Subject: Recommendation to Amend Electrical Supervisor and Communications Supervisor Job Class Specifications

## **BACKGROUND**

The City of Berkeley Human Resources Department and Public Works Department seek to amend the Electrical Supervisor and Communications Supervisor job class specifications to clarify minimum qualifications.

The current job class specifications indicate that a typical way of gaining the knowledge and skills to qualify for Electrical Supervisor and Communications Supervisor is equivalent to graduation from high school and five years of increasingly responsible experience “as a City of Berkeley Electrician” or “City of Berkeley Communications Technician.”

Although the current wording allows the City to select candidates with experience outside of the City of Berkeley, it would be clearer to rephrase the minimum qualifications as follows: “increasingly responsible experience **equivalent to** a City of Berkeley Electrician or City of Berkeley Communications Technician.

## **SALARY**

There is no salary impact.

## **RECOMMENDATION**

The Personnel Board is requested to approve the following: Amend job class specification of Electrical Supervisor and Communications Supervisor as outlined.

The proposed changes to the job class specification capture the evolution of these responsibilities and add the requirement to be a Certified Administrator of Public Parking (CAPP) by the International Parking Institute, which is an industry standard.

Subject: Recommendation to Establish Lactation Counselor Job Class Specification and Salary Range

## **BACKGROUND**

The City of Berkeley Human Resources Department and Health, Housing, and Community Services (HHCS) Department were granted approval at the May 1, 2023 Personnel Board Meeting to establish the job class specification and salary range of Lactation Counselor. ## **FISCAL IMPACT**

The City of Berkeley's Health, Housing, and Community Services (HHCS) Department intends to staff the position as a limited-term, not-to-exceed-two-year position, at 10 hours per week (0.25 FTE), which will be funded for fiscal years 2022 to 2025 by a grant administered by the California Department of Public Health titled United States Department of Agriculture Breastfeeding Peer Counseling Program (BPC).

## **RECOMMENDATION**

Our recommendation is to establish the Lactation Counselor job class specification, in order to utilize grant funding to employ an Internationally Board-Certified Lactation Counselor who will oversee the City's Breastfeeding Peer Counselor Program and provide additional services to the City of Berkeley community.

- 1.13.1 **Leave Accrual for 56 Hour per Week Schedule:** Vacation leave, sick leave or sick leave bonus bank of hours accrued on a fifty-six (56) hour per week scheduled is converted to a forty (40) hour per week schedule by multiplying number of hours of vacation leave or sick leave accrued by the conversion factor of 0.7143.
- 1.13.2 **Leave Accrual for 40 Hour per Week Schedule:** Vacation leave, sick leave or sick leave bonus bank of hours accrued on a forty (40) hour per week scheduled is converted to a fifty-six (56) hour per week schedule by multiplying number of hours of vacation leave accrued by the conversion factor of 1.4.

For example, an employee working 30 hours per week, shall receive 75% of the one-time lump sum payment (\$375 effective the first full pay period after Union ratification and Council adoption of this successor agreement and \$375.00 the first full pay period in January 2022).

#### **1.15.1 Salary Resolution**

Effective the first full pay period in July 2021 after Council adoption on its regular agenda, the salary ranges for those classifications covered by this Manual shall receive a salary increase of four percent (4.0%).

Effective the first full pay period in July 2022, the salary ranges for those classifications covered by this Manual as listed in Exhibit A shall be increased by three percent (3.0%)

Eligible employees must be current City employees in paid status for the full pay period this lump sum is conferred and shall not apply to unit members who are in unpaid status. A six (6) month probationary period must be completed in no more than one (1) year. A one (1) year probationary period (2080 hours) must be completed in no more than two (2) years. Employees who work less than twenty (20) hours per week and temporary employees, unless otherwise authorized, do not accrue leave benefits

3.3.3 **Accrual of Vacation Credits:** Vacation leave credits are only accrued for each straight time hour for which the employee is paid.

3.3.4 **Effect of Extended Leave on Vacation Accrual:** An employee who has returned from extended military leave or an extended authorized leave of absence without pay of six (6) months or more or who has been re-employed or reinstated shall be entitled, during the calendar year in which the employee returns to the City service, to earn vacation according to a schedule based upon the total years in the career service with the City and upon the total number of months of actual service with the City during the said calendar year. For succeeding calendar years, the employee's vacation leave shall accrue as provided in this Manual.

**3.3.5 New Hire Vacation Accrual:** For new hires, the City Manager may authorize vacation accrual at a higher rate, up to the maximum accrual rate, depending upon the paid leave accrual of the potential employee at his or her present employer. The new hire must be able to document his or her current paid leave accrual, which has been earned for general use, such as vacation. The waiting period to advance to the next accrual rate would be the actual number of years between the respective accrual levels.

**3.3.6 Vacation Accrual for Unit Z1 Police Chief and Deputy Police Chief:** The vacation accrual rate for the Police Chief and Deputy Police Chief classifications will provide the same benefits as the vacation accrual for represented sworn police employees under the Berkeley Police Association (Units E & F) Memorandum of Understanding.

**3.3.7 Vacation Accrual for Unit Z1 Fire Chief and Deputy Fire Chief:** The vacation accrual rate for the Fire Chief and Deputy Police Chief classifications will provide the same benefits as the vacation accrual for represented sworn fire employees under the Berkeley Fire Fighters Association (Units B) Memorandum of Understanding.

### 3.4 Vacation Scheduling

The times during the calendar year at which an employee shall take his or her vacation shall be determined by the department head with due regard for the wishes of the employee and particular regard for the needs of the service. If the requirements of the service are such that a department head cannot permit the employee to take an annual vacation leave or any part of such leave within a particular calendar year, the employee may accrue vacation according to Section 3.3 (Vacation Accrual) of this Manual.

### 3.5 Maximum Vacation Accumulation

Employees may defer vacation earned up to a maximum cumulative total of eight (8) weeks. An employee who has attained maximum accumulation may be required to take all excess earned vacation at the option of the City. Not later than October 1 of each year, the City will advise employees who have attained a maximum accumulation of vacation whether such excess earned vacation must be scheduled as time off prior to March 31. Such time off shall be scheduled in accordance with the provisions of Section 3.2 (Vacation Approval).

The City shall require all employees to reduce their accrued vacation balances to no more than 320 hours, as of the last pay period in February of each year. To effectuate the requirement that employees not accrue more than 320 hours vacation leave, no later than November 15 of each year the City will provide Department Heads with a report identifying all employees who have accrued two hundred and eighty (280) hours of vacation leave and appear in danger of exceeding the 320 hour limit.

Employees who have accrued 280 hours of vacation leave, as of that date, will be advised by their supervisor that they must take vacation leave to reduce their vacation leave accrual by February of the following year.

Supervisors should be flexible in granting employee vacation requests to those employees above, or approaching the 320 hours limit, and further, that with regard to employees who are in danger of exceeding the 320 hour limit, no vacation request by such an employee shall be unreasonably denied. If an employee who is in danger of exceeding the 320 hour limit fails by December 31 to schedule a vacation to be taken before the last pay period in February, the City has the

authority to direct the employee to go on vacation leave to reduce the employee's accrued vacation.

If, due to operational necessity, a department head denies an employee vacation leave and does not provide the employee with an alternate vacation date, and as a result causes the employee to exceed the 320 vacation leave limit, said employee shall nonetheless be entitled to use that vacation leave in the next calendar year to the extent necessary to reduce their accrued vacation to not more than 320 hours. Under no circumstances will the City liquidate any vacation leave balances for any employee during employment.

### **3.6 Vacation Leave before Retirement**

Accumulated vacation shall not be used immediately prior to retirement, which has the effect of extending the date of retirement, but shall be paid out in full upon retirement.

### **3.7 Vacation Leave in Lieu of Sick Leave**

Except for absences that qualify for benefits under Administrative Regulation 2.4 (Family Care Leave) Vacation leave shall not be used in lieu of accrued sick leave for absences due to illness. If accrued sick leave is exhausted, vacation leave may be used for absences due to illness, only if such leave is approved by the employee's department head.

### **3.8 Payout upon Termination or Extended Unpaid Leave**

Upon termination, including death, extended military leave or other extended leave without pay, an employee or his or her estate shall be paid for all accrued unused vacation leave at the employee's base rate at the time of his or her termination, and such employee or his or her estate shall reimburse the City for any vacation leave taken before it had accrued, in accordance with provisions established by the City Manager.

## **ARTICLE 9 - EMPLOYMENT AT-WILL**

### **9.1 Employment At-Will**

An employee who is employed in a position that is excluded from the career service by Berkeley Municipal Code Section 4.04.120 of the Personnel Ordinance is employed by the City in an "at-will" status. This means that both the at-will employee and the City have the right to terminate employment at any time, with or without advance notice, and with or without cause. No employee or officer of the City of Berkeley has the authority to alter the employee's at-will status or to enter into an oral or written agreement for employment for a specified period of time, or to make any promises, assurances or agreements contrary to this the provisions of this Section.

### **9.2 No Right to Appeal Discharge**

An at-will employee who is discharged has no right of appeal or hearing in any manner provided by this Manual.

### **9.3 Benefits**

Those offices, positions and employments named in the Berkeley Municipal Code, Sections 4.04.120 (A), (B) and (C) who regularly work twenty or more hours per week are classified as regular at-will employees and shall be entitled to those benefits as specified for benefitted employees by this. A list of regular at-will positions entitled to receive such benefits is in the Appendix.

All other offices, positions and employments named in the Berkeley Municipal Code, Section 4.04.120, are not eligible for any benefits provided under these Rules, except those expressly specified for temporary employees, such as the Earned Leave benefit or those required by State or Federal law such as Family Care Leave and enrollment in the City's PARS retirement plan, as provided in this Manual.

### **9.4 Standards of Conduct**

At-will employees are subject to the same standards of conduct that prevail over employees in the career service. Any evaluations, warnings or disciplinary action provided to at-will employees regarding their conduct or job performance does not create any obligation or duty on the City's part to provide a warning or evaluation or corrective progressive discipline prior to discharge and in no way negates or otherwise abrogates the City's right to discharge at-will employees for any reason without notice at any time during their employment and without right of appeal.

### **9.5 Transfer or Appointment of Career Employee to an At-Will Position**

Any employee in the career service who accepts a transfer or appointment to an at-will position shall be reinstated to the career position from which he or she was transferred or appointed if within six months after such transfer or appointment, action is taken to dismiss the employee, unless charges are filed and the employee

is discharged in accordance with these Rules. After expiration of the six month period, the employee is excluded from the career service and from any retreat rights to former career positions and is subject to termination at any time, with or without advance notice, with or without cause, and without the right of appeal.

## **ARTICLE 10 - LAYOFF POLICY AND PROCEDURE**

### **10.1 Statement of Intent**

This layoff policy is intended to provide the maximum employment protection to employees in the career service and to minimize the impact on the City's affirmative action accomplishments should a layoff become necessary.

### **10.2 Announcement of Layoff**

The City Council, City Manager and department heads shall make every reasonable effort to manage and budget the City's resources effectively, and to plan for the delivery of City services in a manner which will avoid the necessity to lay off career City employees. A reduction in the workforce for more than thirty calendar days is necessitated by, but not limited to, the following a material change in duties and organization, adverse working conditions, return of employee from leave of absence, or shortage of work or fund. In the event of a layoff, the City Manager shall notify the Director of Human Resources of the intended action and the reason for the layoff.

### **10.3 Vacancy Freeze**

Immediately following a decision which may involve the potential layoff of career City employees, the City Manager shall freeze all current City vacancies in the career service in similar and related classes to those likely to be targeted for layoff. The City Manager shall notify the department heads of a freeze of vacancies in their departments and shall require that requisitions continue to be submitted for any budgeted positions which the department head intends to fill and for which funding is available.

### **10.4 Seniority Service Date**

All service in the employ of the City shall be counted toward the establishment of an employee's Seniority Service Date, including permanent, probationary, provisional, temporary, part time (on a prorated basis), seasonal, regular at-will employment, and approved military and parental leaves of absence. All other leaves without pay, including time off as a result of formal disciplinary action will be subtracted from the Seniority Service Date.

### **10.5 Establishment of Seniority Lists**

Layoffs shall be made according to City-wide class Seniority Lists which the Human Resources Department will immediately establish for probationary and permanent employees in each class targeted for layoff. The names of all City employees holding permanent and probationary appointments in a given class will be listed on the appropriate list in descending order by Seniority Service Date.

Probationary or permanent employees temporarily acting out of class and holding a provisional appointment in another class will be listed on the Seniority List of the class in which they hold permanent or probationary status.

## 10.6 Order of Layoff

Employees within a specific class shall be laid off on the basis of their Seniority Service Date; i.e., employees with the least amount of total service shall be laid off first. All emergency, temporary and provisional employees working in classes similar to those identified for layoff must be terminated prior to the layoff of probationary and permanent employees. Probationary employees will be laid off prior to permanent employees for a specific class.

10.6.1 **Tie:** If two or more employees on a Seniority List have an identical Seniority Service Date, the tie shall be broken in the following order: (1) time in class--the employee having least time in the class shall be laid off first, and (2) by lot.

10.6.2 **Administrative & Fiscal Services Manager Position in the Berkeley Public Library:** This is a specialty designated position within the Administrative & Fiscal Services Manager classification, and will be treated as a separate classification for the purpose of administering the Layoff Policy and Procedure.

## 10.7 Notification

Permanent and probationary employees should be notified individually, in writing, of pending layoffs as soon as possible, with no less than thirty calendar days notification if targeted for termination or retreat to a lower class.

All other employees to be laid off shall be given, whenever possible, at least a fourteen (14) calendar day prior notice.

## 10.8 Employee Retreat Rights

A probationary or permanent employee affected by layoff shall have the right to displace an employee in a lower level class in which the affected employee once had permanent status or in a subsequently created intermediate level career class which provides normal progression through the class series. Retreat rights shall also extend to employees who have not previously been promoted through a class but for whom the class is a natural progression or beginning in the class series. Retreat rights into a lower class will be granted in order of the highest seniority date on the Seniority List for employees in that class.

10.8.1 **Qualified to Retreat into More than One Classification:** When an employee is qualified to retreat into more than one class, the options shall be discussed with the employee and due consideration given to the employee's preferences. However, it is the prerogative of the City Manager to determine the final placement offer to the employee

10.8.2 **Salary Step:** Employees retreating to a lower class or being flexibly placed in a similar class shall be placed at the salary step representing

the least loss of pay. In no case shall the salary be increased above that received in the class from which the employee was laid off.

- 10.8.3 **Reinstatement after Transfer:** An employee whose position is abolished and is transferred in lieu of layoff shall have the right to return to the position if it is restored within one year of the date of the transfer.

## 10.9 Flexible Placement Program

After all frozen vacant positions have been filled by employees entitled to retreat rights under Section 10.8 (Employee Retreat Rights) of this chapter, the Human Resources Department will review and identify the remaining frozen vacant classes into which career employees targeted for layoff who have not retreated into a lower class may be placed on the basis of total experience and education.

- 10.9.1 **Failure to Meet Minimum Requirements:** Where the targeted employee does not meet the minimum qualifications of a frozen vacant position, the City Manager has the discretion to either waive the minimum qualifications and/or substitute the targeted employee's job-related experience and education for the minimum qualifications, but under no circumstances is the City Manager required to do so. Where the employee does not meet the minimum qualifications, flexible placement can occur only if the City Manager determines that management and supervisory personnel are able to provide adequate supervised on-the-job training to the employee to meet the requirements of the job. The employee must successfully complete the training within six months as determined by the Director of Human Resources or the employee shall be again subject to the layoff procedures.
- 10.9.2 **Salary Range:** Assignments under the Flexible Placement Program shall be limited to positions in the same or lesser salary range as the classification from which the employee is to be laid off.
- 10.9.3 **Order of Assignment:** Offers to positions under the Flexible Placement Program shall be made according to the employee's standing on the Seniority List.

## 10.10 Failure to Accept Offer under Layoff

Failure on the part of an employee to accept a written bona fide offer to retreat to a lower class or be flexibly placed in an alternative job within ten calendar days after the offer is made shall result in forfeiture of any further right to employment retention. Acceptance of a reassignment to a lower class does not remove the employee's right of appeal under Section 10.12 (Appeal Procedures) nor does acceptance of an alternative job under the Flexible Placement Program jeopardize an employee's standing on the re-employment lists as further provided in this Section 10.10 (Failure to Accept Offer under Layoff).

## 10.11 Re-Employment List

The names of probationary and permanent employees laid off in accordance with this chapter shall be entered on a re-employment list for both those classes from which they were separated as well as other classes to which they have retreat rights.

- 10.11.1 **Duration of List:** Re-employment lists for laid off employees who are separated from City service shall remain in effect for three years. Re-employment lists for laid off employees who are demoted shall remain in effect indefinitely.
- 10.11.2 **Use of List:** Re-employment lists shall be used by each department when a vacancy arises in the same or lower class of position before certification is made from an eligible list.
- 10.11.3 **Order of Appointment:** Employees on the re-employment list shall be certified and appointed to a vacancy in the appropriate class according to their standing on the Seniority List.
- 10.11.4 **Failure to Appoint from Re-Employment List:** If a vacancy is filled from an eligible list in a class for which a re-employment list exists which is a violation of this Section, the employee on the re-employment list who should have been appointed shall be appointed to the vacancy and paid retroactively from the date the vacancy occurred.
- 10.11.5 **Failure to Accept Bona Fide Offer:** Failure on the part of the employee on the re-employment list to accept a bona fide written offer of re-employment within fifteen calendar days will result in removal of the employee's name from the re-employment list from which the offer was made. Failure to accept an offer of re-employment to the class with the highest salary range for which the employee is eligible for re-employment will result in automatic removal of the employee's name from all re-employment lists. The employee may, however, accept or decline temporary re-employment without jeopardizing his or her standing the re-employment list for the class from which he or she was originally terminated.
- 10.11.6 **Salary Step:** Upon reappointment to the class from which the employee was originally separated or demoted, the employee shall be placed at the salary step that the employee held at the time of the separation or demotion.

## APPENDIX

This Appendix contains detailed information regarding benefits and compensation which covers unrepresented benefitted employees. It is appended to the Unrepresented Employee Manual but the contents are not part of the resolution establishing the Unrepresented Employee Manual and may be changed to reflect changes in benefit details, as approved by the City Council by resolution.

### 13.1 Administrative Leave

Employees who are in career, benefitted, or at-will benefitted classifications which are FLSA Exempt may be approved by the City Manager to receive up to an additional 50 hours of compensated administrative leave beginning on January 1, 2016, and at the beginning of each calendar year thereafter, or prorated during the course of the year when employed less than a full year. This administrative leave is granted to employees whose job responsibilities cause them to work numerous hours in excess of the normal City workweek. The City Manager has the authority to rescind administrative leave in those instances of abuse or misuse of the intent of this provision.

Administrative leave taken must be approved in advance by the department head and posted to the employee's timecard. Unused administrative leave may be carried over to the next calendar year, providing the total of excess vacation and unused administrative leave do not exceed 320 hours. Otherwise, the excess administrative leave must be taken within the calendar year in which it was earned or it may be forfeited. Upon termination or retirement, no monetary award will be authorized for unused accumulated administrative leave.

**13.1.1 Prorated Administrative Leave:** A benefitted employee who is otherwise eligible for overtime and who is on a temporary or provisional benefitted appointment in an FLSA Exempt classification for a period of one month or longer, and is ineligible to earn overtime, shall be entitled to prorated Administrative leave for the duration of the temporary or provisional appointment. Any unused administrative leave at the end of the temporary or provisional appointment will roll into vacation, provided the total of accrued and unused vacation and accrued administrative leave do not exceed 320 hours.

### 13.2 Automobile Allowance

The City reimbursement rate for the use of a private automobile on authorized City business will be equal to the amount established by the Internal Revenue Service.

### 13.3 Bilingual Premium Pay

**13.3.1 As Part of Regular Job Assignment:** An employee who is required as an essential part of his or her job to provide non-English language services, including Braille and sign language, routinely and consistently as part of his or her regular job assignment as determined by the City

will receive a Bilingual Premium Pay Differential of 5%. The employee must agree to use the bilingual skill during his or her normal work shift regardless of assignment. The Bilingual Premium Pay Differential of 5% will be reported to CalPERS as Bilingual Premium Special Assignment Pay. However, any hours worked on overtime are excluded from CalPERS reported "compensation earnable" in California Government Code Section 20635.

- 13.3.2 **Occasional Assignments:** An employee assigned occasionally to provide non-English language services, including Braille and sign language, when either a) assigned by management, or b) at the request of the employee with the supervisor's agreement, or, c) after a job audit will receive a Bilingual Premium Pay Differential of 2%. The employee must agree to use the bilingual skill during his or her normal work shift regardless of assignment. The Bilingual Premium Pay Differential of 2% will be reported to CalPERS as Bilingual Premium Special Assignment Pay. However, any hours worked on overtime are excluded from CalPERS reported "compensation earnable" in California Government Code Section 20635.
- 13.3.3 **Competency and Management Rights:** The bilingual premium will not be applicable under any circumstances except to an employee who possesses second language competency. Management reserves the right to test for second language appropriate competency prior to a Bilingual Premium Pay Differential.
- 13.3.4 **Temporary Designation:** The City may designate an employee to receive either the 5% or 2% Bilingual Premium Pay Differential on a temporary basis for a specified period provided the employee met the requirements contained in the first or second paragraph of this Section.

#### 13.4 Cash-In-Lieu Payments

For those employees who are able to show proof of ongoing alternate [group](#) medical coverage, the City will compensate employees \$560.00 per month, prorated for less than full-time employees. This benefit shall be frozen at this amount. To comply with FLSA laws, health insurance in-lieu payments shall be paid over twenty-six (26) equal biweekly installments instead of once a month.

#### 13.5 Dependent Care

Employees shall be allowed to designate a specific amount of salary, consistent with State and Federal tax laws, to be redirected to pay for dependent care costs through pre-tax salary deductions. The amount of funds designated should be considered carefully, because under the current tax code, any unexpended funds which have not been spent for the specific purpose of paid dependent care and remain in the employee's account at the end of the year, will be forfeited.

### 13.6 Life Insurance

The City shall provide paid group life insurance, by a carrier of the City's choice, in the amount of \$25,000 which shall include a standard accidental death and dismemberment provision of a like amount. Employees in the classification of Police Chief and Fire Chief shall be provided with life insurance in the amount of \$100,000, which shall include a standard accidental death and dismemberment provision of a like amount. In addition, all unrepresented benefitted employees may purchase additional coverage, in increments of \$10,000, up to a maximum of \$300,000, at the rate offered by the City's insurance carrier, subject to any rules and restrictions of the carrier, including but not limited to any medical exam that might be required by the insurance carrier.

### 13.7 Medical/Dental Insurance for Employees/Dependents

Except as provided in Section 8.1 (Group Medical-Dental Insurance Benefits), the City offers fully paid and/ or partially paid health insurance plans and a fully paid dental plan for the employee and eligible dependents, including a domestic partner. The dental plan currently provides orthodontic coverage for the employee's dependent children through age 26 and 90% of the Bay Area Usual, Customary and Reasonable charges. Effective January 1, 2007, the maximum annual coverage will be \$2,000 annual coverage, and \$2,000 lifetime orthodontia limit. Any employee, who is required to partially pay premiums, shall be allowed to make these payments with pre-tax deductions. The medical and dental benefit coverage for dependent children extends to the date of their 26<sup>th</sup> birthday, providing they meet the Internal Revenue Service definition of "dependent". If an employee chooses to complete and submit an Affidavit of Domestic Partnership and sign up for medical benefits and/or dental benefits for his or her domestic partner, the employee shall be subject to federal and state income tax withholding.

Medical and dental benefits shall begin the first day of the calendar month following the date of hire, and end the last day of the month an employee is in pay status, except in the case of parental and Family and Medical Leave Act, as described in the Administrative Regulation No. 2.4. Maximum annual coverage amounts are found in the Employee Benefits Handbook.

- 13.7.1 **Dental Coverage for Fire Management:** Effective January 15, 2015, employees in the classification of Fire Chief and Deputy Fire Chief, shall be provided with dental insurance with an annual maximum coverage of \$3,000 and lifetime orthodontia limit of \$3,000.

### 13.8 Retiree Medical Plan

The terms and conditions of this benefit shall be set forth in a separate document which shall contain a full plan description and shall control the administration of the retiree medical plan.

Employees who retire on or after June 21, 2015, shall be permitted, at their discretion, to enroll in non-City sponsored health plans. After Council approval of this Unrepresented Employee Manual, the City shall amend the Retiree Health Premium Assistance Plans I and II as soon as practicable to allow enrollment in non-City sponsored health plans. In the event a retiree elects to enroll in a non-City sponsored health plan, the City shall make medical insurance premium payments directly to the health insurance provider in an amount equal to what the City would contribute to the City sponsored health plan. Retiree shall be solely responsible for all aspects of the requirements to enroll in a non-City sponsored health plan and maintain eligibility for such a plan; the City's sole obligation is to pay the medical insurance premium contribution required under this section, as directed by the retiree to a non-City sponsored health plan. The City shall not be responsible for any excess cost differentials associated with the direct payment of premiums to non-City sponsored plans. The City will only make payments through its third party administrator to provide medical insurance premium payments for an individual plan and will not make payments for a group plan. The retiree and/or surviving spouse or domestic partner that enroll in non-City sponsored health plans shall be solely responsible for paying the administrative set up fee, the monthly administrative fee, and/or any other fees established by the third party administrator, and said fees will be deducted directly from the retiree's monthly contribution. No cash payments will be paid directly to the retiree or the retiree's spouse/domestic partner. There shall be no cash in lieu payments made under this benefit.

The City will also amend the Retiree Premium Assistance Plans I and II to allow eligible retirees who retired prior to June 21, 2015 to enroll in a non-City sponsored health plan.

### 13.10 Retiree Medical for Unrepresented Benefitted Employees

Effective June 28, 1998, the City will provide the retiree medical coverage set forth below for all unrepresented benefitted employees, except employees in the classifications of Police Chief, Fire Chief, and Deputy Fire Chief (see separate plans below). An employee's entitlement to any and all benefits provided by the City under this retiree medical plan is subject to the funding limitations set forth in the plan document.

- 13.10.1 **Eligibility and Percentage of City Contribution:** An employee is eligible for the retiree health insurance coverage as set forth in Sections 13.10.3 (Pre Age 65 Retiree Health Insurance) and 13.10.4 (Retiree

- b. is vested with CalPERS;
- c. has at least eight (8) years of CalPERS qualifying service with the City; and

Years of CalPERS Qualifying Service	Percentage of City Contribution
8	30%
9	40%
10	50%
11	58%
12	66%
13	74%
14	82%
15	90%
16	92%
17	94%
18	96%

20	100%

- 13.10.2 **Annual Increase:** Retirees will pay the difference between the City’s monthly contribution and the actual monthly medical insurance premium charged by the health plan he or she has elected for retiree medical coverage. If the premiums for such health insurance are increased, the amount the City contributes shall increase no more than 4.5% above the previous year’s contribution. No increases in the amount the City contributes shall occur before July 1, 1999. Thereafter, any increase in the amount contributed by the City will occur on July 1 each year thereafter.

- 13.10.3 **Pre Age 65 Retiree Health Insurance:** Beginning June 28, 1998, the City shall make available health insurance coverage to the employee and his or her spouse or domestic partner. The City will pay on the employee's behalf no more than \$166.26 per month for an employee electing single party health coverage and no more than \$332.52 per month for an employee electing two party coverage.
- 13.10.4 **Retiree Benefits for Employees Age 65 and over:** Once an employee or retiree reaches age 65, he or she is eligible for Medicare. As a result his or her eligibility for the retiree medical benefits set forth in Section 13.10.1 (Eligibility) ceases. On reaching age 65, the City will make available health insurance coverage in addition to Medicare. When an employee or retiree reaches age 65, the City will contribute no more than \$16.17 per month on the employee's behalf for single party health insurance coverage and no more than \$32.34 per month for two-party health coverage.
- 13.10.5 **Termination by City of Retiree Medical Benefit:** Failure of the retiree or surviving spouse to pay their monthly share of the health insurance premium will result in termination of the retiree medical benefit and relieve the City of any further obligation to provide any further benefits under Section 13.10 (Retiree Medical for Unrepresented Benefitted Employees).
- 13.10.6 **Retiree Medical Benefit for Employees Retiring between the Ages of 50 and 55:** An employee who is at least 50 years of age, but less than 55, has at least eight (8) years of CalPERS qualifying employment with the City will retain eligibility for the retiree medical benefits provided in Section 13.10.1 (Eligibility) when the employee reaches age 55 if the employee is enrolled in a group health plan coverage from the date of his or her termination from City employment until the employee's 55th birthday. If for any reason the employee has a lapse in group health care coverage the employee forfeits his or her eligibility for the retiree health plan benefits upon reaching age 55 and the City has no further obligation to provide any benefits under this Section to the employee and/or his spouse or domestic partner.
- 13.10.7 **Employees Retiring with a CalPERS Approved Disability Retirement:** If an employee retires from the City before age 55 with a CalPERS approved disability retirement, the employee will retain eligibility for the retiree medical benefits provided in Section 13.10.1 (Eligibility) when the employee reaches age 55 if the employee is enrolled in a group health plan coverage from the date of his or her termination from City employment until the employee's 55th birthday. If for any reason the employee has a lapse in health care coverage the employee forfeits his or her eligibility for the retiree health plan benefits upon reaching age 55 and the City has no further obligation to provide

any benefits under this Section to the employee and/or his spouse or domestic partner.

- 13.10.8 **City Funding of Retiree Health Benefit:** City contributions to the retiree medical benefit began on July 1, 1998. Funding of this benefit has been set aside in a trust to be established by the City.

The retiree medical benefit will be funded by a charge of 0.25% of payroll in each year, so that contributions are at 1% of the payroll after four years. The City will fund the benefit at approximately 1% of the payroll for every year thereafter with the intent of achieving a funding level of 70% after 30 years. The funding will be ongoing to maintain a 70% funding level thereafter.

Effective July 4, 2004, an additional charge of 0.25% of payroll was charged each year in the subsequent four years so that contributions are at 2% by July 1, 2007. The purpose of this 1% increase in payroll contribution is to fund post age 65 Medicare supplement plans. As a result of this change, the amount the City contributes toward the post-65 Medicare Supplement coverage under the Retiree Health Premium Assistance Plan was \$102 effective July 7, 2002 for all post 65 retirees as well as future retirees.

- 13.10.9 **Retiree Medical Plan for Unrepresented Employees (Rep Units Z-2, Z-3, Z-6):** Eligible retirees who retired from positions in Representation Units Z-2, Z-3 and Z-6 on or after July 1, 2008.

Effective July 1, 2011, the amount the City contributes toward payment of the health care premium cost for the Retiree Health Premium Assistance Plan will increase by an additional \$25 per month (i.e., an aggregate \$100 per month increase) in addition to the 4.5% that occurs on July 1 as provided in Section 13.10.2 (Annual Increase).

- 13.10.10 **Retiree Medical Plan for Confidential and Executive Management Employees (Rep Unit Z-1; Z-5; Z-7; Z-9; and Elected Officials):** Eligible retirees who retired from positions in Representation Unit Z-1 on or after July 1, 2008.

**Medicare and Not Medicare Eligible:** Effective June 29, 2008, an additional charge of 0.50% of payroll will be charged so that contributions are at 2.5%. The purpose of this 0.50% increase in payroll contribution is to fund both pre-65 retiree health care premium costs and post age 65 Medicare Supplement plans for eligible retiree who retired from positions in Representation Unit Z-1; Z-5; Z-7; Z-9 and Elected Officials on or after July 1, 2008. As a result of this change, the amount the City contributes toward pre age 65 health insurance premium costs shall increase from \$258.19 per month to \$309.39 per month for single coverage and from \$516.38 per month to \$618.78 per month for 2-party coverage. The City's contribution toward the post-65 Medicare Supplement coverage shall increase from \$132.83 per month to \$184.03 per month for single coverage and from \$265.67 per month to \$368.06 per month for 2-party coverage.

City of Berkeley employees who are California Public Employees’ Retirement System (CalPERS) members with Public Employees’ Pension Reform Act (PEPRA) status have already gotten notification from CalPERS about contribution rate increases for FY 2023-24, which will take effect on July 1, 2023, and will appear on the affected employees’ paycheck on July 14, 2023. The applicable rates for the City of Berkeley will be as follows:

Berkeley PEPRA Rate ▼	FY 2022/2023 ▼	FY 2023/2024 ▼
Misc.	7.75%	8.25%
Safety Police	12.50%	13.50%
Safety Fire	11.75%	11.75%

Please be mindful that these rates are set by CalPERS and employers, including the City of Berkeley, do not have any control over them. If you would like more information regarding this increase, please visit [Public Agency Members: Most PEPRA Contribution Rates Are Increasing on July 1 - CalPERS PERSpective.](#)

This increase will be offset for some employees by the fact that effective June 25, 2023, the employee share of additional cost for PEPRA employees within SEIU CSU, SEIU MC, and PEU Local 1 will be reduced by one percent (1%), in accordance with the current memoranda of understanding with those groups. (Unrepresented Employees will see a similar 1% reduction in the employee share of additional cost.) The employee share of additional cost is an additional amount to the rate determined by CalPERS and is negotiated in the terms of the memoranda of understanding between the City and unions.

**COVID-19 SICK LEAVE**

After several extensions by the City, sick leave for COVID will end on June 30, 2023. Employees who have COVID leave balances in their illness banks can use them until the end of the fiscal year in the event they test positive. Starting in July, regular sick days can be used to remain in paid status during COVID-related absences.
