

**PUBLIC NOTICE
SANITARY SEWER REHABILITATION PROJECT**

The City of Berkeley, Public Works Department, will be rehabilitating the sanitary sewer system in your neighborhood.

LOCATION: Adeline Street, Shattuck Avenue, Haste Street, MLK JR Way, Alcatraz Avenue, Ellis Street, Colusa Avenue, Tacoma Avenue, Acton Street, and Channing Way. *See location map below.*

TIMELINE: Construction is expected to start in October 2016 and take about five months to complete depending on weather or unforeseen conditions. Construction in your immediate vicinity may not extend for this entire period.

Standard work hours are 7:30 a.m. - 5:00 p.m., Monday - Friday

Schedule updates will be available on the City's website at:

[www.cityofberkeley.info/Public_Works/Bids - Contracts/Construction_Updates.aspx](http://www.cityofberkeley.info/Public_Works/Bids_-_Contracts/Construction_Updates.aspx)

POSSIBLE INCONVENIENCES: Traffic will be delayed at the work site and street closures may be necessary but will not exceed 12 hours at a time. "No Parking" signs will be posted along the street 3 days in advance and will be enforced by the Police Department. Please see the posted signs for exact hours and locations as they may vary according to scheduled tasks. All other usual parking restrictions, including no parking for street cleaning, will still be in effect. Access to private driveways may be prohibited during some operations. Emergency vehicle access will be maintained at all times.

No significant interruptions in sewer, water, electric, gas, or phone service is anticipated, though minimizing your water usage during this time is recommended.

PROPERTY OWNER AND RESIDENT ACTIONS: During the project, the City will replace the sanitary sewer mains and lower laterals. **Property owners are encouraged to obtain a quote from the Contractor, replace their private lateral (upper lateral), and obtain a private sewer lateral certificate upon completion.**

- Sensitive to Petroleum: Be aware that asphalt will be used in this project
- Avoiding Oil Spray: Park your vehicles outside of the construction area
- Safety: Keep children and pets away from work area
