

**Berkeley View Facility Upgrades
August 2013 – June 2014**

Dear Neighbor,

EBMUD will be upgrading its Berkeley View facilities starting August of 2013. The Berkeley View facilities are next to the Fire Station on Shasta Rd. The pumps in this facility are over 50 years old and have reached the end of their useful life. This work is expected to last from 9 to 10 months and includes the replacement of the existing pumps, motors, electrical components and internal cranes. Typical work hours are Monday through Friday from 7:00 am to 6:00 pm. The contractor will be using the Shasta Reservoir property at the end of Bay Tree Lane for staging and parking. You can expect additional traffic and noise during construction. This work will not impact your water service.

If you have questions or concerns now or during construction, contact the EBMUD Community Affairs office during normal working hours at (510) 287 2053 or mblackwe@ebmud.com. For after hour contacts call EBMUD at 1 (866) 403 2683.
