, including ambassador services, graffiti removal, manual sidewalk cleaning and sidewalk pressure washing, hazardous waste cleanup, gutter and storm drain cleaning, street sweeping, litter removal, enhanced landscaping and landscape maintenance, and small

infrastructure improvements including holiday lights, place-making activities, seasonal promotions, and other special projects. The TBID will also continue its program of communications and community development activities to provide a unified voice to represent the best interests of the assessed parcels, and fulfill a slate of stakeholder communications that support the District's agenda to attract visitors. The TBID will also continue to liaison and coordinate with other business district organizations, including Visit Berkeley, the Chamber, and the Berkeley Business District Network members to promote local business and commercial development opportunities in Berkeley.

ENVIRONMENTAL SUSTAINABILITY AND CLIMATE IMPACTS

By maintaining and enhancing the district, the TBID creates shopping opportunities for residents and visitors while encouraging alternative forms of transportation. The District is also served by several AC Transit lines and BART, which provide access to visitors from around the region. Because the District is well served by public transportation and biking infrastructure, these services indirectly support environmental sustainability goals of encouraging alternative transportation choices.

RATIONALE FOR RECOMMENDATION

The Property and Business Improvement District Law of 1994 requires that the BID Board prepare an Annual Report for each fiscal year in which assessments are to be levied. Council action is required to approve the BID's Annual Report, and declare its intent to levy assessments. This private/public partnership will continue to provide significant resources for Telegraph area revitalization, which has had a positive effect on the physical and economic health of the district.

ALTERNATIVE ACTIONS CONSIDERED

The Board of the TBID considered a range between 1.5% and 3% increases in assessment rates but instead decided to opt for a 3% increase (the maximum allowable is 3%) to its existing assessment rate, in order to make adequate investments in expanded capacity of the Ambassador Program, and increase marketing efforts to promote district businesses.

RESOLUTION NO. ##,###-N.S.

APPROVING THE ANNUAL REPORT OF THE TELEGRAPH BUSINESS IMPROVEMENT DISTRICT FOR FISCAL YEAR 2022 AND DECLARING INTENT TO LEVY ASSESSMENTS FOR FISCAL YEAR 2023

WHEREAS, the Property and Business Improvement District Law of 1994 (California Streets and Highways Code section 36600 et Seq., hereafter the "Act") authorizes cities to fund property related improvements, maintenance and activities through the levy of assessments upon the real property that benefits from those assessments; and

WHEREAS, after ten years of successful operation, on May 2, 2017 the Berkeley City Council reestablished the Telegraph Business Improvement District (hereafter, "the District") for an additional ten-year period by Resolution No. 67,940-N.S.; and

WHEREAS, on April 12, 2022 the Board of Directors of the Telegraph BID adopted the *Annual Report to the City of Berkeley FY 2022* (hereafter "Annual Report") that describes the operations of the District in FY 2022, recommends services for FY 2023 and proposes a budget for FY 2023 (Exhibit A); and

NOW THEREFORE, BE IT RESOLVED by the Council of the City of Berkeley that pursuant to provisions of Section 36600 et. seq. of the California Streets and Highways Code, the City Council approves the Annual Report (Exhibit A) and declares its intent to levy special assessments on property within the boundaries of the District for FY 2023 (Exhibit B).

BE IT FURTHER RESOLVED that that the boundaries of the District and the method and basis for the assessment remain the same as those set forth and approved in the Management District Plan (Plan) that was adopted on May 2, 2017, when Council renewed the Telegraph BID through Resolution No. 67,940-N.S.

BE IT FURTHER RESOLVED that the improvements and activities to be provided are those described in the Plan and the Annual Report.

BE IT FURTHER RESOLVED that the cost of providing the improvements and activities is as described in the budget that accompanies the Annual Report.

BE IT FURTHER RESOLVED that to finance these improvements and activities, the Annual Report and Budget includes a 3% increase to the assessment rate for FY 2023. Following adoption of this resolution, the City Council may confirm the Annual Report and levy assessments for FY2023 and confirm disbursement of TBID assessment revenue to the Telegraph Property and Business Management Corporation provided for in Contract No.10835.

**Annual Report of the Telegraph Property and Business Improvement District for Fiscal Year (FY) 2022 and Budget for FY 2023**

The Telegraph Property and Business Improvement District (TBID), managed by the Telegraph Property and Business Management Corporation (TPBMC), was renewed for a ten-year period by an affirmative vote of the property owners of the Telegraph commercial district by mail-in ballot in the spring of 2017. This vote was affirmed without protest by the City Council on May 2, 2017. This report is for the fiscal year starting July 1, 2021 and ending June 30, 2022 of this ten-year period.

In accordance with 36650 (b) of the Streets and Highway Code for the State of California, the TPBMC affirms the following:

1. The TPBMC proposes no changes in TBID boundaries for the 2022-23 fiscal year (abbreviated "FY").
2. The TPBMC will continue to provide the same services as has been outlined in the Management District Plan of September 21, 2016. These services include street and sidewalk cleaning and beautification, marketing and promotions, decoration, and maintenance of a district office.
3. The budget for FY 2022-2023 approved by the TPBMC Board of Directors on April 12, 2022 provides for \$761,274.50 in expenditures and \$750,257.86 in revenues. An estimated \$2,044.47 of net revenue from FY 2022 will carry over to FY 2023.
4. On April 12, 2022, the TPBMC Board of Directors approved a 3% assessment rate increase for FY 2022-23, as allowed in the Management District Plan.
5. In addition to assessments levied on real property, including the City-owned Telegraph Channing Garage, FY 2023 income will be derived from the following sources: (1) an annual contribution from University of California of \$131,563.53; (2) PCEI (Public Commons for Everyone Initiative) grant funds from the City of Berkeley of \$49,139; (3) the fiscal sponsorship fee of \$1,250 from the Solano Business Improvement District; and (4) anticipated grants and private donations, for special programs.

Based on the TBID Strategic Plan that was developed in 2016 and updated in 2018, the TBID has six strategic goals.

1. Improve the pedestrian environment
2. Support businesses, non-profits, and residents within the District
3. Make the District more accessible (bicycling, parking, and transit)
4. Improve the Telegraph brand through marketing, events, and promotions
5. Better serve District stakeholders as a convener and advocate on issues that impact the success of the District
6. Develop and foster a vibrant destination and experience (including nightlife; diversity of programs, venues, and activities)

In addition to the operating expenses adopted in the FY23 budget, the TBID board of directors designated a Capital Improvements Fund with a balance of \$35,000. The fund is part of the organization's Clean, Safe & Beautification budget and will be used for the purchase, maintenance, and replacement of art and special projects in the public realm. Anticipated projects that will be supported by the fund in FY23 include: the Dwight Triangle rebuild, and the new 24/7 public restroom.

### FY22 Accomplishments and FY23 Planned Activities

The following is a summary of the activities that the TBID undertook in Fiscal Year 2021-22 to further their strategic goals, and the planned activities for Fiscal Year 2022-2023:

#### 1. Improve the pedestrian environment

- a. Purchased seventeen new self-watering sidewalk planters for various locations around the district. The new planters are being installed in the spring of '22, greening and improving the aesthetics of the streetscape.
- b. Utilized the casements on Dwight and Telegraph as well as Bancroft and Telegraph to advertise the welcome back deals by various businesses along the Avenue, promote the Grateful Day Fest, Historic Walking Tour, and created evergreen posters to cycle through when not displaying promotions.
- c. Coordinated with Berkeley Public Works on the 24/7 public restroom project to complete the public input and location selection process. The new Portland Loo unit is scheduled for installment in early 2023 and the TBID is collaborating with the City on best practices for maintenance and staffing.

**EXHIBIT A**

**Annual Report of the Telegraph Property and Business Improvement District for Fiscal Year (FY) 2022 and Budget for FY 2023**

- d. Supported the roll-out of three new IKE Smart City kiosks on Telegraph. Our ongoing partnership with IKE, City of Berkeley, and Visit Berkeley is focused on installation of two more kiosks and leveraging the platform as a communications and economic development tool for the district.
- e. Enhanced the annual holiday decorations with better pole light placements and our storefront string light lending program.
- f. Served as a partner in the UC Move-out process with the University and City of Berkeley's neighborhood services/code enforcement. Received a very positive response to the reduction in waste and increase in donated items from both the City and campus stakeholders. Partnership is ongoing.
- g. Provided advice and guidance to merchants and property owners navigating quality of life, crime and public safety issues. Continuing to facilitate routine coordination between TBID Ambassadors and social and public safety services from the City and University.
- h. Enhanced merchant and visitor safety with dedicated prevention efforts and active incident response by Telegraph Ambassadors. The addition of a new utility cart will expand capacity and effectiveness of the program.

**2. Support businesses, non-profits, and residents within the District**

- a. Continued our partnership with UC Berkeley New Student Services on the New Student Dine-Around for the Fall '21 Golden Bear Orientation. \$100,000 of program revenue paid directly to 22 participating restaurants in the district that served 5,123 meals to incoming students. The continuing partnership is looking forward to Fall '22.
- b. Provided timely and relevant information to businesses regarding COVID public health guidelines, resources, and regulations. Distributed over 6,000 free face masks to businesses, vendors, and visitors. Printed and distributed hundreds of mask/vaccine policy posters and info sheets to businesses.
- c. Supported Visit Berkeley's rollout of Berkeley Bucks program. Connected businesses with VB lead, Jeffrey Church for additional support. Provided troubleshooting as needed. Bonus incentive to participate, VB issues \$100 Berkeley Bucks Cards to Social Media influencers to spend during Restaurant Week. There are currently 11 participants.
- d. Piloted Instagram influencer collaborations in partnership with Taco & Co. Scheduled a handful of content creators to visit and shoot on location then post on their feeds. Our Holiday Campaign in December included six content creators who highlighted dozens of retail businesses and restaurants, and shared their experience on Telegraph with their audience. One Holiday Campaign reel garnered 711 likes, and 10.9k views. Additional collaborations during the Visit Berkeley restaurant week highlighted seven restaurants, resulting in higher visibility for the Telegraph District in 11% of posts and 33% of reels (with 57,359 views) under the campaign hashtag #BRW22.
- e. Offered individualized social media support/consultation to merchants. Audited social media presence for Berkeley Thai House and D'yar, then provided tutorials for tips and tricks to boost engagement. Created accounts for Bear's Ramen House and Dumpling Express and currently working with owners to create a social media marketing plan.
- f. Spotlight on grand openings of new businesses. Highlighted Sneaker Shop, Vintage Shop and So-So Marketplace when they opened their doors. Supported Sizzling Lunch VIP

**EXHIBIT A**

Night. Creating a playbook for future openings. Preparing for upcoming events by establishing relationships and welcoming businesses such as GamedayVR and Mosaic Boulders learning about them to maximize our combined efforts to draw people to Telegraph Avenue.

- g. Maintained direct lines of communication with merchants and property owners to navigate safety concerns, connect with public services, and respond to concerns on a range of issues from permits, utility/infrastructure projects, maintenance requests, access constraints, and more. The individualized attention as a liaison with local government improves community relations and engagement in public initiatives.
- h. Facilitated participation of community stakeholders in planning and policy initiatives including the AC Transit Rapid Corridors project, Reimagining Public Safety Initiative, 24/7 Public Restroom project, and local business policy initiatives.

**3. Make the District more accessible**

- a. Participated as a core community stakeholder in the Southside Complete Streets Project conceptual design process. Our extensive engagement included hosting community input sessions, an online survey, stakeholder meetings, reviewing design options, robust advocacy, and coordination with project staff. Continued participation in the engineering design phase is focused on ensuring merchant and property owner operational needs are considered and advocating for prioritization of improvements that promote business activity and economic growth.
- b. Introduced a renewed vision for the Dwight Triangle traffic median to create a public plaza. The long-term project is a major facet of the initiative to bolster business activity along Telegraph south of Dwight and improve the flow of pedestrian traffic. A showcase is planned for May 2022 which will be followed by additional review and a demonstration pilot project.
- c. Initiated community visioning project for the 2500 block of Durant Ave. to elevate the identity of the vibrant restaurant scene and develop public realm improvements. Ongoing partnership with the City aims to address congestion and double parking in ways that are mutually beneficial for retail businesses, customers, and visitors.
- d. Elevated concerns regarding the conditions of the Telegraph-Channing garage resulting in additional maintenance and efforts to address failing infrastructure. Ongoing advocacy is aimed at advancing planned capital improvement projects for the elevators and restrooms.
- e. Participated in the GoBerkeley Smart Space Community Advisory Committee and facilitated engagement from district businesses. Developing partnerships with the City and AC Transit to support businesses in expanding commuter benefits for employees.
- f. Engaged with the City Transportation Division to update parking restrictions in Telegraph Ave loading bays to allow evening parking aligned with adopted City policies.

**4. Improve the Telegraph brand through marketing, events, and promotions**

- a. Held the 6th annual Grateful Day Fest in November after a massive storm forced a reschedule of the event. It was held on the first two blocks of the Avenue with a stage, live Uke band and Dj as well as an outdoor marketplace with 20+ vendors. The new mix

**EXHIBIT A**

**Annual Report of the Telegraph Property and Business Improvement District for Fiscal Year (FY) 2022 and Budget for FY 2023**

of acts and vendors attracted approximately 1,500 visitors to the district and brought in significant foot traffic.

- b. Establishing an inclusive engaged organically growing Instagram account for Telegraph Ave that showcases the various businesses to an audience of 2k+ and reaching 20k+ accounts monthly, with 66% of the audience aged 24 years and older. Grew Telegraph Berkeley Instagram following from 1400 to over 2200 organically utilizing user generated content.
- c. Pulling inspiration from successful events from the past, Sunday Best is the next evolution of Telegraph annual fair. This year we are bringing out our Sunday Best and having a block party with a state fair flare. In partnership with businesses we will showcase the best that Telegraph has to offer from new Virtual Reality chairs from GameDayVR to spicy noodle eating contest hosted by Berkeley Thai House.
- d. Completed the installation of the Pole Icons for the Telegraph Historical Walking Tour, calling attention to the unique stories and legacy of the District. Work is underway to revamp the outreach and increase downloads and usage.
- e. Supported Visit Berkeley's annual Restaurant Week by encouraging restaurants to participate. Provided additional background knowledge of the program and acted as liaison through the event. Scheduled content creators to visit participants and shared content on social media.
- f. Partnered with Berkeley Half Marathon to tap into the running community. Created an opportunity for businesses to engage with participants running through the district. Held a giveaway for a free race entry, made an evergreen welcome banner, branded cowbells and hired musicians to make the experience memorable for runners.
- g. Led the first Telegraph District celebration of National Boba Tea Day in 2021 with a reusable boba straw give-away and advertising of the District's unparalleled collection of boba tea shops. The April 2022 celebration will include additional prizes and live engagement with customers, video features of the businesses, influencer collaborations, and regional advertising.

**5. Better serve District stakeholders as a convener and policy conduit on issues**

- a. Coordinated relief and support efforts in response to the COVID-19 outbreak, in partnership with the City, UC Berkeley, and business organizations city-wide. Provided personalized assistance to merchants seeking information and resources. Coordinated with City officials and business representatives to host merchant forums and provide constructive feedback on public health order implementation.
- b. Formalized robust statements of support for the housing and open space revitalization project at People's Park. Actively advocated to the City and University to support the development plans including the Resources For Community Development Supportive Housing project. Generated additional community support for the project including ongoing partnership efforts behind the supportive services for the unhoused population.
- c. Promoted new mixed-use housing developments in the district by voicing support during the entitlements process and encouraging changes to land-use policies that increase density and reduce barriers to growth.

**Telegraph Clean & Safe Ambassador Program**

The single most significant element of the TBID's ongoing work is their ambassador program which is provided through a contract with Block by Block. In keeping with the Management District Plan, the program provides 240 hours per week of cleaning and hospitality services year-round, seven days a week. Services include: trash and graffiti removal, power washing, sanitation, and beautification projects. The program comprises roughly 65% of the TBID's budget.

The program also works collaboratively with UC Berkeley's Homeless Outreach Coordinator and City staff to address the needs of unhoused community members in the District. The Ambassadors are trained in de-escalation and conflict resolution strategies; and respond to help unhoused community members, businesses, students, and local agencies to peacefully navigate conflicts and disruptive behaviors (often the result of substance abuse or a mental health crisis). Finally, our organization facilitates weekly coordination/case management meetings with city and university staff (social service and law enforcement) resulting in a more thoughtful and humane approach to problems involving our unhoused community.
