Request for initiation of Landmark or Structure of Merit designation on a future agenda lies within the range of action to be considered on each structure or property appearing at any place on the agenda.

**Consent Calendar:** The Consent Calendar allows the Commission to take action, without discussion, on Agenda items for which there are no persons present who wish to speak, and no Board members who wish to discuss. The Consent Calendar may include the following: (1) Approval of previous meeting minutes; (2) Items being continued to another meeting (action will be postponed to another meeting) or withdrawn by the applicant; and (3) Items noticed for public hearing which the Commission decides to move to the Consent Calendar. 2. **EX-PARTE COMMUNICATIONS:** In the context of adjudicative matters that come before the LPC, ex-parte communications are those which occur outside of the formal hearing process. LPC members should avoid ex-parte contacts on matters pending before the LCP as much as possible, as they may represent, or be perceived to represent, the receipt of evidence that can unfairly influence a decision on a matter before the Commission. If such contacts do occur, they must be placed in the record and disclosed to all interested parties sufficiently in advanced of the decision to allow rebuttal.

## 15. NOTICE CONCERNING LEGAL RIGHTS

If you object to a decision by the Landmarks Preservation Commission to approve or deny a designation or permit for a project, the following requirements and restrictions apply:

1. You must appeal to the City Council within fourteen (14) days after the Notice of Decision of the action of the Landmarks Preservation Commission is mailed. It is your obligation to notify the Current Planning Division in writing to receive a Notice of Decision when it is completed.
2. Pursuant to Code of Civil Procedure, Section 1094.6(b), no lawsuit challenging a City Council decision to deny a permit or variance may be filed more than ninety (90) days after the date the decision becomes final, as defined in Code of Civil Procedure, Section 1094.6(b), which has been adopted by the City. Any lawsuit not filed within that ninety (90) day period will be barred.
3. Pursuant to Government Code, Section 65009(c)(5), no lawsuit challenging a City Council decision to approve (with or without conditions) a permit or variance may be filed more than ninety (90) days after the date the decision becomes final, as defined in Code of Civil Procedure, Section 1094.6(b), which has been adopted by the City. Any lawsuit not filed within that ninety (90) day period will be barred.
4. If you believe that this decision or any condition attached to it denies you any reasonable economic use of the subject property, was not sufficiently related to a legitimate public purpose, was not sufficiently proportional to any impact of the project, or for any other reason constitutes a "taking" of property for public use without just compensation under the California or United States Constitutions, the following requirements apply:
  - A. That this belief is a basis of your appeal.
  - B. Why you believe that the decision or condition constitutes a "taking" of property as set forth above.
  - C. All evidence and argument in support of your belief that the decision or condition constitutes a "taking" as set forth above. If you do not do so, you will waive any legal right to claim that your property has been taken, both before the City Council and in court.
