Fair Campaign Practices Commission

PUBLIC HEARING

February 4, 2020

To: Honorable Mayor and Members of the City Council
 From: Fair Campaign Practices Commission
 Submitted by: Dean Metzger, Chair, Fair Campaign Practices Commission
 Subject: Amendments to the Berkeley Election Reform Act; Amending BMC Chapter 2.12

RECOMMENDATION

Conduct a public hearing and upon conclusion, adopt an ordinance amending the Berkeley Elections Reform Act, BMC Chapter 2.12, regarding the public financing program.

FISCAL IMPACTS OF RECOMMENDATION

None.

CURRENT SITUATION AND ITS EFFECTS

The proposed amendments to the Berkeley Election Reform Act (BERA) were adopted by the Fair Campaign Practices Commission (FCPC) at its regular meeting of November 21, 2019.

Action: M/S/C (Smith/McLean) to adopt the proposed amendments to BERA related to public financing.

Vote: Ayes: Metzger, Ching, Saver, Blome, McLean, Tsang, Smith; Noes: None; Abstain: None; Absent: O'Donnell (excused).

Pursuant to Berkeley Municipal Code Section 2.12.051, the BERA may be amended by the "double green light" process. This process requires that the FCPC adopt the amendments by a two-thirds vote and the City Council hold a public hearing and adopt the amendments by a two-thirds vote.

BACKGROUND

The City's public-financing program, created by the Fair Elections Act of 2016, sets specific dollar amounts for contribution limits, the fundraising threshold to qualify to participate in the program, the total funding available to candidates, and the value of capital assets purchased with public campaign funds.

The Act requires the Fair Campaign Practices Commission to make cost-of-living adjustments to these dollar amounts, among others, during every odd-numbered year

based on the Consumer Price Index. (See BMC, §§ 2.12.075, 2.12.545.) The Commission approved cost-of-living adjustments for the 2020 election cycle at its September 19, 2019 meeting and adopted a regulation codifying these adjustments at its November 21, 2019 meeting. The Commission followed the formula set by the State Fair Political Practices Commission, which also regularly issues cost-of-living adjustments through regulation. (See, e.g., FPPC Regulation 18545, 2 Cal. Code Regs., § 18545.)

At the November meeting, the Commission also adopted minor amendments to the corresponding Berkeley Election Reform Act (BERA) provisions to state expressly that cost-of-living adjustments are issued by regulation. This will avoid any possible confusion by candidates and the public about the operative dollar amounts, while allowing the Commission to make routine cost-of-living adjustments without needing to amend BERA.

ENVIRONMENTAL SUSTAINABILITY

There are no identifiable environmental effects related to the recommendation in this report.

RATIONALE FOR RECOMMENDATION

The proposed amendments to BERA will provide clarifying language for several passages.

ALTERNATIVE ACTIONS CONSIDERED

None.

CITY MANAGER

The City Manager concurs with the recommendation in this report.

2.12.167 Qualified contribution.

“Qualified Contribution” means a monetary contribution, excluding loans, made directly in aid of the nomination or election of one or more candidates not greater than fifty dollars (\$50) made by a natural person resident of the City of Berkeley. [This dollar amount may be adjusted for cost-of-living changes by the Commission through regulation, pursuant to Section 2.12.545.](#)

2) Meet all requirements to be eligible to hold the office of Mayor or Councilmember as set forth in Sections 9 and 10 of Article V of the Charter of the City of Berkeley;

3) Before the close of the qualifying period, collect and submit at least 30 qualified contributions, from at least 30 unique contributors, of at least ten dollars (\$10), for a

total dollar amount of at least five-hundred dollars (\$500). [These dollar amounts may be adjusted for cost-of-living changes by the Commission through regulation, pursuant to Section 2.12.545.](#)

- a) Each qualified contribution shall be acknowledged by a receipt to the contributor, with a copy retained by the candidate. The receipt shall include the contributor's signature, printed name, home address, and telephone number, if any, and the name of the candidate on whose behalf the contribution is made. In addition, the receipt shall indicate by the contributor's signature that the contributor understands that the purpose of the qualified contribution is to help the candidate qualify for Fair Elections campaign funding and that the contribution is made without coercion or reimbursement.
- b) A contribution for which a candidate has not obtained a signed and fully completed receipt shall not be counted as a qualified contribution.
- 4) Maintain such records of receipts and expenditures as required by the Commission;
- 5) Obtain and furnish to the Commission any information it may request relating to his or her campaign expenditures or contributions and furnish such documentation and other proof of compliance with this chapter as may be requested by such Commission;

Contributions from a participating candidate to his or her own controlled committee are not eligible for matching funds.
- 7) Not accept contributions in connection with the election for which Fair Elections funds are sought other than qualified contributions, contributions not greater than fifty dollars (\$50) made by a natural person non-resident of Berkeley, or non-monetary contributions with a fair market value not greater than fifty dollars (\$50). The aggregate value of all contributions from any individual must not be greater than fifty dollars (\$50);
- 8) Not solicit or direct contributions in connection with any election during the election cycle in which Fair Elections funds are sought other than qualified contributions, contributions not greater than fifty dollars (\$50) made by a natural person non-resident of Berkeley, or non-monetary contributions with fair market value not greater than fifty dollars (\$50) to such candidate's controlled committee.
- 9) Not accept loans from any source.
- (10) The Commission has the authority to approve a candidate's application for public financing, despite a violation by the candidate related to participation and qualification in the public financing program, if the violation is minor in scope and the candidate demonstrates a timely, good-faith effort to remedy the violation. The Commission may

adopt regulations setting forth guidelines for what constitutes a minor violation under this provision.

Section 3. That Berkeley Municipal Code Section 2.12.505 is amended to read as follows:

2.12.505 Fair Elections fund payments.

A. A candidate who is certified as an eligible participating candidate shall receive payment of Fair Elections funds equal to six-hundred percent (600 percent) of the amount of qualified contributions received by the candidate during the election cycle with respect to a single election subject to the aggregate limit on the total amount of Fair Elections funds payments to a candidate specified in Section 2.12.505.B.

B. The aggregate amount of Fair Elections funds payments that may be made to a participating candidate during an election cycle may not exceed:

- 1) \$120,000 for a candidate running for the office of Mayor;
- 2) \$40,000 for a candidate running for the office of City Council.

[These dollar amounts may be adjusted for cost-of-living changes by the Commission through regulation, pursuant to Section 2.12.545.](#)

C. A participating candidate's application for Fair Elections funds, including an initial request submitted with an application for certification as a participating candidate, shall be made using a form prescribed by the Commission and shall be accompanied by qualified contribution receipts and any other information the Commission deems necessary. This application shall be accompanied by a signed statement from the candidate indicating that all information on the qualified contribution receipts is complete and accurate to the best of the candidate's knowledge.

1) All Qualified Contributions, of any dollar amount, eligible for matching Fair Elections funds must be publically disclosed with the contributor information required under Sections 2.12.280 and 2.12.283.

2) All campaign filings must be current in order for a Participating Candidate to receive a disbursement of Fair Elections funds and the Participating Candidate and a Participating Candidate's controlled committee must not have any outstanding fines related to campaign filings or violations of municipal, state or federal election law. All applications for Fair Elections funds shall include a certification by the Participating Candidate that the Participating Candidate or his or her controlled committee does not have any outstanding fines or penalties related to campaign filings. Upon submission of outstanding campaign filings and payment of any

outstanding fines, withheld Fair Elections funds will be disbursed at the next regularly scheduled distribution for that election cycle.

D. The City shall verify that a candidate's qualified contributions meet all of the requirements and restrictions of this Act prior to the disbursement of Fair Elections funds to the candidate. A participating candidate who receives a qualified contribution that is not from the person listed on the qualified contribution receipt shall be liable to pay the Fair Elections Fund the entire amount of the inaccurately identified contribution, in addition to any penalties.

E. The City shall make an initial payment of Fair Elections funds within seven business days of the Commission's certification of a participating candidate's eligibility, or as soon thereafter as is practicable.

F. The Commission shall establish a schedule for the submission of Fair Elections funds payment requests, permitting a candidate to submit a Fair Elections funds payment request at least once per month. However, the Commission shall schedule a minimum of three payment request submission dates within the thirty days prior to an election.

G. The City shall provide each participating candidate with a written determination specifying the basis for any non-payment of Fair Elections funds. The Commission shall provide participating candidates with a process by which they may immediately upon receipt of such determination petition the Commission for reconsideration of any such non-payment and such reconsideration shall occur within seven business days of the filing of such petition. In the event that the Commission denies such petition then it shall immediately notify the candidate of his or her right to seek judicial review of the Commission's denial pursuant to Section 2.12.235.

H. Unspent funds of any Participating Candidate who does not remain a candidate until the election for which they were distributed, or such funds that remain unspent by a Participating Candidate following the date of the election for which they were distributed shall be deposited into the Fair Elections Fund. A Participating Candidate shall deposit all unspent funds into the Fair Elections Fund, up to the total amount of funds that the Participating Candidate received as Fair Elections Fund distributions in that election cycle, within sixty (60) days after the date of the election.

Section 4. That Berkeley Municipal Code Section 2.12.530 is amended to read as follows:

2.12.530 Use of Fair Elections funds.

A. A participating candidate shall use Fair Elections funds and contributions only for direct campaign purposes.

Fair Campaign Practices Commission

PUBLIC HEARING

February 4, 2020

To: Honorable Mayor and Members of the City Council

From: Fair Campaign Practices Commission

Submitted by: Dean Metzger, Chairperson, Fair Campaign Practices Commission

Subject: Amendments to the Berkeley Election Reform Act to prohibit Officeholder Accounts; Amending BMC Chapter 2.12

RECOMMENDATION

Conduct a public hearing and upon conclusion, adopt first reading of an ordinance amending the Berkeley Election Reform Act, Berkeley Municipal Code Chapter 2.12, to prohibit Officeholder Accounts (See [Section 18531.62. Elected State Officeholder Bank Accounts, Regulations of the Fair Political Practices Commission](#)).

SUMMARY

Contributions to and expenditures from Officeholder Accounts provide an unfair advantage to incumbents. They also increase the reliance on private campaign contributions and risk increasing the perception of corruption. Amending the Berkeley Election Reform Act to prohibit Officeholder Accounts will help to level the playing field in municipal elections, which was also a goal of the Fair Elections Act of 2016.

FISCAL IMPACTS OF RECOMMENDATION

None.

CURRENT SITUATION AND ITS EFFECTS

The proposed amendments to the Berkeley Election Reform Act (BERA) were adopted by the Fair Campaign Practices Commission (FCPC) at its regular meeting of November 21, 2019.

**Action:** M/S/C (Smith/Saver) to adopt the proposed amendments to BERA related to Officeholder Accounts.

**Vote:** Ayes: Metzger, Ching, Saver, Blome, McLean, Tsang, Smith; Noes: none; Abstain: none; Absent: O'Donnell (excused).

Pursuant to Berkeley Municipal Code Section 2.12.051, BERA may be amended by the "double green light" process. This process requires that the FCPC adopt the amendments by a two-thirds vote, and the City Council hold a public hearing and adopt the amendments by a two-thirds vote.

Amendments to the Berkeley Election Reform Act  
to prohibit Officeholder Accounts

PUBLIC HEARING  
February 4, 2020

## BACKGROUND

The Fair Campaign Practices Commission has supported creating the circumstances in which the incumbent and challengers during an election play on as level a playing field as possible and reducing the influence of private campaign contributions. For instance, the Berkeley Fair Elections Act of 2016, which was passed by voters and recommended to Council by the Commission, included the following express purposes:

- Eliminate the danger of actual corruption of Berkeley officials caused by the private financing of campaigns.
- Help reduce the influence of private campaign contributions on Berkeley government.
- Reduce the impact of wealth as a determinant of whether a person becomes a candidate.

(Section 2.12.490(B)-(D).)

A recent inquiry to the Commission Secretary regarding the regulation of Officeholder Accounts resulted in a request from a Commissioner to have discussion of these accounts placed on the May 16, 2019 agenda for possible action. The following motion was made and passed at that meeting:

Motion to request staff work with Commissioner Smith to bring to a future meeting background information and a proposal to eliminate officeholder accounts (M/S/C: O'Donnell/Blome; Ayes: Blome, Ching, McLean, Metzger, O'Donnell, Saver, Smith, Tsui; Noes: None; Abstain: None; Absent: Harper (excused)).

## **Definition of an Officeholder Account**

Under state law, an “officeholder account” refers to the funds held in a single bank account at a financial institution in the State of California separate from any other bank account held by the officeholder and that are used for “paying expenses associated with holding public office.” Officeholder Account funds cannot be used to pay “campaign expenses.” This definition is drawn from state law applicable to statewide elected officials: Government Code section 85316 (Attachment 2), and the accompanying regulation by the Fair Political Practices Commission (FPPC) codified at Title 2, Division 6, of the California Code of Regulations, [Section 18531.62](#) (Attachment 3).

Contributions to or expenditures from an Officeholder Account are not subject to BERA’s reporting requirements. (The FPPC still requires the reporting of activity relating to Officeholder Accounts, which is available to view on Berkeley’s [Public Access Portal](#).) If, however, a complaint is filed that an Officeholder Account is used for

campaign contributions or to pay “campaign expenses,” BERA can be used to respond to the complaint. The legal arguments for these statements are contained in a memorandum signed by City Attorney Manuela Albuquerque to Aide to Mayor Shirley Dean, Barbara Gilbert, dated December 28, 1999 and a December 9, 1991 memorandum by Secretary and Staff Counsel to the FCPC, Sarah Reynoso, that is attached to the December 28, 1999 memo. (Attachment 4.) Because the BERA provisions relied on in these memoranda have not been amended, and because no other BERA provisions have been added to regulate officeholder accounts, the memoranda’s conclusions remain valid and are still controlling guidance.

### **Contributions to Officeholder Accounts**

Funds raised for Officeholder Accounts in Berkeley are not subject to any limitations, either from the FPPC or BERA. Neither is there a limit on the total amount the Officeholder Account fund may receive in contributions per year. Contributions to an elected official’s Officeholder Account may put that contributor in a more favorable light with the elected official than might otherwise be the case.

### **Expenditures from Officeholder Accounts**

Except for the restriction that Officeholder Account funds cannot be used for “campaign expenses,” BERA does not restrict how funds from Officeholder Accounts can be used.

There are a number of permissible expenditures from Officeholder Accounts that could put an elected official in a favorable light with voters that are not available to a challenger for that office. A donation to a nonprofit organization, although technically not a “campaign expense,” would be seen favorably by those receiving the funds as well as individuals favorably disposed to the nonprofit organization receiving the funds. An individual running against this incumbent would have to draw on their own resources to make contributions to nonprofit organizations.

As long as political campaigns are not included, newsletters mailed to constituents related to events, information, or an officeholder’s position on matters before the Council are a permissible Officeholder Account expenditure. This keeps the incumbent’s name in front of the voter in a way unavailable to a challenger unless they pay for a newsletter and its distribution from their own resources.

Expenditures from Officeholder Account funds for flowers and other expressions of condolences, congratulations, or appreciation, while technically not “campaign expenses,” also increase the probability that the recipient will be favorably predisposed toward the elected official as a candidate for reelection or election to another office. Again, a challenger would have to draw on their own resources to express condolences, congratulations, or appreciation to their potential supporters.

Amendments to the Berkeley Election Reform Act  
to prohibit Officeholder Accounts

PUBLIC HEARING  
February 4, 2020

Further, officeholder accounts can be used to pay for a broad range of office expenses, such as meals, travel, parking tickets, or contributions to other candidates or political parties.<sup>1</sup> Eliminating officeholder accounts would reduce reliance on and the influence of private contributions for these expenditures.

### Recommendation

To make elections more equitable between challengers and incumbent and for the reasons given above, the Fair Campaign Practices Commission recommends prohibiting Officeholder Accounts.

Berkeley will not be the first to prohibit Officeholder Accounts. The San Jose Municipal Code was amended to prohibit officeholder accounts in January 2008. ([Chapter 12.06 – ELECTIONS, San Jose, CA Code of Ordinances, p. 10](#))

#### Part 8 - OFFICEHOLDER ACCOUNTS

##### 12.06.810 - Officeholder account prohibited.

No city officeholder, or any person or committee on behalf of a city officeholder may establish an officeholder account or an account established under the Political Reform Act, California Government Code Section 8100 et seq. as amended, for the solicitation or expenditure of officeholder funds. Nothing in this section shall prohibit an officeholder from spending personal funds on official or related business activities.

The following additions to BERA are proposed:

#### **2.12.157 Officeholder Account**

“Officeholder Account” means any bank account maintained by an elected officer or by any person or committee on behalf of an elected officer, and whose funds are used for expenses associated with holding office and not for direct campaign purposes.

#### **2.12.441 Officeholder account prohibited**

- A. No elected officer, or any person or committee on behalf of an elected officer, may establish an officeholder account.
- B. No elected officer, or any person or committee on behalf of an elected officer, may use contributions, as defined in 2.12.100, for expenses associated with holding office.

---

<sup>1</sup> Under state law applicable to state elected officials, officeholders may use campaign contributions for “expenses that are associated with holding office.” (Govt. Code, § 89510.) To qualify, expenditures must be “reasonably related to a legislative or governmental purpose.” (*Id.*, § 89512.) “Expenditures which confer a substantial personal benefit shall be directly related to a political, legislative, or governmental purpose.” (*Ibid.*)

The notice shall contain the language in subparagraph (A) and be transmitted or mailed within 10 days of filing the statement of intention to be a candidate.

(1) An officeholder shall return to the contributor the portion of any contribution to his or her officeholder account that exceeds the limits of Section 85301, 85302 (after cumulation) or 85316 (either alone or after cumulation) by the earlier of 14 days of receipt or 14 days of the date the officeholder files a statement of intention to be a candidate for elective state office pursuant to Section 85200.

(2) A contributor to the officeholder account does not violate the contribution limits applying to the officeholder's election to a future elective state office as otherwise provided under Section 85316(b)(3) if, when he or she makes the contribution, the officeholder has not filed a statement of organization to establish a controlled committee for election to a future elective state office.

(g) Terminating Officeholder Accounts and Committees.

(1) The officeholder may not accept contributions after the officeholder's term of office ends or the date he or she leaves that office, whichever is earlier.

(4) Once the officeholder's term of office ends or he or she leaves that office, whichever is earlier, the officeholder may only use his or her officeholder funds for the following purposes:

- (A) Paying outstanding officeholder expenses.
- (B) Repaying contributions to contributors to the officeholder account.

(D) Paying for professional services reasonably required by the officeholder controlled committee to assist in the performance of its administrative functions.

(5) The officeholder shall terminate the officeholder controlled committee within 90 days of the date the officer's term of office ends or he or she leaves that office, whichever is earlier. City Attorney

By: CAMILLE COUREY, Deputy City Attorney

**SUBJECT:** APPLICATION OF BERKELEY ELECTION REFORM ACT TO OFFICEHOLDER ACCOUNTS

ISSUE:

Does the Berkeley Election Reform Act (BERA) govern officeholder accounts?

CONCLUSION:

No. The BERA does not govern true officeholder accounts per se. However, the mere fact that an account may be designated an officeholder account does not insulate it from scrutiny under the BERA or other applicable local law if the officeholder account is not used strictly for officeholder purposes or if some action taken with respect to the officeholder account implicates campaign contributions and expenditures or other applicable local laws.

ANALYSIS:

Sarah Reynoso, former secretary and staff counsel to the Fair Campaign Practices Commission (FCPC), issued an opinion to the FCPC dated December 2, 1991, a copy of which is attached, stating that the BERA's contribution limit does not apply to contributions made to an officeholder account. The opinion reasons that the BERA's contribution limit applies only to "contributions" as defined in the BERA, i.e., which are made directly or indirectly in support of or in opposition to the nomination or election of one or more candidates to elective office. (See Berkeley Municipal Code (BMC) § 2.12.100.) Contributions to a true officeholder account are not made for the purpose of nominating or electing a candidate to office, but rather for the use of an officeholder in carrying out the duties of his or her office. Therefore, the contribution limit of the BERA is inapplicable to officeholder accounts.<sup>1</sup> For similar reasons, the BERA does not

<sup>1</sup> However, the opinion also provided that contributions to officeholder accounts still had to be reported on campaign statements because the State Fair Political Practices Commission (FPPC) Regulations broadly defined contributions as any contribution for "political purposes." Since officeholder expenses are for political purposes, they must be reported to the State.

Barbara Gilbert

apply to true officeholder accounts.

The BERA requires the filing of statements to report the amounts received and expended in municipal elections. (See BMC §§ 2.12.015, 2.12.030 through 2.12.050) Specifically, a "campaign statement" required to be filed under the BERA is an itemized report which provides the information required by Sections 2.12.245 through 2.12.325 of the BERA. (BMC § 2.12.080.) Sections 2.12.245 through 2.12.325 govern the reporting of contributions and expenditures. "Contributions" and "expenditures" are defined by the BERA as any amounts received or expended, respectively, in aid of or in opposition to the nomination or election of one or more candidates to elective office. (See BMC §§ 2.12.100 and 2.12.130.) Contributions to or expenditures from a true officeholder account are not subject to the BERA's reporting requirements because they are made for the purpose of carrying out the duties of elective office, and not for the purpose of aiding or opposing the nomination or election of one or more candidates to elective office.<sup>2</sup> Therefore, the BERA does not apply to true officeholder accounts.

However, the fact that an account may be designated as an officeholder account will not shield it from scrutiny under the BERA if the officeholder account is, in fact, being used for the receipt of contributions or the making of expenditures in aid of the nomination or election of a candidate for local elective office. Nor will BERA requirements, such as the \$250 contribution limit or the prohibition against contributions from businesses to candidates, be held inapplicable if contributions made initially to an officeholder account are transferred subsequently to a campaign account. Where the actions taken with respect to an officeholder account implicate campaign contributions and expenditures in municipal elections, the officeholder account will be scrutinized under the BERA and other applicable local law.

Item Number: 23

Item Description: City Council Rules of Procedure and Order Revisions

Submitted by: Councilmember Hahn

This submission has the same effect as the previous submission by Councilmember Hahn, with Hahn's suggested edits now highlighted in yellow, and therefore more clearly discernable. Some additional technical changes were added on this version, to ensure new terms are reflected throughout the documents. All suggested changes from the Clerk's Supplemental 1 submission are shown in the attached document, with Councilmember Hahn's suggested additional changes shown in tracked changes and highlighted in yellow.

The proposed edit on Page 8 allows flexibility for Ad Hoc Subcommittees to consult the parties they deem appropriate to their assigned task, rather than be required to consult with all parties/entities listed.

All other edits in the document are proposed to allow for multiple Authors of an item to be listed as such, where the current proposal allows for only one Author to be listed on any item. Authors are defined as having actual authorship of an item, while Co-Sponsors are defined as strong supporters who are not Authors. Up to 4 Authors and Co-Sponsors are allowed per item, in any combination that includes at least one Author. The first Author listed is defined as the Primary Author and is the sole contact for the City Manager with respect to the item, clarifying current practice.

Commented [NML41]: Clarification

Commented [NML42]: Standard administrative item

~~Notwithstanding the exemption stated above, the Agenda Committee, at its discretion, may route a Full Council Track item submitted by a Councilmember to a policy committee if the item has 1) a significant lack of background or supporting information, or 2) significant grammatical or readability issues.~~

Commented [NML43]: Change made at September 16, 2019 Agenda & Rules Committee; integrated into next paragraph

~~The ~~Agenda Committee~~ Agenda & Rules Committee has discretion to determine if an item submitted by the Mayor or a Councilmember falls under a Full Council Track exception or if it will be processed as a Policy Committee Track item. If an item submitted by the Mayor or a Councilmember has 1) a significant lack of background or supporting information, or 2) significant grammatical or readability issues the Agenda & Rules committee may refer the item to a Policy Committee.~~

Commented [NML44]: SUPP 1 – this sentence is unnecessary given the current authority of the Agenda & Rules Committee to refer any item to a policy committee

Policy Committee Track

Items submitted by the Mayor or Councilmembers with moderate to significant administrative, operational, budgetary, resource, or programmatic impacts will go first to the ~~Agenda Committee~~ Agenda & Rules Committee on a draft City Council agenda ~~(on a #st).~~

Commented [NML45]: Clarification

The ~~Agenda Committee~~ Agenda & Rules Committee must refer an item to a Policy Committee at the first meeting that the item appears before the ~~Agenda~~

III. AGENDA

~~Committee~~ Agenda & Rules Committee. ~~The Agenda Committee~~ Agenda & Rules Committee may only assign the item to a single ~~Policy~~ Committee.

For a Policy Committee Track item, the ~~Agenda Committee~~ Agenda & Rules Committee, at its discretion, may either route item directly to 1) the agenda currently under consideration, 2) one of the next three full Council Agendas (based on completeness of the item, lack of potential controversy, minimal impacts, etc.), or 3) to a ~~Policy~~ Committee.

Time Critical Track

A Time Critical item is defined as a matter that is considered urgent by the sponsor and that has a deadline for action that is prior to the next meeting of the Council and for which a report prepared by the Mayor or ~~Council member~~ council member is received by the City Clerk after established deadlines and is not included on the ~~Agenda Committee~~ Agenda & Rules Committee's published agenda.

The ~~Agenda Committee~~ Agenda & Rules Committee retains final discretion to determine the time critical nature of an item.

- a) Time Critical items submitted on the Full Council Track deadlines, that would otherwise be assigned to the Policy Committee Track, may bypass ~~Policy~~ Committee review if determined to be time critical. If such an item is deemed not to be time critical, it ~~may~~ will be referred to a Policy Committee.

B2. Council Referrals to Committees

The full Council may refer any agenda item to a ~~Policy~~ Committee by majority vote.

3. Participation Rules for Policy Committees Pursuant to the Brown Act

- a. The quorum of a three-member ~~Policy~~ Committee is always two members. A majority vote of the committee (two 'yes' votes) is required to pass a motion.
- b. Two Policy Committee members may not discuss any item that has been referred to the Policy Committee outside of an open and noticed meeting.
- c. Notwithstanding paragraph (b) above, two members of a Policy Committee may ~~be~~ be listed as Authors or Co-Sponsors on an item provided that one of the ~~Authors or Co-Sponsors~~ Authors or Co-Sponsors will not serve as a committee member for consideration of the item, and shall not participate in the committee's discussion of, or action on the item. For purposes of the item, the appointed alternate, who also can not be an Author or Co-Sponsor, will serve as a committee member in place of the non-participating ~~co-author~~ Author or Co-Sponsor.

Commented [NML46]: New requirements due to re-evaluation of Brown Act applicability to policy committees

III. AGENDA

- d. All three members of a Policy Committee may not be ~~co-authors~~ Authors or Co-Sponsors of an item that will be heard by the committee.
- e. Only one ~~co-author~~ Author or Co-Sponsor who is not a member of the Policy Committee may attend the committee meeting to participate in discussion of the item.
- f. If two or more non-committee members are present for any item or meeting, then all non-committee members may act only as observers and may not participate in discussion. If an ~~Author~~ Author who is not a member of the committee is present to participate in the discussion of their item, no other non-committee member Councilmembers, nor the Mayor, may attend as observers.
- g. An item may be considered by only one Policy Committee before it goes to the full Council.

Commented [NML47]: SUPP 1 – added for clarification

Commented [NML48]: SUPP 1 – added for clarification

- g-h. Committees will review items for completeness in accordance with Section III.B.2 of the City Council Rules of Procedure and Order and alignment with Strategic Plan goals.

Commented [NML49]: Clarification of authority; reflects Charter

III. AGENDA

~~i. Reports leaving a Policy Committee must adequately include budget implications, administrative feasibility, basic legal concerns, and staff resource demands in order to allow for informed consideration by the full Council.~~

~~h.i. Per Brown Act regulations, any such revised or supplemental materials must be direct revisions or supplements to the item that was published in the agenda packet.~~

Commented [NML50]: Added for transparency and to avoid violations arising from submission of materials only tangentially related to the agenda items

Commented [NML51]: SUPP 1 – added for clarification

Formatted: Strikethrough

Items referred to a Policy Committee from the ~~Agenda Committee~~ Agenda & Rules Committee or from the City Council must be agendaized for a committee meeting within 60 days of the referral date.

Within 120 days of the referral date, the committee must vote to either (1) accept the Primary Author's request that the item remain in committee until a date certain (more than one extension may be requested by the Primary Author); or (2) send the item to the ~~Agenda Committee~~ Agenda & Rules Committee to be placed on a Council Agenda with a Committee recommendation consisting of one of the four options listed below.

1. Positive Recommendation (recommending Council pass the item as proposed),
2. Qualified Positive Recommendation (recommending Council pass the item with some changes),
3. Qualified Negative Recommendation (recommending Council reject the item unless certain changes are made) or
4. Negative Recommendation (recommending the item not be approved).

~~The Policy Committee's will include their recommendation will be included in a new separate~~ section of the report template for that purpose.

~~A Policy Committee may not refer an item under its consideration to a city board or commission.~~

Commented [NML52]: Clarification of authority. Commissions are advisory to the Full Council

~~The original Council author~~ Primary Author of an item referred to a Policy Committee is responsible for revisions and resubmission of the item back to the full Council. Items originating from the City Manager are revised and submitted by the appropriate city staff. Items from Commissions are revised and resubmitted by the members of the Policy Committee. Items and Recommendations originating from the Policy Committee are submitted to the ~~agenda process~~ City Clerk by the members of the committee.

Commented [NML53]: Clarification of responsibility for shepherding items through process

Commented [NML54]: SUPP 1 – added for clarification

~~A policy committee may refer an item to another policy committee for review. The total time for review by all policy committees is limited to the initial 120-day deadline.~~

Commented [NML55]: Inconsistent with Brown Act – review by two committees would result in an illegal serial meeting

If a Policy Committee does not take final action by the 120-day deadline, the item is returned to the ~~Agenda Committee~~ Agenda & Rules Committee and appears on the next available Council agenda. The ~~Agenda Committee~~ Agenda & Rules Committee may leave

III. AGENDA

the item on the agenda under consideration or place it on the next Council agenda. Items appearing on a City Council agenda due to lack of action by a Policy Committee may not be referred to a Policy Committee and must remain on the full Council agenda for consideration.

Commented [NML56]: Closes "endless loop" loophole

Policy Committees may add discussion topics that are within their purview to their agenda with the concurrence of a majority of the Committee. These items are not subject to the 120-day deadline for action. ~~Non-legislative or discussion items may be added to the Policy Committee agenda by members of the Committee with the concurrence of a quorum of the Committee.~~

Commented [NML57]: SUPP 1 – This paragraph was reworded for clarity

Once the item is voted out of a Policy Committee, the final item will be resubmitted to the agenda process by the Primary Author, and it will return to the Agenda-Committee/Agenda & Rules Committee on the next available agenda. The Agenda-Committee/Agenda & Rules Committee may leave the item on the agenda under consideration or place it on the following Council agenda. Only items that receive a Positive Recommendation can be placed on the Consent Calendar.

Commented [NML58]: Clarification

The Lead-Primary author/Author may request expedited committee review for items referred to a committee. Criteria for expedited review is generally to meet a deadline for action (e.g. grant deadline, specific event date, etc.). If the committee agrees to the request, the deadline for final committee action is 45 days from the date the committee approves expedited review. ~~item first appeared on the committee agenda.~~

As part of the committee process, staff will undertake a high-level, preliminary analysis of potential legal issues, costs, timelines, and staffing demands associated with the item. IV. CONDUCT OF MEETING

A. Comments from the Public

Public comment will be taken in the following order:

- An initial ten-minute period of public comment on non-agenda items, after the commencement of the meeting and immediately after Ceremonial Matters and City Manager Comments.
- Public comment on the Consent and Information Calendars.
- Public comment on action items, appeals and/or public hearings as they are taken up under procedures set forth in the sections governing each below.
- Public comment on non-agenda items from any speakers who did not speak during the first round of non-agenda public comment at the beginning of the meeting.

Speakers are permitted to yield their time to one other speaker, however no one speaker shall have more than four minutes. A speaker wishing to yield their time shall [stand identify themselves](#), shall be recognized by the chair, and announce publicly their intention to yield their time. Disabled persons shall have priority seating in the front row of the public seating area.

A member of the public may only speak once at public comment on any single item, unless called upon by the Mayor or a Councilmember to answer a specific inquiry.

7.1. **Public Comment on Consent Calendar and Information Items.**

The Council will first determine whether to move items on the agenda for “Action” or “Information” to the “Consent Calendar,” or move “Consent Calendar” items to “Action.” Items that remain on the “Consent Calendar” are voted on in one motion as a group. “Information” items are not discussed or acted upon at the Council meeting unless they are moved to “Action” or “Consent.”

The Council will then take public comment on any items that are either on the amended Consent Calendar or the Information Calendar. A speaker may only speak once during the period for public comment on Consent Calendar and Information items. No additional items can be moved onto the Consent Calendar once public comment has commenced.

At any time during, or immediately after, public comment on Information and Consent items, [the Mayor or](#) any Councilmember may move any Information or Consent item to “Action.” Following this, the Council will vote on the items remaining on the Consent Calendar in one motion.

For items moved to the Action Calendar from the Consent Calendar or Information Calendar, persons who spoke on the item during the Consent Calendar public comment period may speak again at the time the matter is taken up during the Action Calendar.

IV. CONDUCT OF MEETING

2. Public Comment on Action Items.

After the initial ten minutes of public comment on non-agenda items and public comment and action on consent items, the public may comment on each remaining item listed on the agenda for action as the item is taken up.

The Presiding Officer will request that persons wishing to speak, line up at the podium to be recognized and to determine the number of persons interested in speaking at that time.

If ten or fewer persons are interested in speaking, each speaker may speak for two minutes. If there are more than ten persons interested in speaking, the Presiding Officer may limit the public comment for all speakers to one minute per speaker. Speakers are permitted to yield their time to one other speaker, however no one speaker shall have more than four minutes.

[This procedure also applies to public hearings except those types of public hearings specifically provided for in this section, below.](#)

Commented [NML61]: SUPP 1 – added for clarification

3. Appeals Appearing on Action Calendar.

With the exception of appeals from decisions of the Zoning Adjustments Board and Landmarks Preservation Commission, appeals from decisions of City commissions appear on the “Action” section of the Council Agenda. Council determines whether to affirm the action of the commission, set a public hearing, or remand the matter to the commission. Appeals of proposed special assessment liens shall also appear on the “Action” section of the Council Agenda. Appeals from decisions of the Zoning Adjustments Board and Landmarks Preservation Commission are automatically set for public hearing and appear on the “Public Hearings” section of the Council Agenda.

Time shall be provided for public comment for persons representing both sides of the action/appeal and each side will be allocated seven minutes to present their comments on the appeal. Where the appellant is not the applicant, the appellants [of a single appeal](#) collectively shall have seven minutes to comment and the applicant shall have seven minutes to comment. [If there are multiple appeals filed, each appellant or group of appellants shall have seven minutes to comment.](#) Where the appellant is the applicant, the applicant/appellant shall have seven minutes to comment and the persons supporting the action of the board or commission on appeal shall have seven minutes to comment. In the case of an appeal of proposed special assessment lien, the appellant shall have seven minutes to comment.

Commented [NML62]: Reflects existing due process standards

After the conclusion of the seven-minute comment periods, members of the public may comment on the appeal. Comments from members of the public regarding appeals shall be limited to one minute per speaker. Any person that addressed the Council during one of the seven-minute periods may not speak again during the public comment period on the appeal. Speakers may yield their time to one other speaker, however, no speaker shall have more than two minutes. Each side shall be informed of this public comment procedure at the time the Clerk notifies the parties of the date the appeal will appear on the Council agenda.

IV. CONDUCT OF MEETING

4. Public Comment on Non Agenda Matters.

Immediately following Ceremonial Matters and the City Manager Comments and prior to the Consent Calendar, persons will be selected by lottery to address matters not on the Council agenda. If five or fewer persons submit speaker cards for the lottery, each person selected will be allotted two minutes each. If more than five persons submit speaker cards for the lottery, up to ten persons will be selected to address matters not on the Council agenda and each person selected will be allotted one minute each. Persons wishing to address the Council on matters not on the Council agenda during the initial ten-minute period for such comment, must submit a speaker card to the City Clerk in person at the meeting location and prior to commencement of that meeting.

The remainder of the speakers wishing to address the Council on non-agenda items will be heard at the end of the agenda. Speaker cards are not required for this second round of public comment on non-agenda matters.

Persons submitting speaker cards are not required to list their actual name, however they must list some identifying information or alternate name in order to be called to speak.

For the second round of public comment on non-agenda matters, the Presiding Officer retains the authority to limit the number of speakers by subject. The Presiding Officer will generally request that persons wishing to speak, line up at the podium to be recognized to determine the number of persons interested in speaking at that time. Each speaker will be entitled to speak for two minutes each unless the Presiding Officer determines that one-minute is appropriate given the number of speakers.

~~According to the current Rules and Procedures~~Pursuant to this document, no Council meeting shall continue past 11:00 p.m. unless a two-thirds majority of the Council votes to extend the meeting to discuss specified items. If any agenda item remains unfinished at 11:00 p.m. or the expiration of any extension after 11:00 p.m., it will be referred to the ~~Agenda Committee~~[Agenda & Rules Committee](#) for scheduling pursuant to Chapter II, Section F. In that event, the meeting shall be automatically extended for up to fifteen (15) minutes for public comment on non-agenda items.

5. Ralph M. Brown Act Pertaining to Public Comments.

The "Brown Act" prohibits the Council from discussing or taking action on an issue raised during Public Comment, unless it is specifically listed on the agenda. However, the Council may refer a matter to the City Manager.

B. Consent Calendar

There shall be a Consent Calendar on all regular meeting agendas on which shall be included those matters which the Mayor, ~~C~~[Councilmembers](#), boards, commissions, City Auditor and City Manager deem to be of such nature that no debate or inquiry will be necessary at the Council meetings. Ordinances for second reading may be included in the Consent Calendar.

IV. CONDUCT OF MEETING

It is the policy of the Council that [the Mayor or Councilmembers](#) wishing to ask questions concerning Consent Calendar items should ask questions of the contact person identified prior to the Council meeting so that the need for discussion of consent calendar items can be minimized.

Consent Calendar items may be moved to the Action Calendar by the Council. Action items may be reordered at the discretion of the Chair with the consent of Council.

C. Information Reports Called Up for Discussion

Reports for Information designated for discussion at the request of [the Mayor or any Councilmember](#) shall be added to the appropriate section of [the Reports for Action Calendar](#) and may be acted upon at that meeting or carried over as pending business until discussed or withdrawn. The agenda will indicate that at the request of [Mayor or any Councilmember](#) a Report for Information may be acted upon by the Council.

D. Written Communications

[Letters](#) [Written communications](#) from the public will not appear on the Council agenda as individual matters for discussion but will be distributed as part of the Council agenda packet with a cover sheet identifying the author and subject matter and will be listed under "Communications." _

All such communications must have been received by the City Clerk no later than 5:00 p.m. fifteen days prior to the meeting in order to be included on the agenda.

In instances where an individual forwards more than three pages of email messages not related to actionable items on the Council agenda to the Council to be reproduced in the "Communications" section of the Council packet, the City Clerk will not reproduce the entire email(s) but instead refer the public to the City's website or a hard copy of the email(s) on file in the City Clerk Department.

All communications shall be simply deemed received without any formal action by the Council. [The Mayor or Any Councilmember](#) may refer a communication to [staff](#) [the City Manager](#) for action, if appropriate, or prepare a consent or action item for placement on a future agenda.

[Communications related to an item on the agenda that are received after 5:00 p.m. fifteen days before the meeting are published as provided for in Chapter III.C.4.](#)

E. Public Hearings for Land Use, Zoning, Landmarks, and Public Nuisance Matters

Following any staff presentation, each member of the City Council shall verbally disclose all ex parte contacts concerning the subject of the hearing. Members shall also submit a report of such contacts in writing prior to the commencement of the hearing. Such reports shall include a brief statement describing the name, date, place, and content of the contact. Written reports shall be available for public review

in the office of the City Clerk prior to the meeting and placed in a file available for public viewing at the meeting.

This is followed by five-minute presentations each by the appellant and applicant. Where the appellant is not the applicant, the appellants of a single appeal collectively shall have five minutes to comment and the applicant shall have five minutes to comment. If there are multiple appeals filed, each appellant or group of appellants shall have five minutes to comment. Where the appellant is the applicant, the applicant/appellant shall have five minutes to comment and the persons supporting the action of the board or commission on appeal shall have five minutes to comment. In the case of a public nuisance determination, the representative(s) of the subject property shall have five minutes to present.

Commented [NML65]: Same as above

The Presiding Officer will request that persons wishing to speak, line up at the podium to be recognized and to determine the number of persons interested in speaking at that time.

If ten or fewer persons are interested in speaking, each speaker may speak for two minutes. If there are more than ten persons interested in speaking, the Presiding Officer may limit the public comment for all speakers to one minute per speaker. Any person that addressed the Council during one of the five-minute periods may not speak again during the public comment period on the appeal. Speakers are permitted to yield their time to one other speaker, however no one speaker shall have more than four minutes. The Presiding Officer may with the consent of persons representing both sides of an issue allocate a block of time to each side to present their issue.

Commented [NML66]: Current practice. Matches existing language for appeals above.

F. Work Sessions

The City Council may schedule a matter for general Council discussion and direction to staff. Official/formal action on a work session item will be scheduled on a subsequent agenda under the Action portion of the Council agenda.

In general, public comment at Council work sessions will be heard after the staff presentation, for a limited amount of time to be determined by the Presiding Officer.

The Presiding Officer will request that persons wishing to speak, line up at the podium to be recognized and to determine the number of persons interested in speaking at that time. If ten or fewer persons are interested in speaking, each speaker may speak for two minutes. If there are more than ten persons interested in speaking, the Presiding Officer may limit the public comment for all speakers to one minute per speaker. Speakers are permitted to yield their time to one other speaker, however no one speaker shall have more than four minutes.

After Council discussion, if time permits, the Presiding Officer may allow additional public comment. During this time, each speaker will receive one minute. Persons who spoke during the prior public comment time may be permitted to speak again.

G. Public Discussions

Commented [NML67]: Unnecessary. A "public discussion" must still occur at a noticed meeting which is regulated by the Brown Act, OGO, and this document.

IV. CONDUCT OF MEETING

~~The City Council may, from time to time, schedule a matter for public discussion and may limit the amount of time to be devoted to said discussions. At the time the public discussion is scheduled, the City Council may seek comment from others if they so determine.~~

Any written communications addressed to the Council shall be delivered to the City Clerk for distribution to the Council. ~~message to or contact with any member of the Council while the Council is in session shall be through the City Clerk.~~

Commented [NML68]: Clarification that Clerk forwards written communications only, not verbal messages

C. Enforcement of Decorum

When the public demonstrates a lack of order and decorum, the presiding officer shall call for order and inform the person(s) that the conduct is violating the Rules of Order and Procedure and provide a warning to the person(s) to cease the disruptive behavior. Should the person(s) fail to cease and desist the disruptive conduct, the presiding officer may call a five (5) minute recess to allow the disruptions to cease.

Commented [NML69]: SUPP 1 - clarification

- 4.1. To adjourn,
- 5.2. To fix the hour of adjournment,
- 6.3. To lay on the table,
- 7.4. For the previous question,
- 8.5. To postpone to a certain day,
- 9.6. To refer,
- 10.7. To amend,
- 11.8. To substitute, and

V. PROCEDURAL MATTERS

~~4.2.9.~~ To postpone indefinitely.

These motions shall have precedence in order indicated. Any such motion, except a motion to ~~adjourn~~, amend, or substitute, shall be put to a vote without debate.

Nothing herein shall be construed to prevent any member of the Council from making or remaking the same or other motion at a subsequent meeting of the Council.

Commented [NML71]: Must happen at the same meeting, not just the same day.

Commented [NML72]: Inconsistent with Roberts Rules. Requiring a seconder to be on the prevailing side could infringe on a single member's right to reconsider their vote.

V. PROCEDURAL MATTERS

6. Repeal or Amendment of Action Requiring a Vote of Two-Thirds of Council, or Greater.

APPENDIX A. POLICY FOR NAMING AND RENAMING PUBLIC FACILITIES

Purpose

To establish a uniform policy regarding the naming and renaming of existing and future parks, streets, pathways and other public facilities.

Objective

B.A. To ensure that naming public facilities (such as parks, streets, recreation facilities, pathways, open spaces, public building, bridges or other structures) will enhance the values and heritage of the City of Berkeley and will be compatible with community interest.

Section 1 – Lead Commission

The City Council designates the following commissions as the 'Lead Commissions' in overseeing, evaluating, and ultimately advising the Council in any naming or renaming of a public facility. The lead commission shall receive and coordinate comment and input from other Commissions and the public as appropriate.

Board of Library Trustees

Parks and Recreation Commission –Parks, recreation centers, camps, plazas and public open spaces

Public Works Commission –Public buildings (other than recreation centers), streets and bridges or other structures in the public thoroughfare.

Waterfront Commission –Public facilities within the area of the City known as the Waterfront, as described in BMC 3.36.060.B.

Section 2 – General Policy

- A. Newly acquired or developed public facilities shall be named immediately after acquisition or development to ensure appropriate public identity.
- B. No public facility may be named for a living person, but this policy can be overridden with a 2/3 vote of the City Council.
- C. Public facilities that are renamed must follow the same criteria for naming new facilities. In addition, the historical significance and geographical reference of the established name should be considered when weighing and evaluating any name change.
- D. The City encourages the recognition of individuals for their service to the community in ways that include the naming of activities such as athletic events, cultural presentations, or annual festivals, which do not involve the naming or renaming of public facilities.
- E. Unless restricted by covenant, facilities named after an individual should not necessarily be considered a perpetual name.

Section 3 – Criteria for Naming of Public Facilities

When considering the naming of a new public facility or an unnamed portion or feature within an already named public facility (such as a room within the facility or a feature within an established park), or, the renaming of an existing public facility the following criteria shall be applied:

APPENDIX A. POLICY FOR NAMING AND RENAMING PUBLIC FACILITIES

- A. Public Facilities are generally easier to identify by reference to adjacent street names, distinct geographic or environmental features, or primary use activity. Therefore, the preferred practice is to give City-owned property a name of historical or geographical significance and to retain these names.
- B. No public facility may be named for a living person, but this policy can be overridden with a 2/3 vote of the City Council.
- C. The naming of a public facility or any parts thereof in recognition of an individual posthumously may only be considered if the individual had a positive effect on the community and has been deceased for more than 1 year.
- D. When a public facility provides a specific programmatic activity, it is preferred that the activity (e.g. skateboard park, baseball diamond) be included in the name of the park or facility.
- E. When public parks are located adjacent to elementary schools, a name that is the same as the adjacent school shall be considered.
- F. When considering the renaming of an existing public facility, in addition to applying criteria A-E above, proper weight should be given to the fact that: a name lends a site or property authenticity and heritage; existing names are presumed to have historic significance; and historic names give a community a sense of place and identity, continuing through time, and increases the sense of neighborhood and belonging.

Section 4 –Naming Standards Involving a Major Contribution

When a person, group or organization requests the naming or renaming of a public facility, all of the following conditions shall be met:

- A. An honoree will have made a major contribution towards the acquisition and/or development costs of a public facility or a major contribution to the City.
- B. The honoree has a record of outstanding service to their community
- C. Conditions of any donation that specifies that name of a public facility, as part of an agreement or deed, must be approved by the City Council, after review by and upon recommendation of the City Manager.

Section 5 –Procedures for Naming or Renaming of Public Facilities

- A. Any person or organization may make a written application to the City Manager requesting that a public facility or portion thereof, be named or renamed.
 - 1. Recommendations may also come directly of the City Boards or Commissions, the City Council, or City Staff.
- B. The City Manager shall refer the application to the appropriate lead commission as defined in Section 1 of the City's policy on naming of public facilities, for that commission's review, facilitation, and recommendation of disposition.
 - 1. The application shall contain the name or names of the persons or organization making the application and the reason for the requested naming or renaming.
- C. The lead commission shall review and consider the application, using the policies and criteria articulated to the City Policy on Naming and Renaming to make a recommendation to Council.
 - 1. All recommendations or suggestion will be given the same consideration without regard to the source of the nomination
- D. The lead commission shall hold a public hearing and notify the general public of any discussions regarding naming or renaming of a public facility.

APPENDIX A. POLICY FOR NAMING AND RENAMING PUBLIC FACILITIES

1. Commission action will be taking at the meeting following any public hearing on the naming or renaming.
- E. The commission's recommendation shall be forwarded to Council for final consideration.

The City of Berkeley Policy for Naming and Renaming Public Facilities was adopted by the Berkeley City Council at the regular meeting of January 31, 2012.

APPENDIX B. GUIDELINES FOR DEVELOPING AND WRITING COUNCIL AGENDA ITEMS

These guidelines are derived from the requirements for Agenda items listed in the Berkeley City Council Rules of Procedure and Order, Chapter III, Sections B(1) and (2), reproduced below. In addition, Chapter III Section C(1)(a) of the Rules of Procedure and Order allows the [Agenda Committee](#) [Agenda & Rules Committee](#) to request that the [Primary Author](#) of an item provide “additional analysis” if the item as submitted evidences a “significant lack of background or supporting information” or “significant grammatical or readability issues.”

These guidelines provide a more detailed and comprehensive overview of elements of a complete Council item. While not all elements would be applicable to every type of Agenda item, they are intended to prompt [A](#) authors to consider presenting items with as much relevant information and analysis as possible.

Chapter III, Sections (B)(1) and (2) of Council Rules of Procedure and Order:

~~3-2.~~ Agenda items shall contain all relevant documentation, including the following as Applicable:

- a. A descriptive title that adequately informs the public of the subject matter and general nature of the item or report and action requested;
- b. Whether the matter is to be presented on the Consent Calendar or the Action Calendar or as a Report for Information;
- c. Recommendation of the City Manager, if applicable (these provisions shall not apply to Mayor and Council items.);
- d. Fiscal impacts of the recommendation;
- e. A description of the current situation and its effects;
- f. Background information as needed;
- g. Rationale for recommendation;
- h. Alternative actions considered;
- i. For awards of contracts; the abstract of bids and the Affirmative Action Program of the low bidder in those cases where such is required (these provisions shall not apply to Mayor and Council items.);
- j. Person or persons to contact for further information, with telephone number. If the [Author-Primary Author](#) of any report believes additional background information, beyond the basic report, is necessary to Council understanding of the subject, a separate compilation of such background information may be developed and copies will be available for Council and for public review in the City Clerk Department, and the City Clerk shall provide limited distribution of such background information depending upon quantity of pages to be duplicated. In such case the agenda item distributed with the packet shall so indicate.

5. Background

A full discussion of the history, circumstances and concerns to be addressed by the item.

Meeting Date: November 19, 2019

Item Number: A

Item Description: City Council Rules of Procedure and Order Revisions

Submitted by: Councilmember Hahn

This Supplemental is built on the Clerk’s previous Supp 1 submission. All but one change proposed (on Page 8) reflect allowing more than one Author for each item. Authors are defined as having actual authorship of an item, while Co-Sponsors are strong supporters. Up to 4 Authors and Co-Sponsors are allowed per item. The Mayor shall preside at the meetings of the Council and shall preserve strict order and decorum at all regular and special meetings of the Council. The Mayor shall state every question coming before the Council, announce the decision of the Council on all subjects, and decide all questions of order, subject, however, to an appeal to the Council, in which event a majority vote of the Council shall govern and conclusively determine such question of order. In the Mayor's absence, the Vice President of the Council (hereafter referred to as the Vice-Mayor) shall preside.

The Presiding Officer may set a limit on the speaking time allotted to Councilmembers during Council discussion.

Commented [NML2]: Edit from July 15, 2019 Agenda & Rules Committee meeting

Commented [NML3]: SUPP 1 – changed to "a limit" to be more clear that the time is the same for all Councilmembers

The presiding officer has the affirmative duty to maintain order. The City Council will honor the role of the presiding officer in maintaining order. If a Councilmember believes the presiding officer is not maintaining order, the Councilmember may move that the Vice-Mayor, or another Councilmember if the Vice-Mayor is acting as the presiding officer at the time, enforce the rules of decorum and otherwise maintain order. If that motion receives a second and is approved by a majority of the Council, the Vice-Mayor, or other designated Councilmember, shall enforce the rules of decorum and maintain order.

E. Voting Disqualification

No member of the Council who is disqualified shall vote upon the matter on which the member is disqualified. Any member shall openly state or have the presiding officer announce the fact and nature of such disqualification in open meeting, and shall not be subject to further inquiry. Where no clearly disqualifying conflict of interest appears, the matter of disqualification may, at the request of the member affected, be

decided by the other members of the Council, by motion, and such decision shall determine such member's right and obligation to vote. A member who is disqualified by conflict of interest in any matter shall not remain in the Chamber during the debate and vote on such matter, but shall request and be given the presiding officer's permission to ~~absent~~ ~~recuse~~ themselves. Any member having a "remote interest" in any matter as provided in Government Code shall divulge the same before voting.

Commented [NML4]: Correct terminology

F. Requests for Technical Assistance and/or Reports

A majority vote of the Council shall be required to direct staff to provide technical assistance, develop a report, initiate staff research, or respond to requests for information or service generated by an individual council member.

II. MEETINGS

II. MEETINGS

A. Call to Order - Presiding Officer

The Mayor, or in the Mayor's absence, the Vice Mayor, shall take the chair precisely at the hour appointed by the meeting and shall immediately call the Council to order. Upon the arrival of the Mayor, the Vice Mayor shall immediately relinquish the chair, ~~at the conclusion of the business presently before the Council.~~ In the absence of the two officers specified in this section, the ~~Councilmember~~~~council member~~ present with the longest period of Council service shall preside.

Mayor resume chair upon resuming place on dais
Commented [NML7]: Amended to standardize use throughout the document

B. Roll Call

Before the Council shall proceed with the business of the Council, the City Clerk shall call the roll of the members and the names of those present shall be entered in the minutes. The later arrival of any absentee shall also be entered in the minutes.

C. Quorum Call

During the course of the meeting, should the Chair note a Council quorum is lacking, the Chair shall call this fact to the attention of the City Clerk. The City Clerk shall issue a quorum call. D. Council Meeting ~~Schedule~~Conduct of Business

~~The City Council shall hold a minimum of twenty-four (24) meetings, or the amount needed to conduct City business in a timely manner, whichever is greater, each calendar year.~~

Commented [NML8]: Moved to more appropriate location below

~~Regular meetings of the City Council shall be held generally two to three Tuesdays of each month; the schedule to be established annually by Council resolution taking into consideration holidays and election dates.~~

~~Regular City Council meetings shall begin no later than 6:00 p.m.~~

The agenda for the regular business meetings shall include the following: Ceremonial ~~Items (including comments from the City Auditor if requested);~~ Comments from the City Manager; Comments from the Public; Consent Calendar; Action Calendar (Appeals, Public Hearings, Continued Business, Old Business, New Business); Information Reports; and Communication from the Public. Presentations and workshops may be included as part of the Action Calendar. ~~Items removed from the Consent Calendar will be moved to the Action Calendar.~~ The Chair will determine the order in which the item(s) will be heard with the consent of Council.

Commented [NML9]: Edit from July 15, 2019 Agenda & Rules Committee meeting

Commented [NML10]: Items removed from Consent may have many other actions taken and listing this single action is misleading.

Upon request by ~~the Mayor or~~ any ~~Councilmember~~~~council member~~, any item may be moved from the Consent Calendar or Information Calendar to the Action Calendar. Unless there is an objection by ~~the Mayor or~~ any ~~Councilmember~~~~council member~~, ~~at the~~ ~~Council~~~~council member~~ may also move an item from the Action Calendar to the Consent Calendar.

Commented [NML11]: Amended for clarity throughout document

Commented [NML12]: Edit from July 15, 2019 Agenda & Rules Committee meeting – changed "a Councilmember" to "the Council"

A public hearing that is not expected to be lengthy may be placed on the agenda for a regular business meeting. When a public hearing is expected to be contentious

II. MEETINGS

and lengthy and/or the Council's regular meeting schedule is heavily booked, the ~~Agenda Committee~~ Agenda & Rules Committee, in conjunction with the staff, will schedule a special meeting exclusively for the public hearing. No other matters shall be placed on the agenda for the special meeting. All public comment will be considered as part of the public hearing and no separate time will be set aside for public comment not related to the public hearing at this meeting.

Commented [NML13]: Amended to standardize use throughout the document

Except at meetings at which the budget is to be adopted, no public hearing may commence later than 10:00 p.m. unless there is a legal necessity to hold the hearing or make a decision at that meeting or the City Council determines by a two-thirds vote that there is a fiscal necessity to hold the hearing.

E. Adjournment

1. No Council meeting shall continue past 11:00 p.m. unless a two-thirds majority of the Council votes to extend the meeting to discuss specified items; and any motion to extend the meeting beyond 11:00 p.m. shall include a list of specific agenda items to be covered and shall specify in which order these items shall be handled.
2. Any items not completed at a regularly scheduled Council meeting may be continued to an Adjourned Regular Meeting by a two-thirds majority vote of the Council.

F. Unfinished Business

Any items not completed by formal action of the Council, and any items not postponed to a date certain, shall be considered Unfinished Business. All Unfinished Business shall be referred to the Agenda Committee Agenda & Rules Committee for scheduling for a Council meeting that occurs within 60 days from the date the item last appeared on a Council agenda. The 60 day period is tolled during a Council recess.

G. City Council Schedule and Recess Periods

Pursuant to the Open Government Ordinance, the City Council shall hold a minimum of twenty-four (24) meetings, or the amount needed to conduct City business in a timely manner, whichever is greater, each calendar year.

Regular meetings of the City Council shall be held generally two to three Tuesdays of each month ~~except during recess periods~~; the schedule to be established annually by Council resolution taking into consideration holidays and election dates.

Commented [NML14]: SUPP 1 – Added for clarity

Regular City Council meetings shall begin no later than 6:00 p.m.

Commented [NML15]: Proposed addition regarding starting early for ceremonial items was removed at the July 15, 2019 Agenda & Rules Committee meeting

A recess period is defined as a period of time longer than 21 days without a regular ~~or special~~ meeting of the Council.

Commented [NML16]: Special meetings are as needed and are not factored in to the annual schedule that is adopted, which includes the recess periods.

When a recess period occurs, the City Manager is authorized to take such ministerial actions for matters of operational urgency as would normally be taken by the City Council during the period of recess except for those duties specifically reserved to the Council by the Charter, and including such emergency actions as are necessary for the immediate preservation of the public peace, health or safety; the authority to

II. MEETINGS

extend throughout the period of time established by the City Council for the period of recess.

The City Manager shall have the aforementioned authority beginning the day after the ~~Agenda Committee~~ Agenda & Rules Committee meeting for the last regular meeting before a Council recess and this authority shall extend ~~through up to the deadline for submission of staff reports for date of the first Agenda & Rules Committee meeting for the first regular meeting~~ after the Council recess.

Commented [NML17]: The existing definition left a significant gap that did not allow City Manager action on administratively urgent items

Commented [NML18]: Edit from July 15, 2019 Agenda & Rules Committee meeting

The City Manager shall make a full and complete report to the City Council at its first regularly scheduled meeting following the period of recess of actions taken by the City Manager pursuant to this section, at which time the City Council may make such findings as may be required and confirm said actions of the City Manager.

H. Pledge of Allegiance to the Flag

At the first meeting of each year following the August recess and at any subsequent meeting if specifically requested before the meeting by any member of the Council in order to commemorate an occasion of national significance, the first item on the ~~program~~ Ceremonial Calendar will be the Pledge of Allegiance.

I. Ad Hoc Subcommittees

From time to time the Council or the Mayor may appoint several of its members but fewer than the existing quorum of the present body to serve as an ad hoc subcommittee. Only Council ~~members~~ may ~~become~~ be members of the ad hoc subcommittee; however, the subcommittee shall seek input and advice from ~~the~~ residents, related commissions, and other groups as appropriate to the charge or responsibilities of such Subcommittee. Ad Hoc Subcommittees must be reviewed annually by the Council to determine if the subcommittee is to continue.

Commented [HS19]: Depending on the charge or responsibilities of an Ad Hoc Subcommittee, it may not be necessary or appropriate to consult with all the groups/bodies listed. Adding this language allows some flexibility; as written it requires every ad hoc subcommittee to engage in all of the consultation activities listed.

Upon creation of an ad hoc subcommittee, the Council shall allow it to operate with the following parameters:

1. A specific charge or outline of responsibilities shall be established by the Council.
2. A target date must be established for a report back to the Council.
3. Maximum life of the subcommittee shall be one year, with annual review and possible extension by the Council.

Subcommittees shall conduct their meetings in ~~public and in accessible~~ locations that are open to the public and meet accessibility requirements under the Americans with Disabilities Act. Meetings may be held at privately owned facilities provided that the location is open to all that wish to attend and that there is no requirement for purchase to attend. Agendas for subcommittee meetings must be posted in the same manner as the agendas for regular Council meetings except that subcommittee agendas may be posted with 24-hour notice. The public will be permitted to comment on agenda items but public comments may be limited to one minute if deemed necessary by the Committee Chair. Agendas and minutes of the meetings must be maintained and made available upon request.

Commented [NML20]: Edit from July 15, 2019 Agenda & Rules Committee meeting

II. MEETINGS

~~City staff may attend and participate in subcommittee meetings. Depending on the desires of the subcommittee members, City staff may participate the same as members of the public, or may be called upon to offer insights or provide information during discussion.~~

~~Ad hoc subcommittees will be staffed by City Council legislative staff. As part of the ad hoc subcommittee process, City staff will undertake a high-level, preliminary analysis of potential legal issues, costs, timelines, and staffing demands associated with the item(s) under consideration. Staff analysis at ad hoc subcommittees is limited to the points above as the recommendation, program, or project has not yet been approved to proceed by the full Council.~~

Subcommittees must be comprised of at least two members. If only two members are appointed, then both must be present in order for the subcommittee meeting to be held. In other words, the quorum for a two-member subcommittee is always two.

~~Certain requirements listed above may not apply to a~~ Ad hoc subcommittees ~~may seeking legal advice and assistance from the City Attorney or meeting with the City Manager or his/her designees for purposes of real estate or labor negotiations.~~ convene a closed session meeting pursuant to the conditions and regulations imposed by the Brown Act.

Commented [NML42]: Clarification

~~Notwithstanding the exemption stated above, the Agenda Committee, at its discretion, may route a Full Council Track item submitted by a Councilmember to a policy committee if the item has 1) a significant lack of background or supporting information, or 2) significant grammatical or readability issues.~~

Commented [NML44]: Change made at September 16, 2019 Agenda & Rules Committee; integrated into next paragraph

~~The Agenda Committee~~ Agenda & Rules Committee has discretion to determine if an item submitted by the Mayor or a Councilmember falls under a Full Council Track exception or if it will be processed as a Policy Committee Track item. If an item submitted by the Mayor or a Councilmember has 1) a significant lack of background or supporting information, or 2) significant grammatical or readability issues the Agenda & Rules committee may refer the item to a Policy Committee.

Commented [NML45]: SUPP 1 – this sentence is unnecessary given the current authority of the Agenda & Rules Committee to refer any item to a policy committee

Policy Committee Track

Items submitted by the Mayor or Councilmembers with moderate to significant administrative, operational, budgetary, resource, or programmatic impacts will go first to the ~~Agenda Committee~~ Agenda & Rules Committee on a draft City Council agenda (on a list).

Commented [NML46]: Clarification

III. AGENDA

~~Committee~~Agenda & Rules Committee. ~~The Agenda Committee~~Agenda & Rules Committee may only assign the item to a single ~~Policy~~Policy ~~Committee~~Committee.

For a Policy Committee Track item, the ~~Agenda Committee~~Agenda & Rules Committee, at its discretion, may either route item directly to 1) the agenda currently under consideration, 2) one of the next three full Council Agendas (based on completeness of the item, lack of potential controversy, minimal impacts, etc.), or 3) to a ~~Policy~~Policy ~~Committee~~Committee.

Time Critical Track

A Time Critical item is defined as a matter that is considered urgent by the sponsor and that has a deadline for action that is prior to the next meeting of the Council and for which a report prepared by the Mayor or ~~Councilmember~~council member is received by the City Clerk after established deadlines and is not included on the ~~Agenda Committee~~Agenda & Rules Committee's published agenda.

The ~~Agenda Committee~~Agenda & Rules Committee retains final discretion to determine the time critical nature of an item.

- a) Time Critical items submitted on the Full Council Track deadlines, that would otherwise be assigned to the Policy Committee Track, may bypass ~~Policy~~Policy ~~Committee~~Committee review if determined to be time critical. If such an item is deemed not to be time critical, it ~~may~~will be referred to a Policy Committee.
- b) Time Critical items on the Full Council Track or Policy Committee Track that are submitted at a meeting of the ~~Agenda Committee~~Agenda & Rules Committee may go directly on a council agenda if determined to be time critical.

- c. ~~Notwithstanding paragraph (b) above, two members of a Policy Committee may~~be listed as Authors or Co-Sponsors on an item provided that one of the ~~Authors or Co-Sponsors will not serve as a committee member for consideration of the item, and shall not participate in the committee's discussion of, or action on the item. For purposes of the item, the appointed alternate, who also can not be an Author or Co-Sponsor, will serve as a committee member in place of the non-participating~~Author or Co-Sponsor.

Commented [NML47]: New requirements due to re-evaluation of Brown Act applicability to policy committees

III. AGENDA

d. All three members of a Policy Committee may not be ~~co-authors~~ Authors or Co-Sponsors of an item that will be heard by the committee.

e. Only one ~~co-author~~ Author or Co-Sponsor who is not a member of the Policy Committee may attend the committee meeting to participate in discussion of the item.

f. If two or more non-committee members are present for any item or meeting, then all non-committee members may act only as observers and may not participate in discussion. If an author who is not a member of the committee is present to participate in the discussion of their item, no other non-committee member Councilmembers, nor the Mayor, may attend as observers.

Commented [NML48]: SUPP 1 – added for clarification

Commented [NML49]: SUPP 1 – added for clarification

g. An item may be considered by only one Policy Committee before it goes to the full Council.

- c. Committees shall adopt regular meeting schedules, generally meeting once or twice per month; special meetings may be called when necessary, in accordance with the Brown Act.
- d. Generally, meetings will be held at 2180 Milvia Street in publicly accessible meeting rooms that can accommodate the committee members, public attendees, and staff.
- e. Members are recommended by the Mayor and approved by the full Council no later than January 31 of each year. Members continue to serve until successors are appointed and approved.

f. Chairs are elected by the Committee at the first regular meeting of the Committee after the annual approval of Committee members by the City Council. In the absence of the Chair, the committee member with the longest tenure on the Council will preside.

~~f-g.~~ The Chair, or a quorum of the Committee may call a meeting or cancel a meeting of the Policy Committee.

Commented [NML50]: Clarification of authority; reflects Charter

g-h. Committees will review items for completeness in accordance with Section III.B.2 of the City Council Rules of Procedure and Order and alignment with Strategic Plan goals.

III. AGENDA

~~i. Reports leaving a Policy Committee must adequately include budget implications, administrative feasibility, basic legal concerns, and staff resource demands in order to allow for informed consideration by the full Council.~~

~~h.i. Per Brown Act regulations, any such revised or supplemental materials must be direct revisions or supplements to the item that was published in the agenda packet.~~

Commented [NML51]: Added for transparency and to avoid violations arising from submission of materials only tangentially related to the agendized items

Commented [NML52]: SUPP 1 – added for clarification

Formatted: Strikethrough

Items referred to a Policy Committee from the ~~Agenda Committee~~ Agenda & Rules Committee or from the City Council must be agendized for a committee meeting within 60 days of the referral date.

Within 120 days of the referral date, the committee must vote to either (1) accept the author's request that the item remain in committee until a date certain (more than one extension may be requested by the author); or (2) send the item to the ~~Agenda Committee~~ Agenda & Rules Committee to be placed on a Council Agenda with a Committee recommendation consisting of one of the four options listed below.

1. Positive Recommendation (recommending Council pass the item as proposed),
2. Qualified Positive Recommendation (recommending Council pass the item with some changes),
3. Qualified Negative Recommendation (recommending Council reject the item unless certain changes are made) or
4. Negative Recommendation (recommending the item not be approved).

~~The Policy Committee's will include their recommendation will be included in a new separate~~ section of the report template for that purpose.

~~A Policy Committee may not refer an item under its consideration to a city board or commission.~~

Commented [NML53]: Clarification of authority. Commissions are advisory to the Full Council

~~The original Council author~~ Primary Author of an item referred to a Policy Committee is responsible for revisions and resubmission of the item back to the full Council. ~~Items originating from the City Manager are revised and submitted by the appropriate city staff. Items from Commissions are revised and resubmitted by the members of the Policy Committee. Items and Recommendations originating from the Policy Committee are submitted to the agenda-process City Clerk by the members of the committee.~~

Commented [NML54]: Clarification of responsibility for shepherding items through process

Commented [NML55]: SUPP 1 – added for clarification

~~A policy committee may refer an item to another policy committee for review. The total time for review by all policy committees is limited to the initial 120-day deadline.~~

Commented [NML56]: Inconsistent with Brown Act – review by two committees would result in an illegal serial meeting

If a Policy Committee does not take final action by the 120-day deadline, the item is returned to the ~~Agenda Committee~~ Agenda & Rules Committee and appears on the next available Council agenda. ~~The Agenda Committee~~ Agenda & Rules Committee may leave

III. AGENDA

the item on the agenda under consideration or place it on the next Council agenda. Items appearing on a City Council agenda due to lack of action by a Policy Committee may not be referred to a Policy Committee and must remain on the full Council agenda for consideration.

Commented [NML57]: Closes "endless loop" loophole

Policy Committees may add discussion topics that are within their purview to their agenda with the concurrence of a majority of the Committee. These items are not subject to the 120-day deadline for action. Non-legislative or discussion items may be added to the Policy Committee agenda by members of the Committee with the concurrence of a quorum of the Committee.

Commented [NML58]: SUPP 1 – This paragraph was re-worded for clarity

Once the item is voted out of a Policy Committee, the final item will be resubmitted to the agenda process by the author, and it will return to the Agenda Committee Agenda & Rules Committee on the next available agenda. The Agenda Committee Agenda & Rules Committee may leave the item on the agenda under consideration or place it on the following Council agenda. Only items that receive a Positive Recommendation can be placed on the Consent Calendar.

Commented [NML59]: Clarification

The lead author may request expedited committee review for items referred to a committee. Criteria for expedited review is generally to meet a deadline for action (e.g. grant deadline, specific event date, etc.). If the committee agrees to the request, the deadline for final committee action is 45 days from the date the committee approves expedited review item first appeared on the committee agenda.

5D. Number and Make-up of Committees

Six committees are authorized, each comprised of three Councilmembers, with a fourth Councilmember appointed as an alternate. Each Councilmember and the Mayor will serve on two committees. The Mayor shall be a member of the Agenda and Rules Committee. The committees are as follows:

Commented [NML60]: This will allow two members of a policy committee to co-author an item. The Alternate will substitute for one of the co-authors while the item is heard by the policy committee.

SUPP 1 – comma added after Councilmembers

1. Agenda and Rules Committee
2. Budget and Finance Committee
3. Facilities, Infrastructure, Transportation, Environment, and Sustainability

As part of the committee process, staff will undertake a high-level, preliminary analysis of potential legal issues, costs, timelines, and staffing demands associated with the item. Staff analysis at the Policy Committee level is limited to the points above as the recommendation, program, or project has not yet been approved to proceed by the full Council.

IV. CONDUCT OF MEETING

- Public comment on action items, appeals and/or public hearings as they are taken up under procedures set forth in the sections governing each below.
- Public comment on non-agenda items from any speakers who did not speak during the first round of non-agenda public comment at the beginning of the meeting.

Speakers are permitted to yield their time to one other speaker, however no one speaker shall have more than four minutes. A speaker wishing to yield their time shall stand and identify themselves, shall be recognized by the chair, and announce publicly their intention to yield their time. Disabled persons shall have priority seating in the front row of the public seating area.

A member of the public may only speak once at public comment on any single item, unless called upon by the Mayor or a Councilmember to answer a specific inquiry.

7.1. Public Comment on Consent Calendar and Information Items.

The Council will first determine whether to move items on the agenda for "Action" or "Information" to the "Consent Calendar," or move "Consent Calendar" items to "Action." Items that remain on the "Consent Calendar" are voted on in one motion as a group. "Information" items are not discussed or acted upon at the Council meeting unless they are moved to "Action" or "Consent."

The Council will then take public comment on any items that are either on the amended Consent Calendar or the Information Calendar. A speaker may only speak once during the period for public comment on Consent Calendar and Information items. No additional items can be moved onto the Consent Calendar once public comment has commenced.

At any time during, or immediately after, public comment on Information and Consent items, the Mayor or any Councilmember may move any Information or Consent item to "Action." Following this, the Council will vote on the items remaining on the Consent Calendar in one motion.

For items moved to the Action Calendar from the Consent Calendar or Information Calendar, persons who spoke on the item during the Consent Calendar public comment period may speak again at the time the matter is taken up during the Action Calendar.

IV. CONDUCT OF MEETING

2. Public Comment on Action Items.

After the initial ten minutes of public comment on non-agenda items and public comment and action on consent items, the public may comment on each remaining item listed on the agenda for action as the item is taken up.

The Presiding Officer will request that persons wishing to speak, line up at the podium to be recognized and to determine the number of persons interested in speaking at that time.

If ten or fewer persons are interested in speaking, each speaker may speak for two minutes. If there are more than ten persons interested in speaking, the Presiding Officer may limit the public comment for all speakers to one minute per speaker. Speakers are permitted to yield their time to one other speaker, however no one speaker shall have more than four minutes.

[This procedure also applies to public hearings except those types of public hearings specifically provided for in this section, below.](#)

Commented [NML62]: SUPP 1 – added for clarification

3. Appeals Appearing on Action Calendar.

With the exception of appeals from decisions of the Zoning Adjustments Board and Landmarks Preservation Commission, appeals from decisions of City commissions appear on the “Action” section of the Council Agenda. Council determines whether to affirm the action of the commission, set a public hearing, or remand the matter to the commission. Appeals of proposed special assessment liens shall also appear on the “Action” section of the Council Agenda. Appeals from decisions of the Zoning Adjustments Board and Landmarks Preservation Commission are automatically set for public hearing and appear on the “Public Hearings” section of the Council Agenda.

Objective

B-A. To ensure that naming public facilities (such as parks, streets, recreation facilities, pathways, open spaces, public building, bridges or other structures) will enhance the values and heritage of the City of Berkeley and will be compatible with community interest.

Section 1 – Lead Commission

The City Council designates the following commissions as the ‘Lead Commissions’ in overseeing, evaluating, and ultimately advising the Council in any naming or renaming of a public facility. The lead commission shall receive and coordinate comment and input from other Commissions and the public as appropriate.

Section 2 – General Policy

- A. Newly acquired or developed public facilities shall be named immediately after acquisition or development to ensure appropriate public identity.
- B. No public facility may be named for a living person, but this policy can be overridden with a 2/3 vote of the City Council.
- C. Public facilities that are renamed must follow the same criteria for naming new facilities. In addition, the historical significance and geographical reference of the established name should be considered when weighing and evaluating any name change.
- D. The City encourages the recognition of individuals for their service to the community in ways that include the naming of activities such as athletic events, cultural presentations, or annual festivals, which do not involve the naming or renaming of public facilities.
- E. Unless restricted by covenant, facilities named after an individual should not necessarily be considered a perpetual name.

Section 3 – Criteria for Naming of Public Facilities

When considering the naming of a new public facility or an unnamed portion or feature within an already named public facility (such as a room within the facility or a feature within an established park), or, the renaming of an existing public facility the following criteria shall be applied:

APPENDIX A. POLICY FOR NAMING AND RENAMING PUBLIC FACILITIES

- A. Public Facilities are generally easier to identify by reference to adjacent street names, distinct geographic or environmental features, or primary use activity. Therefore, the preferred practice is to give City-owned property a name of historical or geographical significance and to retain these names.
- B. No public facility may be named for a living person, but this policy can be overridden with a 2/3 vote of the City Council.
- C. The naming of a public facility or any parts thereof in recognition of an individual posthumously may only be considered if the individual had a positive effect on the community and has been deceased for more than 1 year.
- D. When a public facility provides a specific programmatic activity, it is preferred that the activity (e.g. skateboard park, baseball diamond) be included in the name of the park or facility.
- E. When public parks are located adjacent to elementary schools, a name that is the same as the adjacent school shall be considered.
- F. When considering the renaming of an existing public facility, in addition to applying criteria A-E above, proper weight should be given to the fact that: a name lends a site or property authenticity and heritage; existing names are presumed to have historic significance; and historic names give a community a sense of place and identity, continuing through time, and increases the sense of neighborhood and belonging.

Section 4 –Naming Standards Involving a Major Contribution

When a person, group or organization requests the naming or renaming of a public facility, all of the following conditions shall be met:

 - 1. Recommendations may also come directly of the City Boards or Commissions, the City Council, or City Staff.
- B. The City Manager shall refer the application to the appropriate lead commission as defined in Section 1 of the City's policy on naming of public facilities, for that commission's review, facilitation, and recommendation of disposition.
 - 1. The application shall contain the name or names of the persons or organization making the application and the reason for the requested naming or renaming.

APPENDIX B. GUIDELINES FOR DEVELOPING AND WRITING COUNCIL AGENDA ITEMS

These guidelines are derived from the requirements for Agenda items listed in the Berkeley City Council Rules of Procedure and Order, Chapter III, Sections B(1) and (2), reproduced below. In addition, Chapter III Section C(1)(a) of the Rules of Procedure and Order allows the ~~Agenda Committee~~ [Agenda & Rules Committee](#) to request that the author of an item provide “additional analysis” if the item as submitted evidences a “significant lack of background or supporting information” or “significant grammatical or readability issues.”

These guidelines provide a more detailed and comprehensive overview of elements of a complete Council item. While not all elements would be applicable to every type of Agenda item, they are intended to prompt authors to consider presenting items with as much relevant information and analysis as possible.

Chapter III, Sections (B)(1) and (2) of Council Rules of Procedure and Order:

~~3-2.~~ Agenda items shall contain all relevant documentation, including the following as Applicable:

- a. A descriptive title that adequately informs the public of the subject matter and general nature of the item or report and action requested;
- b. Whether the matter is to be presented on the Consent Calendar or the Action Calendar or as a Report for Information;
- c. Recommendation of the City Manager, if applicable (these provisions shall not apply to Mayor and Council items.);
- d. Fiscal impacts of the recommendation;
- e. A description of the current situation and its effects;
- f. Background information as needed;
- g. Rationale for recommendation;
- h. Alternative actions considered;
- i. For awards of contracts; the abstract of bids and the Affirmative Action Program of the low bidder in those cases where such is required (these provisions shall not apply to Mayor and Council items.);
- j. Person or persons to contact for further information, with telephone number.

If the author of any report believes additional background information, beyond the basic report, is necessary to Council understanding of the subject, a separate compilation of such background information may be developed and copies will be available for Council and for public review in the City Clerk Department, and the City Clerk shall provide limited distribution of such background information depending upon quantity of pages to be duplicated. In such case the agenda item distributed with the packet shall so indicate.

REVISED AGENDA MATERIAL

Meeting Date: November 12, 2019

Item Number: 26

Item Description: City Council Rules of Procedure and Order Revisions

Supplemental/Revision Submitted By: Mark Numainville, City Clerk

It was brought to my attention by a Councilmember that some of the provisions of Chapter III.C.1.a regarding the powers of the Agenda & Rules Committee were unclear and inconsistent with other provisions related to policy committees.

The proposed amendment attempts to clarify the provisions of Chapter III.C.1.a given the authority granted to the Agenda & Rules Committee by Resolution 68,726-N.S. while maintaining adequate discretion and control of the primary author of a Council item.

The new language proposed for Council consideration is in the version attached to this cover memo; track changes pages 13-14, and clean version pages 11-12. The original wording of this section is on page 875 of the packet (clean version) and page 916 of the packet (track changes version).

In addition, I have incorporated some non-substantive corrections/clarifications to the proposed amendments based on suggestions from Councilmembers. These edits are annotated in the attached track changes version of the ROP amendments. These new annotated edits all begin with "SUPP 1" in the comment bubble.

The clean version in this supplemental replaces Exhibit A to the resolution in the agenda packet.

Supplements or Revisions submitted pursuant to BMC § 2.06.070 may only be revisions of the original report included in the Agenda Packet.

The Mayor shall state every question coming before the Council, announce the decision of the Council on all subjects, and decide all questions of order, subject, however, to an appeal to the Council, in which event a majority vote of the Council shall govern and conclusively determine such question of order. In the Mayor's absence, the Vice President of the Council (hereafter referred to as the Vice-Mayor) shall preside.

Commented [NML1]: Standard current practice per City Charter

B. Duties of Councilmembers

All Councilmembers have the opportunity to speak and agree to disagree but no Councilmember shall speak twice on any given subject unless all other Councilmembers have been given the opportunity to speak. Commented [NML2]: Edit from July 15, 2019 Agenda & Rules Committee meeting

Commented [NML3]: SUPP 1 – changed to "a limit" to be more clear that the time is the same for all Councilmembers

The presiding officer has the affirmative duty to maintain order. The City Council will honor the role of the presiding officer in maintaining order. If a Councilmember believes the presiding officer is not maintaining order, the Councilmember may move that the Vice-Mayor, or another Councilmember if the Vice-Mayor is acting as the presiding officer at the time, enforce the rules of decorum and otherwise maintain order. If that motion receives a second and is approved by a majority of the Council, the Vice-Mayor, or other designated Councilmember, shall enforce the rules of decorum and maintain order.

E. Voting Disqualification

No member of the Council who is disqualified shall vote upon the matter on which the member is disqualified. Any member shall openly state or have the presiding officer announce the fact and nature of such disqualification in open meeting, and shall not be subject to further inquiry. Where no clearly disqualifying conflict of interest appears, the matter of disqualification may, at the request of the member affected, be

I. DUTIES

decided by the other members of the Council, by motion, and such decision shall determine such member's right and obligation to vote. A member who is disqualified by conflict of interest in any matter shall not remain in the Chamber during the debate and vote on such matter, but shall request and be given the presiding officer's permission to ~~absent~~ recuse themselves. Any member having a "remote interest" in any matter as provided in Government Code shall divulge the same before voting.

II. MEETINGS

II. MEETINGS

A. Call to Order - Presiding Officer

The Mayor, or in the Mayor's absence, the Vice Mayor, shall take the chair precisely at the hour appointed by the meeting and shall immediately call the Council to order. Upon the arrival of the Mayor, the Vice Mayor shall immediately relinquish the chair, ~~at the conclusion of the business presently before the Council.~~ In the absence of the two officers specified in this section, the ~~Councilmember~~council member present with the longest period of Council service shall preside.

The public will be permitted to comment on agenda items but public comments may be limited to one minute if deemed necessary by the Committee Chair. ~~The Agenda Committee Agenda & Rules Committee has discretion to determine if an item submitted by the Mayor or a Councilmember falls under a Full Council Track exception or if it will be processed as a Policy Committee Track item. For a Policy Committee Track item, the Agenda Committee Agenda & Rules Committee, at its discretion, may either route item directly to 1) the agenda currently under consideration, 2) one of the next three full Council Agendas (based on completeness of the item, lack of potential controversy, minimal impacts, etc.), or 3) to a Policy Committee.

III. AGENDA

Time Critical Track

A Time Critical item is defined as a matter that is considered urgent by the sponsor and that has a deadline for action that is prior to the next meeting of the Council and for which a report prepared by the Mayor or ~~Councilmember~~council member is received by the City Clerk after established deadlines and is not included on the ~~Agenda Committee~~Agenda & Rules Committee's published agenda.

The ~~Agenda Committee~~Agenda & Rules Committee retains final discretion to determine the time critical nature of an item.

- a) Time Critical items submitted on the Full Council Track deadlines, that would otherwise be assigned to the Policy Committee Track, may bypass ~~P~~policy ~~C~~committee review if determined to be time critical. If such an item is deemed not to be time critical, it ~~may~~will be referred to a Policy Committee.
- b) Time Critical items on the Full Council Track or Policy Committee Track that are submitted at a meeting of the ~~Agenda Committee~~Agenda & Rules Committee may go directly on a council agenda if determined to be time critical.

B2. Council Referrals to Committees

The full Council may refer any agenda item to a ~~P~~policy ~~C~~committee by majority vote.

- c. Notwithstanding paragraph (b) above, two members of a Policy Committee may co-author an item provided that one of the authors will not serve as a committee member for consideration of the item, and shall not participate in the committee's discussion of, or action on the item. For purposes of the item, the appointed alternate will serve as a committee member in place of the non-participating co-author.
- d. All three members of a Policy Committee may not be co-authors of an item that will be heard by the committee.
- e. Only one co-author who is not a member of the Policy Committee may attend the committee meeting to participate in discussion of the item.

Commented [NML46]: New requirements due to re-evaluation of Brown Act applicability to policy committees

III. AGENDA

f. If two or more non-committee members are present for any item or meeting, then all non-committee members may act only as observers and may not participate in discussion. If an author who is not a member of the committee is present to participate in the discussion of their item, no other non-committee member Councilmembers, nor the Mayor, may attend as observers.

Commented [NML47]: SUPP 1 – added for clarification

Commented [NML48]: SUPP 1 – added for clarification

g. An item may be considered by only one Policy Committee before it goes to the full Council.

C4. Functions of the Committees

f.g. The Chair, or a quorum of the Committee may call a meeting or cancel a meeting of the Policy Committee.

Commented [NML49]: Clarification of authority; reflects Charter

g-h. Committees will review items for completeness in accordance with Section III.B.2 of the City Council Rules of Procedure and Order and alignment with Strategic Plan goals.

i. Reports leaving a Policy Committee must adequately include budget implications, administrative feasibility, basic legal concerns, and staff resource demands in order to allow for informed consideration by the full Council.

h-j. Per Brown Act regulations, any such revised or supplemental materials must be direct revisions or supplements to the item that was published in the agenda packet.

Commented [NML50]: Added for transparency and to avoid violations arising from submission of materials only tangentially related to the agendized items

Commented [NML51]: SUPP 1 – added for clarification

Formatted: Strikethrough

Items referred to a Policy Committee from the Agenda Committee ~~Agenda & Rules Committee~~ or from the City Council must be agendized for a committee meeting within 60 days of the referral date.

III. AGENDA

Within 120 days of the referral date, the committee must vote to either (1) accept the author's request that the item remain in committee until a date certain (more than one extension may be requested by the author); or (2) send the item to the ~~Agenda-Committee~~Agenda & Rules Committee to be placed on a Council Agenda with a Committee recommendation consisting of one of the four options listed below.

2. Qualified Positive Recommendation (recommending Council pass the item with some changes),
3. Qualified Negative Recommendation (recommending Council reject the item unless certain changes are made) or
4. Negative Recommendation (recommending the item not be approved).

The Policy Committee's ~~will include their~~ recommendation will be included in a ~~new~~separate section of the report template for that purpose.

~~A~~ Policy Committee may not refer an item under its consideration to a city board or commission.

Commented [NML52]: Clarification of authority. Commissions are advisory to the Full Council

~~The~~ original Council author of an item referred to a Policy Committee is responsible for revisions and resubmission of the item back to the full Council. Items originating from the City Manager are revised and submitted by the appropriate city staff. Items from Commissions are revised and resubmitted by the members of the Policy Committee. ~~Items and Recommendations originating from the Policy Committee are submitted to the agenda process City Clerk by the members of the committee.~~

Commented [NML53]: Clarification of responsibility for shepherding items through process

~~A~~ policy committee may refer an item to another policy committee for review. The total time for review by all policy committees is limited to the initial 120-day deadline.

Commented [NML54]: SUPP 1 – added for clarification

Commented [NML55]: Inconsistent with Brown Act – review by two committees would result in an illegal serial meeting

If a ~~P~~policy ~~C~~committee does not take final action by the 120-day deadline, the item is returned to the ~~Agenda-Committee~~Agenda & Rules Committee and appears on the next available Council agenda. The ~~Agenda-Committee~~Agenda & Rules Committee may leave the item on the agenda under consideration or place it on the next Council agenda. ~~Items~~ appearing on a City Council agenda due to lack of action by a Policy Committee may not be referred to a Policy Committee and must remain on the full Council agenda for consideration.

Commented [NML56]: Closes "endless loop" loophole

~~Policy~~ Committees may add discussion topics that are within their purview to their agenda with the concurrence of a majority of the Committee. These items are not subject to the 120-day deadline for action. ~~Non-legislative or discussion items may be added to the Policy Committee agenda by members of the Committee with the concurrence of a quorum of the Committee.~~

Commented [NML57]: SUPP 1 – This paragraph was re-worded for clarity

III. AGENDA

Once the item is voted out of a Policy Committee, ~~the final item will be resubmitted to the agenda process by the author, and it will return to the Agenda Committee~~ Agenda & Rules Committee on the next available agenda. The ~~Agenda Committee~~ Agenda & Rules Committee may leave the item on the agenda under consideration or place it on the following Council agenda. Only items that receive a Positive Recommendation can be placed on the Consent Calendar.

Commented [NML58]: Clarification

The lead author may request expedited committee review for items referred to a committee. Criteria for expedited review is generally to meet a deadline for action (e.g. grant deadline, specific event date, etc.). If the committee agrees to the request, the deadline for final committee action is 45 days from the date the ~~committee approves expedited review.~~ item first appeared on the committee agenda.

5D. Number and Make-up of Committees

- Public comment on the Consent and Information Calendars.
- Public comment on action items, appeals and/or public hearings as they are taken up under procedures set forth in the sections governing each below.
- Public comment on non-agenda items from any speakers who did not speak during the first round of non-agenda public comment at the beginning of the meeting.

Speakers are permitted to yield their time to one other speaker, however no one speaker shall have more than four minutes. A speaker wishing to yield their time shall [stand identify themselves](#), shall be recognized by the chair, and announce publicly their intention to yield their time. Disabled persons shall have priority seating in the front row of the public seating area.

A member of the public may only speak once at public comment on any single item, unless called upon by the Mayor or a Councilmember to answer a specific inquiry.

7-1. Public Comment on Consent Calendar and Information Items.

The Council will first determine whether to move items on the agenda for “Action” or “Information” to the “Consent Calendar,” or move “Consent Calendar” items to “Action.” Items that remain on the “Consent Calendar” are voted on in one motion as a group. “Information” items are not discussed or acted upon at the Council meeting unless they are moved to “Action” or “Consent.”

The Council will then take public comment on any items that are either on the amended Consent Calendar or the Information Calendar. A speaker may only speak once during the period for public comment on Consent Calendar and Information items. No additional items can be moved onto the Consent Calendar once public comment has commenced.

At any time during, or immediately after, public comment on Information and Consent items, [the Mayor or](#) any Councilmember may move any Information or Consent item to “Action.” Following this, the Council will vote on the items remaining on the Consent Calendar in one motion.

For items moved to the Action Calendar from the Consent Calendar or Information Calendar, persons who spoke on the item during the Consent Calendar public comment period may speak again at the time the matter is taken up during the Action Calendar.

IV. CONDUCT OF MEETING

2. **Public Comment on Action Items.**

If ten or fewer persons are interested in speaking, each speaker may speak for two minutes. If there are more than ten persons interested in speaking, the Presiding Officer may limit the public comment for all speakers to one minute per speaker. Speakers are permitted to yield their time to one other speaker, however no one speaker shall have more than four minutes.

[This procedure also applies to public hearings except those types of public hearings specifically provided for in this section, below.](#)

Commented [NML61]: SUPP 1 – added for clarification

3. **Appeals Appearing on Action Calendar.**

With the exception of appeals from decisions of the Zoning Adjustments Board and Landmarks Preservation Commission, appeals from decisions of City commissions appear on the “Action” section of the Council Agenda. Council determines whether to affirm the action of the commission, set a public hearing, or remand the matter to the commission. Appeals of proposed special assessment liens shall also appear on the “Action” section of the Council Agenda. Appeals from decisions of the Zoning Adjustments Board and Landmarks Preservation Commission are automatically set for public hearing and appear on the “Public Hearings” section of the Council Agenda.

Time shall be provided for public comment for persons representing both sides of the action/appeal and each side will be allocated seven minutes to present their comments on the appeal. Where the appellant is not the applicant, the appellants [of a single appeal](#) collectively shall have seven minutes to comment and the applicant shall have seven minutes to comment. IV. CONDUCT OF MEETING

4. Public Comment on Non Agenda Matters.

Immediately following Ceremonial Matters and the City Manager Comments and prior to the Consent Calendar, persons will be selected by lottery to address matters not on the Council agenda. If five or fewer persons submit speaker cards for the lottery, each person selected will be allotted two minutes each. If more than five persons submit speaker cards for the lottery, up to ten persons will be selected to address matters not on the Council agenda and each person selected will be allotted one minute each. Persons wishing to address the Council on matters not on the Council agenda during the initial ten-minute period for such comment, must submit a speaker card to the City Clerk in person at the meeting location and prior to commencement of that meeting.

The remainder of the speakers wishing to address the Council on non-agenda items will be heard at the end of the agenda. Speaker cards are not required for this second round of public comment on non-agenda matters.

Persons submitting speaker cards are not required to list their actual name, however they must list some identifying information or alternate name in order to be called to speak.

Each speaker will be entitled to speak for two minutes each unless the Presiding Officer determines that one-minute is appropriate given the number of speakers.

~~According to the current Rules and Procedures Pursuant to this document,~~ no Council meeting shall continue past 11:00 p.m. unless a two-thirds majority of the Council votes to extend the meeting to discuss specified items. If any agenda item remains unfinished at 11:00 p.m. or the expiration of any extension after 11:00 p.m., it will be referred to the ~~Agenda Committee~~ [Agenda & Rules Committee](#) for scheduling pursuant to Chapter II, Section F. In that event, the meeting shall be automatically extended for up to fifteen (15) minutes for public comment on non-agenda items.

Ordinances for second reading may be included in the Consent Calendar.

IV. CONDUCT OF MEETING

It is the policy of the Council that [the Mayor or Councilmembers](#) wishing to ask questions concerning Consent Calendar items should ask questions of the contact person identified prior to the Council meeting so that the need for discussion of consent calendar items can be minimized.

Commented [NML63]: SUPP 1 – Clarification and updating of language

All such communications must have been received by the City Clerk no later than 5:00 p.m. fifteen days prior to the meeting in order to be included on the agenda.

In instances where an individual forwards more than three pages of email messages not related to actionable items on the Council agenda to the Council to be reproduced in the "Communications" section of the Council packet, the City Clerk will not reproduce the entire email(s) but instead refer the public to the City's website or a hard copy of the email(s) on file in the City Clerk Department.

All communications shall be simply deemed received without any formal action by the Council. [The Mayor or A Councilmember](#) may refer a communication to ~~staff~~ [the City Manager](#) for action, if appropriate, or prepare a consent or action item for placement on a future agenda.

[Communications related to an item on the agenda that are received after 5:00 p.m. fifteen days before the meeting are published as provided for in Chapter III.C.4.](#)

Commented [NML64]: Clarification per OGO

E. Public Hearings for Land Use, Zoning, Landmarks, and Public Nuisance Matters

Following any staff presentation, each member of the City Council shall verbally disclose all ex parte contacts concerning the subject of the hearing. Members shall also submit a report of such contacts in writing prior to the commencement of the hearing. Such reports shall include a brief statement describing the name, date, place, and content of the contact. Written reports shall be available for public review

Speakers are permitted to yield their time to one other speaker, however no one speaker shall have more than four minutes. - F. When considering the renaming of an existing public facility, in addition to applying criteria A-E above, proper weight should be given to the fact that: a name lends a site or property authenticity and heritage; existing names are presumed to have historic significance; and historic names give a community a sense of place and identity, continuing through time, and increases the sense of neighborhood and belonging.

- Example (fictional):
Winter rains are lasting longer than expected. Berkeley’s winter shelters are poised to close in three weeks, but forecasts suggest rain for another two months. If they do not remain open until the end of the rainy season, hundreds of people will be left in the rain 24/7. Therefore, this item seeks authorization to keep Berkeley’s winter shelters open until the end of April, and refers to the Budget Process \$40,000 to cover costs of an additional two months of shelter operations.

5. Background

A full discussion of the history, circumstances and concerns to be addressed by the item.

- For the above fictional example, Background would include *information and data about the number and needs of homeless individuals in Berkeley, the number and availability of permanent shelter beds that meet their needs, the number of winter shelter beds that would be lost with closure, the impacts of such closure on this population, the weather forecasts, etc.*

6. Review of Existing Plans, Programs, Policies and Laws

Review, identify and discuss relevant/applicable Plans, Programs, Policies and Laws, and how the proposed actions conform with, compliment, are supported by, differ from or run contrary to them. What gaps were found that need to be filled? What existing policies, programs, plans and laws need to be changed/supplemented/improved/repealed? I. DUTIES**A. Duties of Mayor**

The Mayor shall preside at the meetings of the Council and shall preserve strict order and decorum at all regular and special meetings of the Council. The Mayor shall state every question coming before the Council, announce the decision of the Council on all subjects, and decide all questions of order, subject, however, to an appeal to the Council, in which event a majority vote of the Council shall govern and conclusively determine such question of order. In the Mayor's absence, the Vice President of the Council (hereafter referred to as the Vice-Mayor) shall preside.

B. Duties of Councilmembers

Promptly at the hour set by law on the date of each regular meeting, the members of the Council shall take their regular stations in the Council Chambers and the business of the Council shall be taken up for consideration and disposition.

C. Motions to be Stated by Chair

When a motion is made, it may be stated by the Chair or the City Clerk before debate.

D. Decorum by Councilmembers

While the Council is in session, the City Council will practice civility and decorum in their discussions and debate. Councilmembers will value each other's time and will preserve order and decorum. A member shall neither, by conversation or otherwise, delay or interrupt the proceedings of the Council, use personal, impertinent or slanderous remarks, nor disturb any other member while that member is speaking or refuse to obey the orders of the presiding officer or the Council, except as otherwise provided herein.

All Councilmembers have the opportunity to speak and agree to disagree but no Councilmember shall speak twice on any given subject unless all other Councilmembers have been given the opportunity to speak. The Presiding Officer may set a limit on the speaking time allotted to Councilmembers during Council discussion.

The presiding officer has the affirmative duty to maintain order. The City Council will honor the role of the presiding officer in maintaining order. If a Councilmember believes the presiding officer is not maintaining order, the Councilmember may move that the Vice-Mayor, or another Councilmember if the Vice-Mayor is acting as the presiding officer at the time, enforce the rules of decorum and otherwise maintain order. If that motion receives a second and is approved by a majority of the Council, the Vice-Mayor, or other designated Councilmember, shall enforce the rules of decorum and maintain order.

E. Voting Disqualification

No member of the Council who is disqualified shall vote upon the matter on which the member is disqualified. Any member shall openly state or have the presiding officer announce the fact and nature of such disqualification in open meeting, and shall not be subject to further inquiry. Where no clearly disqualifying conflict of interest appears, the matter of disqualification may, at the request of the member affected, be

decided by the other members of the Council, by motion, and such decision shall determine such member's right and obligation to vote. A member who is disqualified by conflict of interest in any matter shall not remain in the Chamber during the debate and vote on such matter, but shall request and be given the presiding officer's permission to recuse themselves. Any member having a "remote interest" in any matter as provided in Government Code shall divulge the same before voting.

F. Requests for Technical Assistance and/or Reports

A majority vote of the Council shall be required to direct staff to provide technical assistance, develop a report, initiate staff research, or respond to requests for information or service generated by an individual council member.

II. MEETINGS**A. Call to Order - Presiding Officer**

The Mayor, or in the Mayor's absence, the Vice Mayor, shall take the chair precisely at the hour appointed by the meeting and shall immediately call the Council to order. Upon the arrival of the Mayor, the Vice Mayor shall immediately relinquish the chair. In the absence of the two officers specified in this section, the Councilmember present with the longest period of Council service shall preside.

B. Roll Call

Before the Council shall proceed with the business of the Council, the City Clerk shall call the roll of the members and the names of those present shall be entered in the minutes. The later arrival of any absentee shall also be entered in the minutes.

C. Quorum Call

During the course of the meeting, should the Chair note a Council quorum is lacking, the Chair shall call this fact to the attention of the City Clerk. The City Clerk shall issue a quorum call. If a quorum has not been restored within two minutes of a quorum call, the meeting shall be deemed automatically adjourned.

D. Council Meeting Conduct of Business

The agenda for the regular business meetings shall include the following: Ceremonial Items (including comments from the City Auditor if requested); Comments from the City Manager; Comments from the Public; Consent Calendar; Action Calendar (Appeals, Public Hearings, Continued Business, Old Business, New Business); Information Reports; and Communication from the Public. Presentations and workshops may be included as part of the Action Calendar. The Chair will determine the order in which the item(s) will be heard with the consent of Council.

Upon request by the Mayor or any Councilmember, any item may be moved from the Consent Calendar or Information Calendar to the Action Calendar. Unless there is an objection by the Mayor or any Councilmember, the Council may also move an item from the Action Calendar to the Consent Calendar.

A public hearing that is not expected to be lengthy may be placed on the agenda for a regular business meeting. When a public hearing is expected to be contentious and lengthy and/or the Council's regular meeting schedule is heavily booked, the Agenda & Rules Committee, in conjunction with the staff, will schedule a special meeting exclusively for the public hearing. No other matters shall be placed on the agenda for the special meeting. All public comment will be considered as part of the public hearing and no separate time will be set aside for public comment not related to the public hearing at this meeting.

Except at meetings at which the budget is to be adopted, no public hearing may commence later than 10:00 p.m. unless there is a legal necessity to hold the hearing or make a decision at that meeting or the City Council determines by a two-thirds vote that there is a fiscal necessity to hold the hearing.

E. Adjournment

1. No Council meeting shall continue past 11:00 p.m. unless a two-thirds majority of the Council votes to extend the meeting to discuss specified items; and any motion to extend the meeting beyond 11:00 p.m. shall include a list of specific agenda items to be covered and shall specify in which order these items shall be handled.
2. Any items not completed at a regularly scheduled Council meeting may be continued to an Adjourned Regular Meeting by a two-thirds majority vote of the Council.

F. Unfinished Business

Any items not completed by formal action of the Council, and any items not postponed to a date certain, shall be considered Unfinished Business. All Unfinished Business shall be referred to the Agenda & Rules Committee for scheduling for a Council meeting that occurs within 60 days from the date the item last appeared on a Council agenda. The 60 day period is tolled during a Council recess.

G. City Council Schedule and Recess Periods

Pursuant to the Open Government Ordinance, the City Council shall hold a minimum of twenty-four (24) meetings, or the amount needed to conduct City business in a timely manner, whichever is greater, each calendar year.

Regular meetings of the City Council shall be held generally two to three Tuesdays of each month except during recess periods; the schedule to be established annually by Council resolution taking into consideration holidays and election dates.

Regular City Council meetings shall begin no later than 6:00 p.m.

A recess period is defined as a period of time longer than 21 days without a regular meeting of the Council.

When a recess period occurs, the City Manager is authorized to take such ministerial actions for matters of operational urgency as would normally be taken by the City Council during the period of recess except for those duties specifically reserved to the Council by the Charter, and including such emergency actions as are necessary for the immediate preservation of the public peace, health or safety; the authority to extend throughout the period of time established by the City Council for the period of recess.

The City Manager shall have the aforementioned authority beginning the day after the Agenda & Rules Committee meeting for the last regular meeting before a Council recess and this authority shall extend up to the date of the Agenda & Rules Committee meeting for the first regular meeting after the Council recess.

The City Manager shall make a full and complete report to the City Council at its first regularly scheduled meeting following the period of recess of actions taken by the City Manager pursuant to this section, at which time the City Council may make such findings as may be required and confirm said actions of the City Manager.

H. Pledge of Allegiance to the Flag

At the first meeting of each year following the August recess and at any subsequent meeting if specifically requested before the meeting by any member of the Council in order to commemorate an occasion of national significance, the first item on the Ceremonial Calendar will be the Pledge of Allegiance.

I. Ad Hoc Subcommittees

From time to time the Council or the Mayor may appoint several of its members but fewer than the existing quorum of the present body to serve as an ad hoc subcommittee. Only Councilmembers may be members of the ad hoc subcommittee; however, the subcommittee shall seek input and advice from residents, related commissions, and other groups. Ad Hoc Subcommittees must be reviewed annually by the Council to determine if the subcommittee is to continue.

Upon creation of an ad hoc subcommittee, the Council shall allow it to operate with the following parameters:

1. A specific charge or outline of responsibilities shall be established by the Council.
2. A target date must be established for a report back to the Council.
3. Maximum life of the subcommittee shall be one year, with annual review and possible extension by the Council.

Subcommittees shall conduct their meetings in locations that are open to the public and meet accessibility requirements under the Americans with Disabilities Act. Meetings may be held at privately owned facilities provided that the location is open to all that wish to attend and that there is no requirement for purchase to attend. Agendas for subcommittee meetings must be posted in the same manner as the agendas for regular Council meetings except that subcommittee agendas may be posted with 24-hour notice. The public will be permitted to comment on agenda items but public comments may be limited to one minute if deemed necessary by the Committee Chair. Agendas and minutes of the meetings must be maintained and made available upon request.

Ad hoc subcommittees will be staffed by City Council legislative staff. As part of the ad hoc subcommittee process, City staff will undertake a high-level, preliminary analysis of potential legal issues, costs, timelines, and staffing demands associated with the item(s) under consideration. Staff analysis at ad hoc subcommittees is limited to the points above as the recommendation, program, or project has not yet been approved to proceed by the full Council.

Subcommittees must be comprised of at least two members. If only two members are appointed, then both must be present in order for the subcommittee meeting to be held. In other words, the quorum for a two-member subcommittee is always two.

Ad hoc subcommittees may convene a closed session meeting pursuant to the conditions and regulations imposed by the Brown Act.

All items, other than board and commission items shall be subject to review by the Agenda & Rules Committee, which shall be a standing committee of the City Council.

The Agenda & Rules Committee shall meet 15 days prior to each City Council meeting and shall approve the agenda of that City Council meeting. Pursuant to BMC Section 1.04.080, if the 15th day prior to the Council meeting falls on a holiday, the Committee will meet the next business day. The Agenda & Rules Committee packet, including a draft agenda and Councilmember, Auditor, and Commission reports shall be distributed by 5:00 p.m. 4 days before the Agenda & Rules Committee meeting.

If the Primary Author requests a Policy Committee assignment, the item will appear on the next draft agenda presented to the Agenda & Rules Committee for assignment.

In the event that the City Clerk does not receive guidance from the Primary Author of the referred item within 24 hours of the Agenda & Rules Committee's adjournment, the item will appear on the next draft agenda for consideration by the Agenda & Rules Committee.

Items held for a future meeting to allow for modifications will be placed on the next available Council meeting agenda at the time that the revised version is submitted to the City Clerk.

- b) **Items Authored by the City Manager.** The Agenda & Rules Committee shall review agenda descriptions of items authored by the City Manager. The Committee can recommend that the matter be referred to a commission or back to the City Manager for adherence to required form, additional analysis as required in Section III.B.2, or suggest other appropriate action including scheduling the matter for a later meeting to allow for appropriate revisions.

If the City Manager determines that the matter should proceed notwithstanding the Agenda & Rules Committee's action, it will be placed on the agenda as directed by the Manager. All City Manager items placed on the Council agenda against the recommendation of the Agenda & Rules Committee will automatically be placed on the Action Calendar.

- c) **Items Authored by Boards and Commissions.** Council items submitted by boards and commissions are subject to City Manager review and must follow procedures and timelines for submittal of reports as described in the Commissioners' Manual.  - b) **Council and Auditor Items.** The deadline for reports submitted by the Auditor, Mayor and City Council is 5:00 p.m. on Monday, 22 days before each Council meeting.

The author of the report shall bring any reports submitted as Time Critical to the meeting of the Agenda & Rules Committee. Time Critical items must be accompanied by complete reports and statements of financial implications. If the Agenda & Rules Committee finds the matter to meet the definition of Time Critical, the Agenda & Rules Committee may place the matter on the Agenda on either the Consent or Action Calendar.

- d) The City Clerk may not accept any agenda item after the adjournment of the Agenda & Rules Committee meeting, except for items carried over by the City Council from a prior City Council meeting occurring less than 11 days earlier, which may include supplemental or revised reports, and reports concerning actions taken by boards and commissions that are required by law or ordinance to be presented to the Council within a deadline that does not permit compliance with the agenda timelines in BMC Chapter 2.06 or these rules.

4. Submission of Supplemental and Revised Agenda Material.

Berkeley Municipal Code Section 2.06.070 allows for the submission of supplemental and revised agenda material. Supplemental and revised material cannot be substantially new or only tangentially related to an agenda item. Supplemental material must be specifically related to the item in the Agenda Packet. Revised material should be presented as revised versions of the report or item printed in the Agenda Packet. Supplemental and revised material may be submitted for consideration as follows:

- a) Supplemental and revised agenda material shall be submitted to the City Clerk no later than 5:00 p.m. seven calendar days prior to the City Council meeting at which it is to be considered. Supplemental and revised items that are received by the deadline shall be distributed to Council in a supplemental reports packet and posted to the City's website no later than 5:00 p.m. five calendar days prior to the meeting. Copies of the supplemental packet shall also be made available in the office of the City Clerk and in the main branch of the Berkeley Public Library. Such material may be considered by the Council without the need for a determination that the good of the City clearly outweighs the lack of time for citizen review or City Councilmember evaluation.
- b) Supplemental and revised agenda material submitted to the City Clerk after 5:00 p.m. seven days before the meeting and no later than 12:00 p.m. one day prior to the City Council meeting at which it is to be considered shall be distributed to Council in a supplemental reports packet and posted to the City's website no later than 5:00 p.m. one day prior to the meeting. Copies of the supplemental packet shall also be made available in the office of the City Clerk and in the main branch of the Berkeley Public Library. Such material may be considered by the Council without the need for a determination that the good of the City clearly outweighs the lack of time for citizen review or City Council evaluation.
- c) After 12:00 p.m. one calendar day prior to the meeting, supplemental or revised reports may be submitted for consideration by delivering a minimum of 42 copies of the supplemental/revised material to the City Clerk for distribution at the meeting. Each copy must be accompanied by a completed supplemental/revised material cover page, using the form provided by the City Clerk. Revised reports must reflect a comparison with the original item using track changes formatting. The material may be considered only if the City Council, by a two-thirds roll call vote, makes a

factual determination that the good of the City clearly outweighs the lack of time for citizen review or City Councilmember evaluation of the material. Supplemental and revised material must be distributed and a factual determination made prior to the commencement of public comment on the agenda item in order for the material to be considered.

5. Scheduling a Presentation.

Presentations from staff are either submitted as an Agenda Item or are requested by the City Manager. Presentations from outside agencies and the public are coordinated with the Mayor's Office. The Agenda & Rules Committee may adjust the schedule of presentations as needed to best manage the Council Agenda. The Agenda & Rules Committee may request a presentation by staff in consultation with the City Manager.

2. Distribution and Posting of Agenda.

- a) The City Clerk shall post each agenda of the City Council regular meeting no later than 11 days prior to the meeting and shall post each agenda of a special meeting at least 24 hours in advance of the meeting in the official bulletin board. F. Closed Session Documents

This section establishes a policy for the distribution of, and access to, confidential closed session documents by the Mayor and Members of the City Council.

1. Confidential closed session materials shall be kept in binders numbered from one to nine and assigned to the Mayor (#9) and each Councilmember (#1 to #8 by district). The binders will contain confidential closed session materials related to Labor Negotiations, Litigation, and Real Estate matters.
2. The binders will be maintained by City staff and retained in the Office of the City Attorney in a secure manner. City staff will bring the binders to each closed session for their use by the Mayor and Councilmembers. At other times, the binders will be available to the Mayor and Councilmembers during regular business hours for review in the City Attorney's Office. The binders may not be removed from the City Attorney's Office or the location of any closed session meeting by the Mayor or Councilmembers. G. Regulations Governing City Council Policy Committees**1. Legislative Item Process**

All agenda items begin with submission to the Agenda & Rules Committee.

Full Council Track

Items under this category are exempt from Agenda & Rules Committee discretion to refer them to a Policy Committee. Items in this category may be submitted for the agenda of any scheduled regular meeting pursuant to established deadlines (same as existing deadlines). Types of Full Council Track items are listed below.

- a. Items submitted by the City Manager and City Auditor
- b. Items submitted by Boards and Commissions

III. AGENDA

- c. Resolutions on Legislation and Electoral Issues relating to Outside Agencies/Jurisdictions
- d. Position Letters and/or Resolutions of Support/Opposition
- e. Donations from the Mayor and Councilmember District Office Budgets
- f. Referrals to the Budget Process
- g. Proclamations
- h. Sponsorship of Events
- i. Information Reports
- j. Presentations from Outside Agencies and Organizations
- k. Ceremonial Items
- l. Committee and Regional Body Appointments

The Agenda & Rules Committee has discretion to determine if an item submitted by the Mayor or a Councilmember falls under a Full Council Track exception or if it will be processed as a Policy Committee Track item.

Policy Committee Track

Items submitted by the Mayor or Councilmembers with moderate to significant administrative, operational, budgetary, resource, or programmatic impacts will go first to the Agenda & Rules Committee on a draft City Council agenda.

The Agenda & Rules Committee must refer an item to a Policy Committee at the first meeting that the item appears before the Agenda & Rules Committee. The Agenda & Rules Committee may only assign the item to a single Policy Committee.

For a Policy Committee Track item, the Agenda & Rules Committee, at its discretion, may either route item directly to 1) the agenda currently under consideration, 2) one of the next three full Council Agendas (based on completeness of the item, lack of potential controversy, minimal impacts, etc.), or 3) to a Policy Committee.

Time Critical Track

A Time Critical item is defined as a matter that is considered urgent by the sponsor and that has a deadline for action that is prior to the next meeting of the Council and for which a report prepared by the Mayor or Councilmember is received by the City Clerk after established deadlines and is not included on the Agenda & Rules Committee's published agenda.

The Agenda & Rules Committee retains final discretion to determine the time critical nature of an item.

- a) Time Critical items submitted on the Full Council Track deadlines, that would otherwise be assigned to the Policy Committee Track, may bypass Policy Committee review if determined to be time critical. If such an item is deemed not to be time critical, it may be referred to a Policy Committee.

- b) Time Critical items on the Full Council Track or Policy Committee Track that are submitted at a meeting of the Agenda & Rules Committee may go directly on a council agenda if determined to be time critical.

2. Council Referrals to Committees

The full Council may refer any agenda item to a Policy Committee by majority vote.

3. Participation Rules for Policy Committees Pursuant to the Brown Act

- a. The quorum of a three-member Policy Committee is always two members. A majority vote of the committee (two 'yes' votes) is required to pass a motion.
- b. Two Policy Committee members may not discuss any item that has been referred to the Policy Committee outside of an open and noticed meeting.
- c. Notwithstanding paragraph (b) above, two members of a Policy Committee may co-author an item provided that one of the authors will not serve as a committee member for consideration of the item, and shall not participate in the committee's discussion of, or action on the item. For purposes of the item, the appointed alternate will serve as a committee member in place of the non-participating co-author.
- d. All three members of a Policy Committee may not be co-authors of an item that will be heard by the committee.
- e. Only one co-author who is not a member of the Policy Committee may attend the committee meeting to participate in discussion of the item.
- f. If two or more non-committee members are present for any item or meeting, then all non-committee members may act only as observers and may not participate in discussion. If an author who is not a member of the committee is present to participate in the discussion of their item, no other non-committee member Councilmembers, nor the Mayor, may attend as observers.
- g. An item may be considered by only one Policy Committee before it goes to the full Council.

4. Functions of the Committees

Committees shall have the following qualities/components:

- a. All committees are Brown Act bodies with noticed public meetings and public comment. Regular meeting agendas will be posted at least 72 hours in advance of the meeting.

III. AGENDA

- b. Minutes shall be available online.
- c. Committees shall adopt regular meeting schedules, generally meeting once or twice per month; special meetings may be called when necessary, in accordance with the Brown Act.
- d. Generally, meetings will be held at 2180 Milvia Street in publicly accessible meeting rooms that can accommodate the committee members, public attendees, and staff.
- e. Members are recommended by the Mayor and approved by the full Council no later than January 31 of each year. Members continue to serve until successors are appointed and approved.
- f. Chairs are elected by the Committee at the first regular meeting of the Committee after the annual approval of Committee members by the City Council. In the absence of the Chair, the committee member with the longest tenure on the Council will preside.
- g. The Chair, or a quorum of the Committee may call a meeting or cancel a meeting of the Policy Committee.
- h. Committees will review items for completeness in accordance with Section III.B.2 of the City Council Rules of Procedure and Order and alignment with Strategic Plan goals.
- i. Reports leaving a Policy Committee must adequately include budget implications, administrative feasibility, basic legal concerns, and staff resource demands in order to allow for informed consideration by the full Council.
- j. Per Brown Act regulations, any revised or supplemental materials must be direct revisions or supplements to the item that was published in the agenda packet.

Items referred to a Policy Committee from the Agenda & Rules Committee or from the City Council must be agendized for a committee meeting within 60 days of the referral date.

Within 120 days of the referral date, the committee must vote to either (1) accept the author's request that the item remain in committee until a date certain (more than one extension may be requested by the author); or (2) send the item to the Agenda & Rules Committee to be placed on a Council Agenda with a Committee recommendation consisting of one of the four options listed below.

- 1. Positive Recommendation (recommending Council pass the item as proposed),
- 2. Qualified Positive Recommendation (recommending Council pass the item with some changes),
- 3. Qualified Negative Recommendation (recommending Council reject the item unless certain changes are made) or
- 4. Negative Recommendation (recommending the item not be approved).

The Policy Committee's recommendation will be included in a separate section of the report template for that purpose.

A Policy Committee may not refer an item under its consideration to a city board or commission.

The original Council author of an item referred to a Policy Committee is responsible for revisions and resubmission of the item back to the full Council. Items originating from the City Manager are revised and submitted by the appropriate city staff. Items from Commissions are revised and resubmitted by the members of the Policy Committee. Items and Recommendations originating from the Policy Committee are submitted to the City Clerk by the members of the committee.

If a Policy Committee does not take final action by the 120-day deadline, the item is returned to the Agenda & Rules Committee and appears on the next available Council agenda. The Agenda & Rules Committee may leave the item on the agenda under consideration or place it on the next Council agenda. Items appearing on a City Council agenda due to lack of action by a Policy Committee may not be referred to a Policy Committee and must remain on the full Council agenda for consideration.

Policy Committees may add discussion topics that are within their purview to their agenda with the concurrence of a majority of the Committee. These items are not subject to the 120-day deadline for action.

Once the item is voted out of a Policy Committee, the final item will be resubmitted to the agenda process by the author, and it will return to the Agenda & Rules Committee on the next available agenda. The Agenda & Rules Committee may leave the item on the agenda under consideration or place it on the following Council agenda. Only items that receive a Positive Recommendation can be placed on the Consent Calendar.

The lead author may request expedited committee review for items referred to a committee. Criteria for expedited review is generally to meet a deadline for action (e.g. grant deadline, specific event date, etc.). If the committee agrees to the request, the deadline for final committee action is 45 days from the date the committee approves expedited review.

5. Number and Make-up of Committees

Six committees are authorized, each comprised of three Councilmembers, with a fourth Councilmember appointed as an alternate. Each Councilmember and the Mayor will serve on two committees. The Mayor shall be a member of the Agenda and Rules Committee. The committees are as follows:

1. Agenda and Rules Committee
2. Budget and Finance Committee

3. Facilities, Infrastructure, Transportation, Environment, and Sustainability
4. Health, Life Enrichment, Equity, and Community
5. Land Use, Housing, and Economic Development
6. Public Safety

The Agenda & Rules Committee shall establish the Policy Committee topic groupings, and may adjust said groupings periodically thereafter in order to evenly distribute expected workloads of various committees.

All standing Policy Committees of the City Council are considered “legislative bodies” under the Brown Act and must conduct all business in accordance with the Brown Act.

6. Role of City Staff at Committee Meetings

Committees will be staffed by appropriate City Departments and personnel. As part of the committee process, staff will undertake a high-level, preliminary analysis of potential legal issues, costs, timelines, and staffing demands associated with the item. Staff analysis at the Policy Committee level is limited to the points above as the recommendation, program, or project has not yet been approved to proceed by the full Council.

IV. CONDUCT OF MEETING

A. Comments from the Public

Public comment will be taken in the following order:

- An initial ten-minute period of public comment on non-agenda items, after the commencement of the meeting and immediately after Ceremonial Matters and City Manager Comments.
- Public comment on the Consent and Information Calendars.
- Public comment on action items, appeals and/or public hearings as they are taken up under procedures set forth in the sections governing each below.
- Public comment on non-agenda items from any speakers who did not speak during the first round of non-agenda public comment at the beginning of the meeting.

Speakers are permitted to yield their time to one other speaker, however no one speaker shall have more than four minutes. A speaker wishing to yield their time shall identify themselves, shall be recognized by the chair, and announce publicly their intention to yield their time. Disabled persons shall have priority seating in the front row of the public seating area.

A member of the public may only speak once at public comment on any single item, unless called upon by the Mayor or a Councilmember to answer a specific inquiry.

1. Public Comment on Consent Calendar and Information Items.

The Council will first determine whether to move items on the agenda for “Action” or “Information” to the “Consent Calendar,” or move “Consent Calendar” items to “Action.” Items that remain on the “Consent Calendar” are voted on in one motion as a group. “Information” items are not discussed or acted upon at the Council meeting unless they are moved to “Action” or “Consent.”

The Council will then take public comment on any items that are either on the amended Consent Calendar or the Information Calendar. A speaker may only speak once during the period for public comment on Consent Calendar and Information items. No additional items can be moved onto the Consent Calendar once public comment has commenced.

At any time during, or immediately after, public comment on Information and Consent items, the Mayor or any Councilmember may move any Information or Consent item to “Action.” Following this, the Council will vote on the items remaining on the Consent Calendar in one motion.

For items moved to the Action Calendar from the Consent Calendar or Information Calendar, persons who spoke on the item during the Consent Calendar public comment period may speak again at the time the matter is taken up during the Action Calendar.

2. Public Comment on Action Items.

After the initial ten minutes of public comment on non-agenda items and public comment and action on consent items, the public may comment on each remaining item listed on the agenda for action as the item is taken up.

The Presiding Officer will request that persons wishing to speak, line up at the podium to be recognized and to determine the number of persons interested in speaking at that time.

If ten or fewer persons are interested in speaking, each speaker may speak for two minutes. If there are more than ten persons interested in speaking, the Presiding Officer may limit the public comment for all speakers to one minute per speaker. Speakers are permitted to yield their time to one other speaker, however no one speaker shall have more than four minutes.

This procedure also applies to public hearings except those types of public hearings specifically provided for in this section, below.

3. Appeals Appearing on Action Calendar.

With the exception of appeals from decisions of the Zoning Adjustments Board and Landmarks Preservation Commission, appeals from decisions of City commissions appear on the "Action" section of the Council Agenda. Council determines whether to affirm the action of the commission, set a public hearing, or remand the matter to the commission. Appeals of proposed special assessment liens shall also appear on the "Action" section of the Council Agenda. Appeals from decisions of the Zoning Adjustments Board and Landmarks Preservation Commission are automatically set for public hearing and appear on the "Public Hearings" section of the Council Agenda.

Time shall be provided for public comment for persons representing both sides of the action/appeal and each side will be allocated seven minutes to present their comments on the appeal. Where the appellant is not the applicant, the appellants of a single appeal collectively shall have seven minutes to comment and the applicant shall have seven minutes to comment. If there are multiple appeals filed, each appellant or group of appellants shall have seven minutes to comment. Where the appellant is the applicant, the applicant/appellant shall have seven minutes to comment and the persons supporting the action of the board or commission on appeal shall have seven minutes to comment. In the case of an appeal of proposed special assessment lien, the appellant shall have seven minutes to comment.

After the conclusion of the seven-minute comment periods, members of the public may comment on the appeal. Comments from members of the public regarding appeals shall be limited to one minute per speaker. Any person that addressed the Council during one of the seven-minute periods may not speak again during the public comment period on the appeal. Speakers may yield their time to one other speaker, however, no speaker shall have more than two minutes. Each side shall be informed of this public comment procedure at the time the Clerk notifies the parties of the date the appeal will appear on the Council agenda.

4. Public Comment on Non Agenda Matters.

Immediately following Ceremonial Matters and the City Manager Comments and prior to the Consent Calendar, persons will be selected by lottery to address matters not on the Council agenda. If five or fewer persons submit speaker cards for the lottery, each person selected will be allotted two minutes each. If more than five persons submit speaker cards for the lottery, up to ten persons will be selected to address matters not on the Council agenda and each person selected will be allotted one minute each. Persons wishing to address the Council on matters not on the Council agenda during the initial ten-minute period for such comment, must submit a speaker card to the City Clerk in person at the meeting location and prior to commencement of that meeting.

The remainder of the speakers wishing to address the Council on non-agenda items will be heard at the end of the agenda. Speaker cards are not required for this second round of public comment on non-agenda matters.

Persons submitting speaker cards are not required to list their actual name, however they must list some identifying information or alternate name in order to be called to speak.

For the second round of public comment on non-agenda matters, the Presiding Officer retains the authority to limit the number of speakers by subject. The Presiding Officer will generally request that persons wishing to speak, line up at the podium to be recognized to determine the number of persons interested in speaking at that time. Each speaker will be entitled to speak for two minutes each unless the Presiding Officer determines that one-minute is appropriate given the number of speakers.

Pursuant to this document, no Council meeting shall continue past 11:00 p.m. unless a two-thirds majority of the Council votes to extend the meeting to discuss specified items. If any agenda item remains unfinished at 11:00 p.m. or the expiration of any extension after 11:00 p.m., it will be referred to the Agenda & Rules Committee for scheduling pursuant to Chapter II, Section F. In that event, the meeting shall be automatically extended for up to fifteen (15) minutes for public comment on non-agenda items.

5. Ralph M. Brown Act Pertaining to Public Comments.

The "Brown Act" prohibits the Council from discussing or taking action on an issue raised during Public Comment, unless it is specifically listed on the agenda. However, the Council may refer a matter to the City Manager.

B. Consent Calendar

There shall be a Consent Calendar on all regular meeting agendas on which shall be included those matters which the Mayor, Councilmembers, boards, commissions, City Auditor and City Manager deem to be of such nature that no debate or inquiry will be necessary at the Council meetings. Ordinances for second reading may be included in the Consent Calendar.

It is the policy of the Council that the Mayor or Councilmembers wishing to ask questions concerning Consent Calendar items should ask questions of the contact person identified prior to the Council meeting so that the need for discussion of consent calendar items can be minimized.

Consent Calendar items may be moved to the Action Calendar by the Council. Action items may be reordered at the discretion of the Chair with the consent of Council.

C. Information Reports Called Up for Discussion

Reports for Information designated for discussion at the request of the Mayor or any Councilmember shall be added to the appropriate section of the Action Calendar and may be acted upon at that meeting or carried over as pending business until discussed or withdrawn. The agenda will indicate that at the request of Mayor or any Councilmember a Report for Information may be acted upon by the Council.

D. Written Communications

Written communications from the public will not appear on the Council agenda as individual matters for discussion but will be distributed as part of the Council agenda packet with a cover sheet identifying the author and subject matter and will be listed under "Communications." All such communications must have been received by the City Clerk no later than 5:00 p.m. fifteen days prior to the meeting in order to be included on the agenda.

In instances where an individual forwards more than three pages of email messages not related to actionable items on the Council agenda to the Council to be reproduced in the "Communications" section of the Council packet, the City Clerk will not reproduce the entire email(s) but instead refer the public to the City's website or a hard copy of the email(s) on file in the City Clerk Department.

All communications shall be simply deemed received without any formal action by the Council. The Mayor or a Councilmember may refer a communication to the City Manager for action, if appropriate, or prepare a consent or action item for placement on a future agenda.

Communications related to an item on the agenda that are received after 5:00 p.m. fifteen days before the meeting are published as provided for in Chapter III.C.4.

E. Public Hearings for Land Use, Zoning, Landmarks, and Public Nuisance Matters

The City Council, in setting the time and place for a public hearing, may limit the amount of time to be devoted to public presentations. Staff shall introduce the public hearing item and present their comments.

Following any staff presentation, each member of the City Council shall verbally disclose all ex parte contacts concerning the subject of the hearing. Members shall also submit a report of such contacts in writing prior to the commencement of the hearing. Such reports shall include a brief statement describing the name, date, place, and content of the contact. Written reports shall be available for public review

in the office of the City Clerk prior to the meeting and placed in a file available for public viewing at the meeting.

This is followed by five-minute presentations each by the appellant and applicant. Where the appellant is not the applicant, the appellants of a single appeal collectively shall have five minutes to comment and the applicant shall have five minutes to comment. If there are multiple appeals filed, each appellant or group of appellants shall have five minutes to comment. Where the appellant is the applicant, the applicant/appellant shall have five minutes to comment and the persons supporting the action of the board or commission on appeal shall have five minutes to comment. In the case of a public nuisance determination, the representative(s) of the subject property shall have five minutes to present.

The Presiding Officer will request that persons wishing to speak, line up at the podium to be recognized and to determine the number of persons interested in speaking at that time.

If ten or fewer persons are interested in speaking, each speaker may speak for two minutes. If there are more than ten persons interested in speaking, the Presiding Officer may limit the public comment for all speakers to one minute per speaker. Any person that addressed the Council during one of the five-minute periods may not speak again during the public comment period on the appeal. Speakers are permitted to yield their time to one other speaker, however no one speaker shall have more than four minutes. The Presiding Officer may with the consent of persons representing both sides of an issue allocate a block of time to each side to present their issue.

F. Work Sessions

The City Council may schedule a matter for general Council discussion and direction to staff. Official/formal action on a work session item will be scheduled on a subsequent agenda under the Action portion of the Council agenda.

In general, public comment at Council work sessions will be heard after the staff presentation, for a limited amount of time to be determined by the Presiding Officer.

The Presiding Officer will request that persons wishing to speak, line up at the podium to be recognized and to determine the number of persons interested in speaking at that time. If ten or fewer persons are interested in speaking, each speaker may speak for two minutes. If there are more than ten persons interested in speaking, the Presiding Officer may limit the public comment for all speakers to one minute per speaker. Speakers are permitted to yield their time to one other speaker, however no one speaker shall have more than four minutes.

After Council discussion, if time permits, the Presiding Officer may allow additional public comment. During this time, each speaker will receive one minute. Persons who spoke during the prior public comment time may be permitted to speak again.

H. Protocol

People addressing the Council may first give their name in an audible tone of voice for the record. All remarks shall be addressed to the Council as a body and not to any member thereof. No one other than the Council and the person having the floor shall be permitted to enter into any discussion, either directly or through a member of the Council, without the permission of the Presiding Officer. No question shall be asked of a Councilmember except through the Presiding Officer.

Should the person(s) fail to cease and desist the disruptive conduct, the presiding officer may call a five (5) minute recess to allow the disruptions to cease.

If the meeting cannot be continued due to continued disruptive conduct, the presiding officer may have any law enforcement officer on duty remove or place any person who violates the order and decorum of the meeting under arrest and cause that person to be prosecuted under the provisions of applicable law.

APPENDIX A. POLICY FOR NAMING AND RENAMING PUBLIC FACILITIES

Purpose

To establish a uniform policy regarding the naming and renaming of existing and future parks, streets, pathways and other public facilities.

Objective

- A. To ensure that naming public facilities (such as parks, streets, recreation facilities, pathways, open spaces, public building, bridges or other structures) will enhance the values and heritage of the City of Berkeley and will be compatible with community interest.

Section 1 – Lead Commission

The City Council designates the following commissions as the ‘Lead Commissions’ in overseeing, evaluating, and ultimately advising the Council in any naming or renaming of a public facility. The lead commission shall receive and coordinate comment and input from other Commissions and the public as appropriate.

Board of Library Trustees

Parks and Recreation Commission –Parks, recreation centers, camps, plazas and public open spaces

Public Works Commission –Public buildings (other than recreation centers), streets and bridges or other structures in the public thoroughfare.

Waterfront Commission –Public facilities within the area of the City known as the Waterfront, as described in BMC 3.36.060.B.

Section 2 – General Policy

- A. Newly acquired or developed public facilities shall be named immediately after acquisition or development to ensure appropriate public identity.
- B. No public facility may be named for a living person, but this policy can be overridden with a 2/3 vote of the City Council.
- C. Public facilities that are renamed must follow the same criteria for naming new facilities. In addition, the historical significance and geographical reference of the established name should be considered when weighing and evaluating any name change.
- D. The City encourages the recognition of individuals for their service to the community in ways that include the naming of activities such as athletic events, cultural presentations, or annual festivals, which do not involve the naming or renaming of public facilities.
- E. Unless restricted by covenant, facilities named after an individual should not necessarily be considered a perpetual name.

Section 3 – Criteria for Naming of Public Facilities

When considering the naming of a new public facility or an unnamed portion or feature within an already named public facility (such as a room within the facility or a feature within an established park), or, the renaming of an existing public facility the following criteria shall be applied:

- A. Public Facilities are generally easier to identify by reference to adjacent street names, distinct geographic or environmental features, or primary use activity. Therefore, the preferred practice is to give City-owned property a name of historical or geographical significance and to retain these names.
- B. No public facility may be named for a living person, but this policy can be overridden with a 2/3 vote of the City Council.
- C. The naming of a public facility or any parts thereof in recognition of an individual posthumously may only be considered if the individual had a positive effect on the community and has been deceased for more than 1 year.
- D. When a public facility provides a specific programmatic activity, it is preferred that the activity (e.g. skateboard park, baseball diamond) be included in the name of the park or facility.
- E. When public parks are located adjacent to elementary schools, a name that is the same as the adjacent school shall be considered.
- F. When considering the renaming of an existing public facility, in addition to applying criteria A-E above, proper weight should be given to the fact that: a name lends a site or property authenticity and heritage; existing names are presumed to have historic significance; and historic names give a community a sense of place and identity, continuing through time, and increases the sense of neighborhood and belonging.

Section 4 –Naming Standards Involving a Major Contribution

When a person, group or organization requests the naming or renaming of a public facility, all of the following conditions shall be met:

- A. An honoree will have made a major contribution towards the acquisition and/or development costs of a public facility or a major contribution to the City.
- B. The honoree has a record of outstanding service to their community
- C. Conditions of any donation that specifies that name of a public facility, as part of an agreement or deed, must be approved by the City Council, after review by and upon recommendation of the City Manager.

Section 5 –Procedures for Naming or Renaming of Public Facilities

- A. Any person or organization may make a written application to the City Manager requesting that a public facility or portion thereof, be named or renamed.
 - 1. Recommendations may also come directly of the City Boards or Commissions, the City Council, or City Staff.
- B. The City Manager shall refer the application to the appropriate lead commission as defined in Section 1 of the City’s policy on naming of public facilities, for that commission’s review, facilitation, and recommendation of disposition.
 - 1. The application shall contain the name or names of the persons or organization making the application and the reason for the requested naming or renaming.
- C. The lead commission shall review and consider the application, using the policies and criteria articulated to the City Policy on Naming and Renaming to make a recommendation to Council.
 - 1. All recommendations or suggestion will be given the same consideration without regard to the source of the nomination
- D. The lead commission shall hold a public hearing and notify the general public of any discussions regarding naming or renaming of a public facility.

1. Commission action will be taking at the meeting following any public hearing on the naming or renaming.
- E. The commission's recommendation shall be forwarded to Council for final consideration.

The City of Berkeley Policy for Naming and Renaming Public Facilities was adopted by the Berkeley City Council at the regular meeting of January 31, 2012.

APPENDIX B. GUIDELINES FOR DEVELOPING AND WRITING COUNCIL AGENDA ITEMS

These guidelines are derived from the requirements for Agenda items listed in the Berkeley City Council Rules of Procedure and Order, Chapter III, Sections B(1) and (2), reproduced below. In addition, Chapter III Section C(1)(a) of the Rules of Procedure and Order allows the Agenda & Rules Committee to request that the author of an item provide “additional analysis” if the item as submitted evidences a “significant lack of background or supporting information” or “significant grammatical or readability issues.”

These guidelines provide a more detailed and comprehensive overview of elements of a complete Council item. While not all elements would be applicable to every type of Agenda item, they are intended to prompt authors to consider presenting items with as much relevant information and analysis as possible.

Chapter III, Sections (B)(1) and (2) of Council Rules of Procedure and Order:

2. Agenda items shall contain all relevant documentation, including the following as Applicable:
 - a. A descriptive title that adequately informs the public of the subject matter and general nature of the item or report and action requested;
 - b. Whether the matter is to be presented on the Consent Calendar or the Action Calendar or as a Report for Information;
 - c. Recommendation of the City Manager, if applicable (these provisions shall not apply to Mayor and Council items.);
 - d. Fiscal impacts of the recommendation;
 - e. A description of the current situation and its effects;
 - f. Background information as needed;
 - g. Rationale for recommendation;
 - h. Alternative actions considered;
 - i. For awards of contracts; the abstract of bids and the Affirmative Action Program of the low bidder in those cases where such is required (these provisions shall not apply to Mayor and Council items.);
 - j. Person or persons to contact for further information, with telephone number. If the author of any report believes additional background information, beyond the basic report, is necessary to Council understanding of the subject, a separate compilation of such background information may be developed and copies will be available for Council and for public review in the City Clerk Department, and the City Clerk shall provide limited distribution of such background information depending upon quantity of pages to be duplicated. In such case the agenda item distributed with the packet shall so indicate.

Guidelines for City Council Items:

1. Title
2. Consent/Action/Information Calendar
3. Recommendation
4. Summary Statement/Current situation and its effects
5. Background
6. Review of Existing Plans, Programs, Policies and Laws
7. Actions/Alternatives Considered
8. Consultation/Outreach Overview and Results
9. Rationale for Recommendation
10. Implementation, Administration and Enforcement
11. Environmental Sustainability
12. Fiscal Impacts
13. Outcomes and Evaluation
14. Contact Information
15. Attachments/Supporting Materials

1. Title

A descriptive title that adequately informs the public of the subject matter and general nature of the item or report and action requested.

2. Consent/Action/Information Calendar

Whether the matter is to be presented on the Consent Calendar or the Action Calendar or as a Report for Information.

3. Recommendation

Clear, succinct statement of action(s) to be taken. Recommendations can be further detailed within the item, by specific reference.

Common action options include:

- Adopt first reading of ordinance
- Adopt a resolution
- Referral to the City Manager (City Manager decides if it is a short term referral or is placed on the RRV ranking list)
- Direction to the City Manager (City Manager is directed to execute the recommendation right away, it is not placed on any referral list)
- Referral to a Commission or to a Standing or Ad Hoc Council Committee
- Referral to the budget process
- Send letter of support
- Accept, Approve, Modify or Reject a recommendation from a Commission or Committee
- Designate members of the Council to perform some action

4. Summary Statement/ “Current situation and its effects”

A short resume of the circumstances that give rise to the need for the recommended action(s).

- Briefly state the opportunity/problem/concern that has been identified, and the proposed solution.
- Example (fictional):
Winter rains are lasting longer than expected. Berkeley’s winter shelters are poised to close in three weeks, but forecasts suggest rain for another two months. If they do not remain open until the end of the rainy season, hundreds of people will be left in the rain 24/7. Therefore, this item seeks authorization to keep Berkeley’s winter shelters open until the end of April, and refers to the Budget Process \$40,000 to cover costs of an additional two months of shelter operations.

5. Background

A full discussion of the history, circumstances and concerns to be addressed by the item.

- For the above fictional example, Background would include *information and data about the number and needs of homeless individuals in Berkeley, the number and availability of permanent shelter beds that meet their needs, the number of winter shelter beds that would be lost with closure, the impacts of such closure on this population, the weather forecasts, etc.*

6. Review of Existing Plans, Programs, Policies and Laws

Review, identify and discuss relevant/applicable Plans, Programs, Policies and Laws, and how the proposed actions conform with, compliment, are supported by, differ from or run contrary to them. What gaps were found that need to be filled? What existing policies, programs, plans and laws need to be changed/supplemented/improved/repealed? What is missing altogether that needs to be addressed?

Review of all pertinent/applicable sections of:

- The City Charter
- Berkeley Municipal Code
- Administrative Regulations
- Council Resolutions
- Staff training manuals

Review of all applicable City Plans:

- The General Plan
- Area Plans
- The Climate Action Plan
- Resilience Plan
- Equity Plan

- Capital Improvements Plan
- Zero Waste Plan
- Bike Plan
- Pedestrian Plan
- Other relevant precedents and plans

Review of the City's Strategic Plan

Review of similar legislation previously introduced/passed by Council

Review of County, State and Federal laws/policies/programs/plans, if applicable

7. Actions/Alternatives Considered

- What solutions/measures have **other jurisdictions** adopted that serve as models/cautionary tales?
- What solutions/measures are recommended by **advocates, experts, organizations**?
- What is the range of actions considered, and what are some of their major pros and cons?
- Why were other solutions not as feasible/advisable?

8. Consultation/Outreach Overview and Results

- Review/list external and internal stakeholders that were consulted
 - **External:** constituents, communities, neighborhood organizations, businesses and not for profits, advocates, people with lived experience, faith organizations, industry groups, people/groups that might have concerns about the item, etc.
 - **Internal:** staff who would implement policies, the City Manager and/or deputy CM, Department Heads, City Attorney, Clerk, etc.
- What reports, articles, books, websites and other materials were consulted?
- What was learned from these sources?
- What changes or approaches did they advocate for that were accepted or rejected?

9. Rationale for Recommendation

A clear and concise statement as to whether the item proposes actions that:

- Conform to, clarify or extend existing Plans, Programs, Policies and Laws
- Change/Amend existing Plans, Programs, Policies and Laws in **minor** ways
- Change/Amend existing Plans, Programs, Policies and Laws in **major** ways
- Create an exception to existing Plans, Programs, Policies and Laws
- Reverse/go contrary to or against existing Plans, Programs, Policies and Laws

Argument/summary of argument in support of recommended actions. The argument likely has already been made via the information and analysis already presented,

but should be presented/restated/summarized. Plus, further elaboration of terms for recommendations, if any.

10. Implementation, Administration and Enforcement

Discuss how the recommended action(s) would be implemented, administered and enforced. What staffing (internal or via contractors/consultants) and materials/facilities are likely required for implementation?

11. Environmental Sustainability

Discuss the impacts of the recommended action(s), if any, on the environment and the recommendation's positive and/or negative implications with respect to the City's Climate Action, Resilience, and other sustainability goals.

12. Fiscal Impacts

Review the recommended action's potential to generate funds or savings for the City in the short and long-term, as well as the potential direct and indirect costs.

13. Outcomes and Evaluation

State the specific outcomes expected, if any (i.e., "*it is expected that 100 homeless people will be referred to housing every year*") and what reporting or evaluation is recommended.

(Continued from January 21, 2020)

To: Honorable Mayor and Members of the City Council
From: Dee Williams-Ridley, City Manager
Submitted By: Mark Numainville, City Clerk
Subject: City Council Rules of Procedure and Order Revisions

RECOMMENDATION

Adopt a Resolution revising the City Council Rules of Procedure and Order to integrate the previously adopted regulations for policy committees and make associated changes to other sections; update outdated references and practices; conform to the Open Government Ordinance; make other technical corrections; and rescinding any preceding amendatory resolutions.

POLICY COMMITTEE RECOMMENDATION

On September 16, 2019, the Agenda & Rules Committee adopted the following action: M/S/C (Harrison/Wengraf) to send the item to the City Council with a Positive Recommendation on the proposed amendments to the Rules of Procedure including the changes and edits made at the meeting on pages 10, 11, 14, 20, 21, 22, and 23; and to change “Co-Author” to “Co-Sponsor” throughout; add “Mayor” when using term “Councilmember;” and add a definition for “Primary Author.” The Committee also requested that a standing item be added to the agenda for discussion of further changes to the Rules of Procedure. Vote: All Ayes.

FISCAL IMPACTS OF RECOMMENDATION

None.

CURRENT SITUATION AND ITS EFFECTS

This report and resolution are a response to the need to update the Rules of Procedure (ROP) to incorporate the regulations adopted to govern City Council Policy Committees in Resolution 68,726-N.S. adopted on December 11, 2018. The policy committee resolution was not adopted as an amendment to the ROP in December 2018. In addition, with six months of policy committee meetings completed, the need for amendments to the original policy committee regulations have surfaced. The amendments related to policy committees have ripples throughout the document and required changes to the sections for the Agenda Committee and the legislative process.

Some of the amendments related to policy committees are related to the participation of councilmembers. These amendments are being proposed due to a re-evaluation of the Brown Act's applicability to the policy committee process. After thorough review by the City Attorney's Office, the City Clerk Department, and the Chair of the League of California Cities Brown Act Committee, staff has concluded that new rules limiting participation by councilmembers are required. These changes are located on pages 20-21 of Attachment 2.

Further amendments to the policy committee rules are related to the authority of the Agenda & Rules Committee, calling special meetings of policy committees, responsibilities for shepherding legislation through the committee process, closing loopholes that would delay council items, and the rules for expedited review.

With the significant amendments needed to incorporate policy committees, staff recommends using this update to make other amendments related to the items below.

- Schedule for revised and supplemental materials per the Open Government Ordinance
- Outdated language related to agenda sections and headings
- Changes to the procedure for adding co-sponsors to agenda items
- Clarification regarding public comment on appeals
- Parliamentary clarifications to adhere to Roberts Rules of Order
- Updates related to moving Council meetings to the BUSD Board Room
- Other minor modifications and technical corrections

A fully annotated version of the revised document with all amendments in track changes is in Attachment 2.

BACKGROUND

The City Council Rules of Procedure and Order governs the duties of the Council, the conduct of meetings, the agenda, procedural matters and facilities. The rules have been amended as necessary over time to improve the function of the Agenda Committee and the conduct of City Council meetings.

ENVIRONMENTAL SUSTAINABILITY

There are no identifiable environmental effects or opportunities associated with the subject of this report.

RATIONALE FOR RECOMMENDATION

This update is primarily to incorporate the changes regarding policy committees that were adopted separately in Resolution 68,726-N.S. regarding council policy committees. Other conforming changes and technical updates are also included in this revision.

ALTERNATIVE ACTIONS CONSIDERED

None.

I. DUTIES**A. Duties of Mayor**

The Mayor shall preside at the meetings of the Council and shall preserve strict order and decorum at all regular and special meetings of the Council. The Mayor shall state every question coming before the Council, announce the decision of the Council on all subjects, and decide all questions of order, subject, however, to an appeal to the Council, in which event a majority vote of the Council shall govern and conclusively determine such question of order. In the Mayor's absence, the Vice President of the Council (hereafter referred to as the Vice-Mayor) shall preside.

B. Duties of Councilmembers

Promptly at the hour set by law on the date of each regular meeting, the members of the Council shall take their regular stations in the Council Chambers and the business of the Council shall be taken up for consideration and disposition.

C. Motions to be Stated by Chair

When a motion is made, it may be stated by the Chair or the City Clerk before debate.

D. Decorum by Councilmembers

While the Council is in session, the City Council will practice civility and decorum in their discussions and debate. Councilmembers will value each other's time and will preserve order and decorum. A member shall neither, by conversation or otherwise, delay or interrupt the proceedings of the Council, use personal, impertinent or slanderous remarks, nor disturb any other member while that member is speaking or refuse to obey the orders of the presiding officer or the Council, except as otherwise provided herein.

All Councilmembers have the opportunity to speak and agree to disagree but no Councilmember shall speak twice on any given subject unless all other Councilmembers have been given the opportunity to speak. The Presiding Officer may set limits on the speaking time allotted to Councilmembers during Council discussion.

The presiding officer has the affirmative duty to maintain order. The City Council will honor the role of the presiding officer in maintaining order. If a Councilmember believes the presiding officer is not maintaining order, the Councilmember may move that the Vice-Mayor, or another Councilmember if the Vice-Mayor is acting as the presiding officer at the time, enforce the rules of decorum and otherwise maintain order. If that motion receives a second and is approved by a majority of the Council, the Vice-Mayor, or other designated Councilmember, shall enforce the rules of decorum and maintain order.

E. Voting Disqualification

No member of the Council who is disqualified shall vote upon the matter on which the member is disqualified. Any member shall openly state or have the presiding officer announce the fact and nature of such disqualification in open meeting, and shall not be subject to further inquiry. Where no clearly disqualifying conflict of interest appears, the matter of disqualification may, at the request of the member affected, be

decided by the other members of the Council, by motion, and such decision shall determine such member's right and obligation to vote. A member who is disqualified by conflict of interest in any matter shall not remain in the Chamber during the debate and vote on such matter, but shall request and be given the presiding officer's permission to recuse themselves. Any member having a "remote interest" in any matter as provided in Government Code shall divulge the same before voting.

F. Requests for Technical Assistance and/or Reports

A majority vote of the Council shall be required to direct staff to provide technical assistance, develop a report, initiate staff research, or respond to requests for information or service generated by an individual council member.

II. MEETINGS**A. Call to Order - Presiding Officer**

The Mayor, or in the Mayor's absence, the Vice Mayor, shall take the chair precisely at the hour appointed by the meeting and shall immediately call the Council to order. Upon the arrival of the Mayor, the Vice Mayor shall immediately relinquish the chair. In the absence of the two officers specified in this section, the Councilmember present with the longest period of Council service shall preside.

B. Roll Call

Before the Council shall proceed with the business of the Council, the City Clerk shall call the roll of the members and the names of those present shall be entered in the minutes. The later arrival of any absentee shall also be entered in the minutes.

C. Quorum Call

During the course of the meeting, should the Chair note a Council quorum is lacking, the Chair shall call this fact to the attention of the City Clerk. The City Clerk shall issue a quorum call. If a quorum has not been restored within two minutes of a quorum call, the meeting shall be deemed automatically adjourned.

D. Council Meeting Conduct of Business

The agenda for the regular business meetings shall include the following: Ceremonial Items (including comments from the City Auditor if requested); Comments from the City Manager; Comments from the Public; Consent Calendar; Action Calendar (Appeals, Public Hearings, Continued Business, Old Business, New Business); Information Reports; and Communication from the Public. Presentations and workshops may be included as part of the Action Calendar. The Chair will determine the order in which the item(s) will be heard with the consent of Council.

Upon request by the Mayor or any Councilmember, any item may be moved from the Consent Calendar or Information Calendar to the Action Calendar. Unless there is an objection by the Mayor or any Councilmember, the Council may also move an item from the Action Calendar to the Consent Calendar.

A public hearing that is not expected to be lengthy may be placed on the agenda for a regular business meeting. When a public hearing is expected to be contentious and lengthy and/or the Council's regular meeting schedule is heavily booked, the Agenda & Rules Committee, in conjunction with the staff, will schedule a special meeting exclusively for the public hearing. No other matters shall be placed on the agenda for the special meeting. All public comment will be considered as part of the public hearing and no separate time will be set aside for public comment not related to the public hearing at this meeting.

Except at meetings at which the budget is to be adopted, no public hearing may commence later than 10:00 p.m. unless there is a legal necessity to hold the hearing or make a decision at that meeting or the City Council determines by a two-thirds vote that there is a fiscal necessity to hold the hearing.

E. Adjournment

1. No Council meeting shall continue past 11:00 p.m. unless a two-thirds majority of the Council votes to extend the meeting to discuss specified items; and any motion to extend the meeting beyond 11:00 p.m. shall include a list of specific agenda items to be covered and shall specify in which order these items shall be handled.
2. Any items not completed at a regularly scheduled Council meeting may be continued to an Adjourned Regular Meeting by a two-thirds majority vote of the Council.

F. Unfinished Business

Any items not completed by formal action of the Council, and any items not postponed to a date certain, shall be considered Unfinished Business. All Unfinished Business shall be referred to the Agenda & Rules Committee for scheduling for a Council meeting that occurs within 60 days from the date the item last appeared on a Council agenda. The 60 day period is tolled during a Council recess.

G. City Council Schedule and Recess Periods

Pursuant to the Open Government Ordinance, the City Council shall hold a minimum of twenty-four (24) meetings, or the amount needed to conduct City business in a timely manner, whichever is greater, each calendar year.

Regular meetings of the City Council shall be held generally two to three Tuesdays of each month; the schedule to be established annually by Council resolution taking into consideration holidays and election dates.

Regular City Council meetings shall begin no later than 6:00 p.m.

A recess period is defined as a period of time longer than 21 days without a regular meeting of the Council.

When a recess period occurs, the City Manager is authorized to take such ministerial actions for matters of operational urgency as would normally be taken by the City Council during the period of recess except for those duties specifically reserved to the Council by the Charter, and including such emergency actions as are necessary for the immediate preservation of the public peace, health or safety; the authority to extend throughout the period of time established by the City Council for the period of recess.

The City Manager shall have the aforementioned authority beginning the day after the Agenda & Rules Committee meeting for the last regular meeting before a Council recess and this authority shall extend up to the date of the Agenda & Rules Committee meeting for the first regular meeting after the Council recess.

The City Manager shall make a full and complete report to the City Council at its first regularly scheduled meeting following the period of recess of actions taken by the City Manager pursuant to this section, at which time the City Council may make such findings as may be required and confirm said actions of the City Manager.

H. Pledge of Allegiance to the Flag

At the first meeting of each year following the August recess and at any subsequent meeting if specifically requested before the meeting by any member of the Council in order to commemorate an occasion of national significance, the first item on the Ceremonial Calendar will be the Pledge of Allegiance.

I. Ad Hoc Subcommittees

From time to time the Council or the Mayor may appoint several of its members but fewer than the existing quorum of the present body to serve as an ad hoc subcommittee. Only Councilmembers may be members of the ad hoc subcommittee; however, the subcommittee shall seek input and advice from residents, related commissions, and other groups. Ad Hoc Subcommittees must be reviewed annually by the Council to determine if the subcommittee is to continue.

Upon creation of an ad hoc subcommittee, the Council shall allow it to operate with the following parameters:

1. A specific charge or outline of responsibilities shall be established by the Council.
2. A target date must be established for a report back to the Council.
3. Maximum life of the subcommittee shall be one year, with annual review and possible extension by the Council.

Subcommittees shall conduct their meetings in locations that are open to the public and meet accessibility requirements under the Americans with Disabilities Act. Meetings may be held at privately owned facilities provided that the location is open to all that wish to attend and that there is no requirement for purchase to attend. Agendas for subcommittee meetings must be posted in the same manner as the agendas for regular Council meetings except that subcommittee agendas may be posted with 24-hour notice. The public will be permitted to comment on agenda items but public comments may be limited to one minute if deemed necessary by the Committee Chair. Agendas and minutes of the meetings must be maintained and made available upon request.

Ad hoc subcommittees will be staffed by City Council legislative staff. As part of the ad hoc subcommittee process, City staff will undertake a high-level, preliminary analysis of potential legal issues, costs, timelines, and staffing demands associated with the item(s) under consideration. Staff analysis at ad hoc subcommittees is limited to the points above as the recommendation, program, or project has not yet been approved to proceed by the full Council.

Subcommittees must be comprised of at least two members. If only two members are appointed, then both must be present in order for the subcommittee meeting to be held. In other words, the quorum for a two-member subcommittee is always two.

Ad hoc subcommittees may convene a closed session meeting pursuant to the conditions and regulations imposed by the Brown Act.

III. AGENDA

A. Declaration of Policy

No ordinance, resolution, or item of business shall be introduced, discussed or acted upon before the Council at its meeting without prior thereto its having been published on the agenda of the meeting and posted in accordance with Section III.D.2. Exceptions to this rule are limited to circumstances listed in Section III.D.4.b and items continued from a previous meeting and published on a revised agenda.

For purposes of this section, the terms listed herein shall be defined as follows:

For purposes of this section, appeals shall be considered action items. All information from the City Manager concerning any item to be acted upon by the Council shall be submitted as a report on the agenda and not as an off-agenda memorandum and shall be available for public review, except to the extent such report is privileged and thus confidential such as an attorney client communication concerning a litigation matter. C. Procedure for Bringing Matters Before City Council

1. Persons Who Can Place Matters on the Agenda.

Matters may be placed on the agenda by the Mayor or any Councilmember, the City Manager, the Auditor, or any board/commission/committee created by the City Council. All items, other than board and commission items shall be subject to review by the Agenda & Rules Committee, which shall be a standing committee of the City Council.

The Agenda & Rules Committee shall meet 15 days prior to each City Council meeting and shall approve the agenda of that City Council meeting. Pursuant to BMC Section 1.04.080, if the 15th day prior to the Council meeting falls on a holiday, the Committee will meet the next business day. The Agenda & Rules Committee packet, including a draft agenda and Councilmember, Auditor, and Commission reports shall be distributed by 5:00 p.m. 4 days before the Agenda & Rules Committee meeting.

The Agenda & Rules Committee shall have the powers set forth below.

- a) **Items Authored by the Mayor, a Councilmember, or the Auditor.** As to items authored by the Mayor, a Councilmember, or the Auditor, the Agenda & Rules Committee shall review the item and may recommend that the matter be referred to a commission, to the City Manager, a Policy Committee, or back to the author for adherence to required form or for additional analysis as required in Section III.B.2, or suggest other appropriate action including scheduling the matter for a later meeting to allow for appropriate revisions.

The author of a “referred” item must inform the City Clerk within 24 hours of the adjournment of the Agenda & Rules Committee meeting whether they prefer to: 1) hold the item for a future meeting pending modifications as suggested by the Committee; 2) have the item appear on the Council agenda under consideration as originally submitted; 3) pull the item completely; or 4) re-submit the item with revisions as requested by the Agenda & Rules Committee within 24 hours of the adjournment of the Agenda & Rules Committee meeting for the Council agenda under consideration. Option 2 is not available for items eligible to be referred to a Policy Committee.

In the event that the City Clerk does not receive guidance from the author of the referred item within 24 hours of the Agenda & Rules Committee’s adjournment, the recommendation of the Agenda & Rules Committee will take effect.

Items held for a future meeting to allow for modifications will be placed on the next available Council meeting agenda at the time that the revised version is submitted to the City Clerk.

- b) **Items Authored by the City Manager.** The Agenda & Rules Committee shall review agenda descriptions of items authored by the City Manager. The Committee can recommend that the matter be referred to a commission or back to the City Manager for adherence to required form, additional analysis as required in Section III.B.2, or suggest other appropriate action including scheduling the matter for a later meeting to allow for appropriate revisions.

If the City Manager determines that the matter should proceed notwithstanding the Agenda & Rules Committee's action, it will be placed on the agenda as directed by the Manager. All City Manager items placed on the Council agenda against the recommendation of the Agenda & Rules Committee will automatically be placed on the Action Calendar.

- c) **Items Authored by Boards and Commissions.** Council items submitted by boards and commissions are subject to City Manager review and must follow procedures and timelines for submittal of reports as described in the Commissioners' Manual. The content of commission items is not subject to review by the Agenda & Rules Committee.
- i) For a commission item that does not require a companion report from the City Manager, the Agenda & Rules Committee may act on an agendaized commission report in the following manner:
1. Move a commission report from the Consent Calendar to the Action Calendar or from the Action Calendar to the Consent Calendar.
 2. Re-schedule the commission report to appear on one of the next three regular Council meeting agendas that occur after the regular meeting under consideration. Commission reports submitted in response to a Council referral shall receive higher priority for scheduling.
 3. Allow the item to proceed as submitted.
- ii) For any commission report that requires a companion report, the Agenda & Rules Committee may schedule the item on a Council agenda. The Committee must schedule the the commission item for a meeting occurring not sooner than 60 days and not later than 120 days from the date of the meeting under consideration by the Agenda & Rules Committee. A commission report submitted with a complete companion report may be scheduled pursuant to subparagraph c.i. above.
- d) The Agenda & Rules Committee shall have the authority to re-order the items on the Action Calendar regardless of the default sequence prescribed in Chapter III, Section E.

2. **Scheduling Public Hearings Mandated by State, Federal, or Local Statute.**
The City Clerk may schedule a public hearing at an available time and date in those cases where State, Federal or local statute mandates the City Council hold a public hearing.
3. **Submission of Agenda Items.**
- a) **City Manager Items.** Except for Continued Business and Old Business, as a condition to placing an item on the agenda, agenda items from departments, including agenda items from commissions, shall be furnished to the City Clerk at a time established by the City Manager.
 - b) **Council and Auditor Items.** The deadline for reports submitted by the Auditor, Mayor and City Council is 5:00 p.m. on Monday, 22 days before each Council meeting.
 - c) **Time Critical Items.** A Time Critical item is defined as a matter that is considered urgent by the sponsor and that has a deadline for action that is prior to the next meeting of the Council and for which a report prepared by the City Manager, Auditor, Mayor or Councilmember is received by the City Clerk after established deadlines and is not included on the Agenda & Rules Committee's published agenda.

The author of the report shall bring any reports submitted as Time Critical to the meeting of the Agenda & Rules Committee. Time Critical items must be accompanied by complete reports and statements of financial implications. If the Agenda & Rules Committee finds the matter to meet the definition of Time Critical, the Agenda & Rules Committee may place the matter on the Agenda on either the Consent or Action Calendar.
 - d) The City Clerk may not accept any agenda item after the adjournment of the Agenda & Rules Committee meeting, except for items carried over by the City Council from a prior City Council meeting occurring less than 11 days earlier, which may include supplemental or revised reports, and reports concerning actions taken by boards and commissions that are required by law or ordinance to be presented to the Council within a deadline that does not permit compliance with the agenda timelines in BMC Chapter 2.06 or these rules.
4. **Submission of Supplemental and Revised Agenda Material.**
Berkeley Municipal Code Section 2.06.070 allows for the submission of supplemental and revised agenda material. Supplemental and revised material cannot be substantially new or only tangentially related to an agenda item. Supplemental material must be specifically related to the item in the Agenda Packet. Revised material should be presented as revised versions of the report or item printed in the Agenda Packet. Supplemental and revised material may be submitted for consideration as follows:
- a) Supplemental and revised agenda material shall be submitted to the City Clerk no later than 5:00 p.m. seven calendar days prior to the City Council

meeting at which it is to be considered. Supplemental and revised items that are received by the deadline shall be distributed to Council in a supplemental reports packet and posted to the City's website no later than 5:00 p.m. five calendar days prior to the meeting. Copies of the supplemental packet shall also be made available in the office of the City Clerk and in the main branch of the Berkeley Public Library. Such material may be considered by the Council without the need for a determination that the good of the City clearly outweighs the lack of time for citizen review or City Councilmember evaluation.

- b) Supplemental and revised agenda material submitted to the City Clerk after 5:00 p.m. seven days before the meeting and no later than 12:00 p.m. one day prior to the City Council meeting at which it is to be considered shall be distributed to Council in a supplemental reports packet and posted to the City's website no later than 5:00 p.m. one day prior to the meeting. Copies of the supplemental packet shall also be made available in the office of the City Clerk and in the main branch of the Berkeley Public Library. Such material may be considered by the Council without the need for a determination that the good of the City clearly outweighs the lack of time for citizen review or City Council evaluation.
- c) After 12:00 p.m. one calendar day prior to the meeting, supplemental or revised reports may be submitted for consideration by delivering a minimum of 42 copies of the supplemental/revised material to the City Clerk for distribution at the meeting. Each copy must be accompanied by a completed supplemental/revised material cover page, using the form provided by the City Clerk. Revised reports must reflect a comparison with the original item using track changes formatting. The material may be considered only if the City Council, by a two-thirds roll call vote, makes a factual determination that the good of the City clearly outweighs the lack of time for citizen review or City Councilmember evaluation of the material. Supplemental and revised material must be distributed and a factual determination made prior to the commencement of public comment on the agenda item in order for the material to be considered.

5. Scheduling a Presentation.

Presentations from staff are either submitted as an Agenda Item or are requested by the City Manager. Presentations from outside agencies and the public are coordinated with the Mayor's Office. The Agenda & Rules Committee may adjust the schedule of presentations as needed to best manage the Council Agenda.

D. Packet Preparation and Posting

1. Preparation of the Packet.

Not later than the thirteenth day prior to said meeting, the City Clerk shall prepare the packet, which shall include the agenda plus all its corresponding duplicated agenda items. No item shall be considered if not included in the packet, except as provided for in Section III.C.4 and Section III.D.4.

2. Distribution and Posting of Agenda.

- a) The City Clerk shall post each agenda of the City Council regular meeting no later than 11 days prior to the meeting and shall post each agenda of a special meeting at least 24 hours in advance of the meeting in the official bulletin board. - b) Matters not included on the published agenda may be discussed and acted upon as otherwise authorized by State law or providing the Council finds one of the following conditions is met:
 - A majority of the Council determines that the subject meets the criteria of "Emergency" as defined in Section III.B.5.
 - Two thirds of the Council determines that there is a need to take immediate action and that the need for action came to the attention of the City subsequent to the posting of the agenda as required by law.
- c) Matters listed on the printed agenda but for which supporting materials are not received by the City Council on the eleventh day prior to said meeting as part of the agenda packet, shall not be discussed or acted upon.

The Council agenda for a regular business meeting is to be arranged in the following order:

1. Preliminary Matters: (Ceremonial, Comments from the City Manager, Comments from the City Auditor, Non-Agenda Public Comment)
2. Consent Calendar
3. Action Calendar
 - a) Appeals

Action items may be reordered at the discretion of the Chair with the consent of Council.

The Agenda & Rules Committee shall have the authority to re-order the items on the Action Calendar regardless of the default sequence prescribed in this section.

F. Closed Session Documents

This section establishes a policy for the distribution of, and access to, confidential closed session documents by the Mayor and Members of the City Council.

1. Confidential closed session materials shall be kept in binders numbered from one to nine and assigned to the Mayor (#9) and each Councilmember (#1 to #8 by district). The binders will contain confidential closed session materials related to Labor Negotiations, Litigation, and Real Estate matters.
2. The binders will be maintained by City staff and retained in the Office of the City Attorney in a secure manner. City staff will bring the binders to each closed session for their use by the Mayor and Councilmembers. At other times, the binders will be available to the Mayor and Councilmembers during regular business hours for review in the City Attorney's Office. The binders may not be removed from the City Attorney's Office or the location of any closed session meeting by the Mayor or Councilmembers. City staff will collect the binders at the end of each closed session meeting and return them to the City Attorney's Office.

3. Removal of confidential materials from a binder is prohibited.
4. Duplication of the contents of a binder by any means is prohibited.
5. Confidential materials shall be retained in the binders for at least two years.
6. This policy does not prohibit the distribution of materials by staff to the Mayor and Councilmembers in advance of a closed session or otherwise as needed, but such materials shall also be included in the binders unless it is impracticable to do so.

G. Regulations Governing City Council Policy Committees

1. Legislative Item Process

All agenda items begin with submission to the Agenda & Rules Committee.

Full Council Track

Items under this category are exempt from Agenda & Rules Committee discretion to refer them to a Policy Committee. Items in this category may be submitted for the agenda of any scheduled regular meeting pursuant to established deadlines (same as existing deadlines). Types of Full Council Track items are listed below.

- a. Items submitted by the City Manager and City Auditor
- b. Items submitted by Boards and Commissions
- c. Resolutions on Legislation and Electoral Issues relating to Outside Agencies/Jurisdictions
- d. Position Letters and/or Resolutions of Support/Opposition
- e. Donations from the Mayor and Councilmember District Office Budgets
- f. Referrals to the Budget Process
- g. Proclamations
- h. Sponsorship of Events
- i. Information Reports
- j. Presentations from Outside Agencies and Organizations
- k. Ceremonial Items
- l. Committee and Regional Body Appointments

The Agenda & Rules Committee has discretion to determine if an item submitted by the Mayor or a Councilmember falls under a Full Council Track exception or if it will be processed as a Policy Committee Track item. If an item submitted by the Mayor or a Councilmember has 1) a significant lack of background or supporting information, or 2) significant grammatical or readability issues the Agenda & Rules committee may refer the item to a Policy Committee.

Policy Committee Track

Items submitted by the Mayor or Councilmembers with moderate to significant administrative, operational, budgetary, resource, or programmatic impacts will go first to the Agenda & Rules Committee on a draft City Council agenda.

The Agenda & Rules Committee must refer an item to a Policy Committee at the first meeting that the item appears before the Agenda & Rules Committee. The Agenda & Rules Committee may only assign the item to a single Policy Committee.

For a Policy Committee Track item, the Agenda & Rules Committee, at its discretion, may either route item directly to 1) the agenda currently under consideration, 2) one of the next three full Council Agendas (based on completeness of the item, lack of potential controversy, minimal impacts, etc.), or 3) to a Policy Committee.

Time Critical Track

A Time Critical item is defined as a matter that is considered urgent by the sponsor and that has a deadline for action that is prior to the next meeting of the Council and for which a report prepared by the Mayor or Councilmember is received by the City Clerk after established deadlines and is not included on the Agenda & Rules Committee's published agenda.

The Agenda & Rules Committee retains final discretion to determine the time critical nature of an item.

- a) Time Critical items submitted on the Full Council Track deadlines, that would otherwise be assigned to the Policy Committee Track, may bypass Policy Committee review if determined to be time critical. If such an item is deemed not to be time critical, it may be referred to a Policy Committee.
- b) Time Critical items on the Full Council Track or Policy Committee Track that are submitted at a meeting of the Agenda & Rules Committee may go directly on a council agenda if determined to be time critical.

2. Council Referrals to Committees

The full Council may refer any agenda item to a Policy Committee by majority vote.

3. Participation Rules for Policy Committees Pursuant to the Brown Act

- a. The quorum of a three-member Policy Committee is always two members. A majority vote of the committee (two 'yes' votes) is required to pass a motion.
- b. Two Policy Committee members may not discuss any item that has been referred to the Policy Committee outside of an open and noticed meeting.
- c. Notwithstanding paragraph (b) above, two members of a Policy Committee may co-author an item provided that one of the authors will not serve as a committee member for consideration of the item, and shall not participate in the committee's discussion of, or action on the item. For purposes of the item, the appointed

- alternate will serve as a committee member in place of the non-participating co-author.
- d. All three members of a Policy Committee may not be co-authors of an item that will be heard by the committee.
 - e. Only one co-author who is not a member of the Policy Committee may attend the committee meeting to participate in discussion of the item.
 - f. If two or more non-committee members are present for any item or meeting, then all non-committee members may act only as observers and may not participate in discussion. If an author is present to participate in the discussion of their item, no other Councilmembers, nor the Mayor, may attend as observers.
 - g. An item may be considered by only one Policy Committee before it goes to the full Council.

4. Functions of the Committees

Committees shall have the following qualities/components:

- a. All committees are Brown Act bodies with noticed public meetings and public comment. Regular meeting agendas will be posted at least 72 hours in advance of the meeting.
- b. Minutes shall be available online.
- c. Committees shall adopt regular meeting schedules, generally meeting once or twice per month; special meetings may be called when necessary, in accordance with the Brown Act.
- d. Generally, meetings will be held at 2180 Milvia Street in publicly accessible meeting rooms that can accommodate the committee members, public attendees, and staff.
- e. Members are recommended by the Mayor and approved by the full Council no later than January 31 of each year. Members continue to serve until successors are appointed and approved.
- f. Chairs are elected by the Committee at the first regular meeting of the Committee after the annual approval of Committee members by the City Council. In the absence of the Chair, the committee member with the longest tenure on the Council will preside.
- g. The Chair, or a quorum of the Committee may call a meeting or cancel a meeting of the Policy Committee.
- h. Committees will review items for completeness in accordance with Section III.B.2 of the City Council Rules of Procedure and Order and alignment with Strategic Plan goals.
- i. Reports leaving a Policy Committee must adequately include budget implications, administrative feasibility, basic legal concerns, and staff resource demands in order to allow for informed consideration by the full Council.
- j. Per Brown Act regulations, any such materials must be direct revisions or supplements to the item that was published in the agenda packet.

III. AGENDA

Items referred to a Policy Committee from the Agenda & Rules Committee or from the City Council must be agendized for a committee meeting within 60 days of the referral date.

Within 120 days of the referral date, the committee must vote to either (1) accept the author's request that the item remain in committee until a date certain (more than one extension may be requested by the author); or (2) send the item to the Agenda & Rules Committee to be placed on a Council Agenda with a Committee recommendation consisting of one of the four options listed below.

1. Positive Recommendation (recommending Council pass the item as proposed),
2. Qualified Positive Recommendation (recommending Council pass the item with some changes),
3. Qualified Negative Recommendation (recommending Council reject the item unless certain changes are made) or
4. Negative Recommendation (recommending the item not be approved).

The Policy Committee's recommendation will be included in a separate section of the report template for that purpose.

A Policy Committee may not refer an item under its consideration to a city board or commission.

The original Council author of an item referred to a Policy Committee is responsible for revisions and resubmission of the item back to the full Council. Items originating from the City Manager are revised and submitted by the appropriate city staff. Items from Commissions are revised and resubmitted by the members of the Policy Committee. Items and Recommendations originating from the Policy Committee are submitted to the agenda process by the members of the committee.

If a Policy Committee does not take final action by the 120-day deadline, the item is returned to the Agenda & Rules Committee and appears on the next available Council agenda. The Agenda & Rules Committee may leave the item on the agenda under consideration or place it on the next Council agenda. Items appearing on a City Council agenda due to lack of action by a Policy Committee may not be referred to a Policy Committee and must remain on the full Council agenda for consideration.

Non-legislative or discussion items may be added to the Policy Committee agenda by members of the Committee with the concurrence of a quorum of the Committee. These items are not subject to the 120-day deadline for action.

Once the item is voted out of a Policy Committee, the final item will be resubmitted to the agenda process by the author, and it will return to the Agenda & Rules Committee on the

next available agenda. The Agenda & Rules Committee may leave the item on the agenda under consideration or place it on the following Council agenda. Only items that receive a Positive Recommendation can be placed on the Consent Calendar.

The lead author may request expedited committee review for items referred to a committee. Criteria for expedited review is generally to meet a deadline for action (e.g. grant deadline, specific event date, etc.). If the committee agrees to the request, the deadline for final committee action is 45 days from the date the committee approves expedited review.

5. Number and Make-up of Committees

Six committees are authorized, each comprised of three Councilmembers with a fourth Councilmember appointed as an alternate. Each Councilmember and the Mayor will serve on two committees. The Mayor shall be a member of the Agenda and Rules Committee. The committees are as follows:

1. Agenda and Rules Committee
2. Budget and Finance Committee
3. Facilities, Infrastructure, Transportation, Environment, and Sustainability
4. Health, Life Enrichment, Equity, and Community
5. Land Use, Housing, and Economic Development
6. Public Safety

The Agenda & Rules Committee shall establish the Policy Committee topic groupings, and may adjust said groupings periodically thereafter in order to evenly distribute expected workloads of various committees.

All standing Policy Committees of the City Council are considered “legislative bodies” under the Brown Act and must conduct all business in accordance with the Brown Act.

6. Role of City Staff at Committee Meetings

Committees will be staffed by appropriate City Departments and personnel. As part of the committee process, staff will undertake a high-level, preliminary analysis of potential legal issues, costs, timelines, and staffing demands associated with the item. Staff analysis at the Policy Committee level is limited to the points above as the recommendation, program, or project has not yet been approved to proceed by the full Council.

IV. CONDUCT OF MEETING**A. Comments from the Public**

Public comment will be taken in the following order:

- An initial ten-minute period of public comment on non-agenda items, after the commencement of the meeting and immediately after Ceremonial Matters and City Manager Comments.
- Public comment on the Consent and Information Calendars.
- Public comment on action items, appeals and/or public hearings as they are taken up under procedures set forth in the sections governing each below.
- Public comment on non-agenda items from any speakers who did not speak during the first round of non-agenda public comment at the beginning of the meeting.

Speakers are permitted to yield their time to one other speaker, however no one speaker shall have more than four minutes. A speaker wishing to yield their time shall identify themselves, shall be recognized by the chair, and announce publicly their intention to yield their time. Disabled persons shall have priority seating in the front row of the public seating area.

A member of the public may only speak once at public comment on any single item, unless called upon by the Mayor or a Councilmember to answer a specific inquiry.

1. Public Comment on Consent Calendar and Information Items.

The Council will first determine whether to move items on the agenda for “Action” or “Information” to the “Consent Calendar,” or move “Consent Calendar” items to “Action.” Items that remain on the “Consent Calendar” are voted on in one motion as a group. “Information” items are not discussed or acted upon at the Council meeting unless they are moved to “Action” or “Consent.”

The Council will then take public comment on any items that are either on the amended Consent Calendar or the Information Calendar. A speaker may only speak once during the period for public comment on Consent Calendar and Information items. No additional items can be moved onto the Consent Calendar once public comment has commenced.

At any time during, or immediately after, public comment on Information and Consent items, the Mayor or any Councilmember may move any Information or Consent item to “Action.” Following this, the Council will vote on the items remaining on the Consent Calendar in one motion.

For items moved to the Action Calendar from the Consent Calendar or Information Calendar, persons who spoke on the item during the Consent Calendar public comment period may speak again at the time the matter is taken up during the Action Calendar.

2. Public Comment on Action Items.

After the initial ten minutes of public comment on non-agenda items and public comment and action on consent items, the public may comment on each remaining item listed on the agenda for action as the item is taken up.

The Presiding Officer will request that persons wishing to speak, line up at the podium to be recognized and to determine the number of persons interested in speaking at that time.

If ten or fewer persons are interested in speaking, each speaker may speak for two minutes. If there are more than ten persons interested in speaking, the Presiding Officer may limit the public comment for all speakers to one minute per speaker. Speakers are permitted to yield their time to one other speaker, however no one speaker shall have more than four minutes.

This procedure also applies to public hearings except those types of public hearings specifically provided for in this section.

3. Appeals Appearing on Action Calendar.

With the exception of appeals from decisions of the Zoning Adjustments Board and Landmarks Preservation Commission, appeals from decisions of City commissions appear on the "Action" section of the Council Agenda. Council determines whether to affirm the action of the commission, set a public hearing, or remand the matter to the commission. Appeals of proposed special assessment liens shall also appear on the "Action" section of the Council Agenda. Appeals from decisions of the Zoning Adjustments Board and Landmarks Preservation Commission are automatically set for public hearing and appear on the "Public Hearings" section of the Council Agenda.

Time shall be provided for public comment for persons representing both sides of the action/appeal and each side will be allocated seven minutes to present their comments on the appeal. Where the appellant is not the applicant, the appellants of a single appeal collectively shall have seven minutes to comment and the applicant shall have seven minutes to comment. If there are multiple appeals filed, each appellant or group of appellants shall have seven minutes to comment. Where the appellant is the applicant, the applicant/appellant shall have seven minutes to comment and the persons supporting the action of the board or commission on appeal shall have seven minutes to comment. In the case of an appeal of proposed special assessment lien, the appellant shall have seven minutes to comment.

After the conclusion of the seven-minute comment periods, members of the public may comment on the appeal. Comments from members of the public regarding appeals shall be limited to one minute per speaker. Any person that addressed the Council during one of the seven-minute periods may not speak again during the public comment period on the appeal. Speakers may yield their time to one other speaker, however, no speaker shall have more than two minutes. Each side shall be informed of this public comment procedure at the time the Clerk notifies the parties of the date the appeal will appear on the Council agenda.

4. Public Comment on Non Agenda Matters.

Immediately following Ceremonial Matters and the City Manager Comments and prior to the Consent Calendar, persons will be selected by lottery to address matters not on the Council agenda. If five or fewer persons submit speaker cards for the lottery, each person selected will be allotted two minutes each. If more than five persons submit speaker cards for the lottery, up to ten persons will be selected to address matters not on the Council agenda and each person selected will be allotted one minute each. Persons wishing to address the Council on matters not on the Council agenda during the initial ten-minute period for such comment, must submit a speaker card to the City Clerk in person at the meeting location and prior to commencement of that meeting.

The remainder of the speakers wishing to address the Council on non-agenda items will be heard at the end of the agenda. Speaker cards are not required for this second round of public comment on non-agenda matters.

Persons submitting speaker cards are not required to list their actual name, however they must list some identifying information or alternate name in order to be called to speak.

For the second round of public comment on non-agenda matters, the Presiding Officer retains the authority to limit the number of speakers by subject. The Presiding Officer will generally request that persons wishing to speak, line up at the podium to be recognized to determine the number of persons interested in speaking at that time. Each speaker will be entitled to speak for two minutes each unless the Presiding Officer determines that one-minute is appropriate given the number of speakers.

Pursuant to this document, no Council meeting shall continue past 11:00 p.m. unless a two-thirds majority of the Council votes to extend the meeting to discuss specified items. If any agenda item remains unfinished at 11:00 p.m. or the expiration of any extension after 11:00 p.m., it will be referred to the Agenda & Rules Committee for scheduling pursuant to Chapter II, Section F. In that event, the meeting shall be automatically extended for up to fifteen (15) minutes for public comment on non-agenda items.

5. Ralph M. Brown Act Pertaining to Public Comments.

The "Brown Act" prohibits the Council from discussing or taking action on an issue raised during Public Comment, unless it is specifically listed on the agenda. However, the Council may refer a matter to the City Manager.

B. Consent Calendar

There shall be a Consent Calendar on all regular meeting agendas on which shall be included those matters which the Mayor, Councilmembers, boards, commissions, City Auditor and City Manager deem to be of such nature that no debate or inquiry will be necessary at the Council meetings. Ordinances for second reading may be included in the Consent Calendar.

It is the policy of the Council that the Mayor or Councilmembers wishing to ask questions concerning Consent Calendar items should ask questions of the contact person identified prior to the Council meeting so that the need for discussion of consent calendar items can be minimized.

Consent Calendar items may be moved to the Action Calendar by the Council. Action items may be reordered at the discretion of the Chair with the consent of Council.

C. Information Reports Called Up for Discussion

Reports for Information designated for discussion at the request of the Mayor or any Councilmember shall be added to the appropriate section of the Action Calendar and may be acted upon at that meeting or carried over as pending business until discussed or withdrawn. The agenda will indicate that at the request of Mayor or any Councilmember a Report for Information may be acted upon by the Council.

D. Communications

Letters from the public will not appear on the Council agenda as individual matters for discussion but will be distributed as part of the Council agenda packet with a cover sheet identifying the author and subject matter and will be listed under "Communications." All such communications must have been received by the City Clerk no later than 5:00 p.m. fifteen days prior to the meeting in order to be included on the agenda.

In instances where an individual forwards more than three pages of email messages not related to actionable items on the Council agenda to the Council to be reproduced in the "Communications" section of the Council packet, the City Clerk will not reproduce the entire email(s) but instead refer the public to the City's website or a hard copy of the email(s) on file in the City Clerk Department.

All communications shall be simply deemed received without any formal action by the Council. The Mayor or a Councilmember may refer a communication to the City Manager for action, if appropriate, or prepare a consent or action item for placement on a future agenda.

Communications related to an item on the agenda that are received after 5:00 p.m. fifteen days before the meeting are published as provided for in Chapter III.C.4.

E. Public Hearings for Land Use, Zoning, Landmarks, and Public Nuisance Matters

The City Council, in setting the time and place for a public hearing, may limit the amount of time to be devoted to public presentations. Staff shall introduce the public hearing item and present their comments.

Following any staff presentation, each member of the City Council shall verbally disclose all ex parte contacts concerning the subject of the hearing. Members shall also submit a report of such contacts in writing prior to the commencement of the hearing. Such reports shall include a brief statement describing the name, date, place, and content of the contact. Written reports shall be available for public review

in the office of the City Clerk prior to the meeting and placed in a file available for public viewing at the meeting.

This is followed by five-minute presentations each by the appellant and applicant. Where the appellant is not the applicant, the appellants of a single appeal collectively shall have five minutes to comment and the applicant shall have five minutes to comment. If there are multiple appeals filed, each appellant or group of appellants shall have five minutes to comment. Where the appellant is the applicant, the applicant/appellant shall have five minutes to comment and the persons supporting the action of the board or commission on appeal shall have five minutes to comment. In the case of a public nuisance determination, the representative(s) of the subject property shall have five minutes to present.

The Presiding Officer will request that persons wishing to speak, line up at the podium to be recognized and to determine the number of persons interested in speaking at that time.

If ten or fewer persons are interested in speaking, each speaker may speak for two minutes. If there are more than ten persons interested in speaking, the Presiding Officer may limit the public comment for all speakers to one minute per speaker. Any person that addressed the Council during one of the five-minute periods may not speak again during the public comment period on the appeal. Speakers are permitted to yield their time to one other speaker, however no one speaker shall have more than four minutes. The Presiding Officer may with the consent of persons representing both sides of an issue allocate a block of time to each side to present their issue.

F. Work Sessions

The City Council may schedule a matter for general Council discussion and direction to staff. Official/formal action on a work session item will be scheduled on a subsequent agenda under the Action portion of the Council agenda.

In general, public comment at Council work sessions will be heard after the staff presentation, for a limited amount of time to be determined by the Presiding Officer.

The Presiding Officer will request that persons wishing to speak, line up at the podium to be recognized and to determine the number of persons interested in speaking at that time. If ten or fewer persons are interested in speaking, each speaker may speak for two minutes. If there are more than ten persons interested in speaking, the Presiding Officer may limit the public comment for all speakers to one minute per speaker. Speakers are permitted to yield their time to one other speaker, however no one speaker shall have more than four minutes.

After Council discussion, if time permits, the Presiding Officer may allow additional public comment. During this time, each speaker will receive one minute. Persons who spoke during the prior public comment time may be permitted to speak again.

H. Protocol

People addressing the Council may first give their name in an audible tone of voice for the record. All remarks shall be addressed to the Council as a body and not to any member thereof. No one other than the Council and the person having the floor shall be permitted to enter into any discussion, either directly or through a member of the Council, without the permission of the Presiding Officer. No question shall be asked of a Councilmember except through the Presiding Officer.

Any written communications addressed to the Council shall be delivered to the City Clerk for distribution to the Council.

C. Enforcement of Decorum

When the public demonstrates a lack of order and decorum, the presiding officer shall call for order and inform the person(s) that the conduct is violating the Rules of Order and Procedure and provide a warning to the person(s) to cease the disruptive behavior. Should the person(s) fail to cease and desist the disruptive conduct, the presiding officer may call a five (5) minute recess to allow the disruptions to cease.

If the meeting cannot be continued due to continued disruptive conduct, the presiding officer may have any law enforcement officer on duty remove or place any person who violates the order and decorum of the meeting under arrest and cause that person to be prosecuted under the provisions of applicable law.

4. For the previous question,
5. To postpone to a certain day,
6. To refer,

3. Interruptions.

A member, once recognized, shall not be interrupted when speaking unless it is to call a member to order, or as herein otherwise provided. If a member, while speaking, were called to order, that member shall cease speaking until the question of order is determined, and, if in order, the member shall be permitted to proceed.

4. Privilege of Closing Debate.

When a motion to call a question is passed, the Mayor or Councilmember moving adoption of an ordinance, resolution or other action shall have three minutes to conclude the debate.

5. Motion to Reconsider.

A motion to reconsider any action taken by the Council may be made only during the same session such action is taken. It may be made either immediately during the same session, or at a recessed or adjourned session thereof. Such motion must be made by a member on the prevailing side, and may be made at any time and have precedence over all other motions or while a member has the floor; it shall be debatable. Nothing herein shall be construed to prevent any member of the Council from making or remaking the same or other motion at a subsequent meeting of the Council.

 - a) A motion to extend consideration which, if passed, shall commence a new twenty-minute period for consideration; or
 - b) If there are one or more motions on the floor, the previous question, which, if passed, shall require an immediate vote on pending motions.
2. The time limit set forth in subparagraph 1 hereof shall not be applicable to any public hearing, public discussion, Council discussion or other especially set matter for which a period of time has been specified (in which case such specially set time shall be the limit for consideration) or which by applicable law (e.g. hearings of appeals, etc.), the matter must proceed to its conclusion.
3. In the interest of expediting the business of the City, failure by the Chair or any Councilmember to call attention to the expiration of the time allowed for consideration of a matter, by point of order or otherwise, shall constitute unanimous consent to the continuation of consideration of the matter beyond the allowed time; provided, however, that the Chair or any Councilmember may at any time thereafter call attention to the expiration of the time allowed, in which case the Council shall proceed to the next item of business, unless one of the motions referred to in Section D hereof is made and is passed.

H. Motion to Lay on Table

A motion to lay on the table shall preclude all amendments or debate of the subject under consideration. If the motion shall prevail, the consideration of the subject may be resumed only upon a motion of a member voting with the majority and with consent of two-thirds of the members present.

I. Division of Question

If the question contains two or more propositions, which can be divided, the presiding officer may, and upon request of a member shall, divide the same.

VI.FACILITIES

A. Council Chamber Capacity

Attendance at council meetings shall be limited to the posted seating capacity of the meeting location. Entrance to the meeting location will be appropriately regulated by the City Manager on occasions when capacity is likely to be exceeded. While the Council is in session, members of the public shall not remain standing in the meeting room except to address the Council, and sitting on the floor shall not be permitted.

B. Alternate Facilities for Council Meetings

The City Council shall approve in advance a proposal that a Council meeting be held at a facility other than the School District Board Room.

If the City Manager has reason to anticipate that the attendance for a meeting will be substantially greater than the capacity of the Board Room and insufficient time exists to secure the approval of the City Council to hold the meeting at an alternate facility, the City Manager shall make arrangements for the use of a suitable alternate facility to which such meeting may be recessed and moved, if the City Council authorizes the action.

If a suitable alternate facility is not available, the City Council may reschedule the matter to a date when a suitable alternate facility will be available.

Alternate facilities are to be selected from those facilities previously approved by the City Council as suitable for meetings away from the Board Room.

C. Signs, Objects, and Symbolic Materials

Objects and symbolic materials such as signs which do not have sticks or poles attached or otherwise create any fire or safety hazards will be allowed within the meeting location during Council meetings.

D. Fire Safety

Hand carried items must be stored so that such items do not inhibit passage in aisles or other exit ways. Attendees are strictly prohibited from sitting in aisles and/or exit ways. Exit ways shall not be used in any way that will present a hazardous condition.

E. Overcrowding

Admittance of persons beyond the approved capacity of a place of assembly is prohibited. When the meeting location has reached the posted maximum capacity, additional attendees shall be directed to the designated overflow area.

APPENDIX A. POLICY FOR NAMING AND RENAMING PUBLIC FACILITIES

Purpose

To establish a uniform policy regarding the naming and renaming of existing and future parks, streets, pathways and other public facilities.

Objective

- A. To ensure that naming public facilities (such as parks, streets, recreation facilities, pathways, open spaces, public building, bridges or other structures) will enhance the values and heritage of the City of Berkeley and will be compatible with community interest.

Section 1 – Lead Commission

The City Council designates the following commissions as the ‘Lead Commissions’ in overseeing, evaluating, and ultimately advising the Council in any naming or renaming of a public facility. The lead commission shall receive and coordinate comment and input from other Commissions and the public as appropriate.

Board of Library Trustees

Parks and Recreation Commission –Parks, recreation centers, camps, plazas and public open spaces

Public Works Commission –Public buildings (other than recreation centers), streets and bridges or other structures in the public thoroughfare.

Waterfront Commission –Public facilities within the area of the City known as the Waterfront, as described in BMC 3.36.060.B.

Section 2 – General Policy

- A. Newly acquired or developed public facilities shall be named immediately after acquisition or development to ensure appropriate public identity.
- B. No public facility may be named for a living person, but this policy can be overridden with a 2/3 vote of the City Council.
- C. Public facilities that are renamed must follow the same criteria for naming new facilities. In addition, the historical significance and geographical reference of the established name should be considered when weighing and evaluating any name change.
- D. The City encourages the recognition of individuals for their service to the community in ways that include the naming of activities such as athletic events, cultural presentations, or annual festivals, which do not involve the naming or renaming of public facilities.
- E. Unless restricted by covenant, facilities named after an individual should not necessarily be considered a perpetual name.

Section 3 – Criteria for Naming of Public Facilities

When considering the naming of a new public facility or an unnamed portion or feature within an already named public facility (such as a room within the facility or a feature within an established park), or, the renaming of an existing public facility the following criteria shall be applied:

- A. Public Facilities are generally easier to identify by reference to adjacent street names, distinct geographic or environmental features, or primary use activity. Therefore, the preferred practice is to give City-owned property a name of historical or geographical significance and to retain these names.
- B. No public facility may be named for a living person, but this policy can be overridden with a 2/3 vote of the City Council.
- C. The naming of a public facility or any parts thereof in recognition of an individual posthumously may only be considered if the individual had a positive effect on the community and has been deceased for more than 1 year.
- D. When a public facility provides a specific programmatic activity, it is preferred that the activity (e.g. skateboard park, baseball diamond) be included in the name of the park or facility.
- E. When public parks are located adjacent to elementary schools, a name that is the same as the adjacent school shall be considered.
- F. When considering the renaming of an existing public facility, in addition to applying criteria A-E above, proper weight should be given to the fact that: a name lends a site or property authenticity and heritage; existing names are presumed to have historic significance; and historic names give a community a sense of place and identity, continuing through time, and increases the sense of neighborhood and belonging.

Section 4 –Naming Standards Involving a Major Contribution

When a person, group or organization requests the naming or renaming of a public facility, all of the following conditions shall be met:

- A. An honoree will have made a major contribution towards the acquisition and/or development costs of a public facility or a major contribution to the City.
- B. The honoree has a record of outstanding service to their community
- C. Conditions of any donation that specifies that name of a public facility, as part of an agreement or deed, must be approved by the City Council, after review by and upon recommendation of the City Manager.

Section 5 –Procedures for Naming or Renaming of Public Facilities

- A. Any person or organization may make a written application to the City Manager requesting that a public facility or portion thereof, be named or renamed.
 - 1. Recommendations may also come directly of the City Boards or Commissions, the City Council, or City Staff.
- B. The City Manager shall refer the application to the appropriate lead commission as defined in Section 1 of the City's policy on naming of public facilities, for that commission's review, facilitation, and recommendation of disposition.
 - 1. The application shall contain the name or names of the persons or organization making the application and the reason for the requested naming or renaming.
- C. The lead commission shall review and consider the application, using the policies and criteria articulated to the City Policy on Naming and Renaming to make a recommendation to Council.
 - 1. All recommendations or suggestion will be given the same consideration without regard to the source of the nomination
- D. The lead commission shall hold a public hearing and notify the general public of any discussions regarding naming or renaming of a public facility.

1. Commission action will be taking at the meeting following any public hearing on the naming or renaming.
- E. The commission's recommendation shall be forwarded to Council for final consideration.

The City of Berkeley Policy for Naming and Renaming Public Facilities was adopted by the Berkeley City Council at the regular meeting of January 31, 2012.

APPENDIX B. GUIDELINES FOR DEVELOPING AND WRITING COUNCIL AGENDA ITEMS

These guidelines are derived from the requirements for Agenda items listed in the Berkeley City Council Rules of Procedure and Order, Chapter III, Sections B(1) and (2), reproduced below. In addition, Chapter III Section C(1)(a) of the Rules of Procedure and Order allows the Agenda & Rules Committee to request that the author of an item provide “additional analysis” if the item as submitted evidences a “significant lack of background or supporting information” or “significant grammatical or readability issues.”

These guidelines provide a more detailed and comprehensive overview of elements of a complete Council item. While not all elements would be applicable to every type of Agenda item, they are intended to prompt authors to consider presenting items with as much relevant information and analysis as possible.

Chapter III, Sections (B)(1) and (2) of Council Rules of Procedure and Order:

2. Agenda items shall contain all relevant documentation, including the following as Applicable:
 - a. A descriptive title that adequately informs the public of the subject matter and general nature of the item or report and action requested;
 - b. Whether the matter is to be presented on the Consent Calendar or the Action Calendar or as a Report for Information;
 - c. Recommendation of the City Manager, if applicable (these provisions shall not apply to Mayor and Council items.);
 - d. Fiscal impacts of the recommendation;
 - e. A description of the current situation and its effects;
 - f. Background information as needed;
 - g. Rationale for recommendation;
 - h. Alternative actions considered;
 - i. For awards of contracts; the abstract of bids and the Affirmative Action Program of the low bidder in those cases where such is required (these provisions shall not apply to Mayor and Council items.);
 - j. Person or persons to contact for further information, with telephone number. If the author of any report believes additional background information, beyond the basic report, is necessary to Council understanding of the subject, a separate compilation of such background information may be developed and copies will be available for Council and for public review in the City Clerk Department, and the City Clerk shall provide limited distribution of such background information depending upon quantity of pages to be duplicated. In such case the agenda item distributed with the packet shall so indicate.

Guidelines for City Council Items:

1. Title
 2. Consent/Action/Information Calendar
 3. Recommendation
 4. Summary Statement/Current situation and its effects
 5. Background
 6. Review of Existing Plans, Programs, Policies and Laws
 7. Actions/Alternatives Considered
 8. Consultation/Outreach Overview and Results
 9. Rationale for Recommendation
 10. Implementation, Administration and Enforcement
 11. Environmental Sustainability
 12. Fiscal Impacts
 13. Outcomes and Evaluation
 14. Contact Information
 15. Attachments/Supporting Materials
-

1. Title

A descriptive title that adequately informs the public of the subject matter and general nature of the item or report and action requested.

2. Consent/Action/Information Calendar

Whether the matter is to be presented on the Consent Calendar or the Action Calendar or as a Report for Information.

3. Recommendation

Clear, succinct statement of action(s) to be taken. Recommendations can be further detailed within the item, by specific reference.

Common action options include:

- Adopt first reading of ordinance
- Adopt a resolution
- Referral to the City Manager (City Manager decides if it is a short term referral or is placed on the RRV ranking list)
- Direction to the City Manager (City Manager is directed to execute the recommendation right away, it is not placed on any referral list)
- Referral to a Commission or to a Standing or Ad Hoc Council Committee
- Referral to the budget process
- Send letter of support
- Accept, Approve, Modify or Reject a recommendation from a Commission or Committee
- Designate members of the Council to perform some action

4. Summary Statement/ “Current situation and its effects”

A short resume of the circumstances that give rise to the need for the recommended action(s).

- Briefly state the opportunity/problem/concern that has been identified, and the proposed solution.
- Example (fictional):
Winter rains are lasting longer than expected. Berkeley’s winter shelters are poised to close in three weeks, but forecasts suggest rain for another two months. If they do not remain open until the end of the rainy season, hundreds of people will be left in the rain 24/7. Therefore, this item seeks authorization to keep Berkeley’s winter shelters open until the end of April, and refers to the Budget Process \$40,000 to cover costs of an additional two months of shelter operations.

5. Background

A full discussion of the history, circumstances and concerns to be addressed by the item.

- For the above fictional example, Background would include *information and data about the number and needs of homeless individuals in Berkeley, the number and availability of permanent shelter beds that meet their needs, the number of winter shelter beds that would be lost with closure, the impacts of such closure on this population, the weather forecasts, etc.*

6. Review of Existing Plans, Programs, Policies and Laws

Review, identify and discuss relevant/applicable Plans, Programs, Policies and Laws, and how the proposed actions conform with, compliment, are supported by, differ from or run contrary to them. What gaps were found that need to be filled? What existing policies, programs, plans and laws need to be changed/supplemented/improved/repealed? What is missing altogether that needs to be addressed?

Review of all pertinent/applicable sections of:

- The City Charter
- Berkeley Municipal Code
- Administrative Regulations
- Council Resolutions
- Staff training manuals

Review of all applicable City Plans:

- The General Plan
- Area Plans
- The Climate Action Plan
- Resilience Plan
- Equity Plan

- Capital Improvements Plan
- Zero Waste Plan
- Bike Plan
- Pedestrian Plan
- Other relevant precedents and plans

Review of the City's Strategic Plan

Review of similar legislation previously introduced/passed by Council

Review of County, State and Federal laws/policies/programs/plans, if applicable

7. Actions/Alternatives Considered

- What solutions/measures have **other jurisdictions** adopted that serve as models/cautionary tales?
- What solutions/measures are recommended by **advocates, experts, organizations**?
- What is the range of actions considered, and what are some of their major pros and cons?
- Why were other solutions not as feasible/advisable?

8. Consultation/Outreach Overview and Results

- Review/list external and internal stakeholders that were consulted
 - **External:** constituents, communities, neighborhood organizations, businesses and not for profits, advocates, people with lived experience, faith organizations, industry groups, people/groups that might have concerns about the item, etc.
 - **Internal:** staff who would implement policies, the City Manager and/or deputy CM, Department Heads, City Attorney, Clerk, etc.
- What reports, articles, books, websites and other materials were consulted?
- What was learned from these sources?
- What changes or approaches did they advocate for that were accepted or rejected?

9. Rationale for Recommendation

A clear and concise statement as to whether the item proposes actions that:

- Conform to, clarify or extend existing Plans, Programs, Policies and Laws
- Change/Amend existing Plans, Programs, Policies and Laws in **minor** ways
- Change/Amend existing Plans, Programs, Policies and Laws in **major** ways
- Create an exception to existing Plans, Programs, Policies and Laws
- Reverse/go contrary to or against existing Plans, Programs, Policies and Laws

Argument/summary of argument in support of recommended actions. The argument likely has already been made via the information and analysis already presented,

but should be presented/restated/summarized. Plus, further elaboration of terms for recommendations, if any.

10. Implementation, Administration and Enforcement

Discuss how the recommended action(s) would be implemented, administered and enforced. What staffing (internal or via contractors/consultants) and materials/facilities are likely required for implementation?

11. Environmental Sustainability

Discuss the impacts of the recommended action(s), if any, on the environment and the recommendation's positive and/or negative implications with respect to the City's Climate Action, Resilience, and other sustainability goals.

12. Fiscal Impacts

Review the recommended action's potential to generate funds or savings for the City in the short and long-term, as well as the potential direct and indirect costs.

13. Outcomes and Evaluation

State the specific outcomes expected, if any (i.e., "*it is expected that 100 homeless people will be referred to housing every year*") and what reporting or evaluation is recommended.

Commented [NML2]: Edit from July 15, 2019 Agenda & Rules Committee meeting

Commented [NML11]: Edit from July 15, 2019 Agenda & Rules Committee meeting – changed "a Councilmember" to "the Council"

and lengthy and/or the Council's regular meeting schedule is heavily booked, the ~~Agenda Committee~~Agenda & Rules Committee, in conjunction with the staff, will schedule a special meeting exclusively for the public hearing. No other matters shall be placed on the agenda for the special meeting. All public comment will be considered as part of the public hearing and no separate time will be set aside for public comment not related to the public hearing at this meeting.

Commented [NML12]: Amended to standardize use throughout the document

Except at meetings at which the budget is to be adopted, no public hearing may commence later than 10:00 p.m. unless there is a legal necessity to hold the hearing or make a decision at that meeting or the City Council determines by a two-thirds vote that there is a fiscal necessity to hold the hearing.

E. Adjournment

Regular City Council meetings shall begin no later than 6:00 p.m.

Commented [NML13]: Proposed addition regarding starting early for ceremonial items was removed at the July 15, 2019 Agenda & Rules Committee meeting

A recess period is defined as a period of time longer than 21 days without a regular ~~or special~~ meeting of the Council.

Commented [NML14]: Special meetings are as needed and are not factored in to the annual schedule that is adopted, which includes the recess periods.

When a recess period occurs, the City Manager is authorized to take such ministerial actions for matters of operational urgency as would normally be taken by the City Council during the period of recess except for those duties specifically reserved to the Council by the Charter, and including such emergency actions as are necessary for the immediate preservation of the public peace, health or safety; the authority to

extend throughout the period of time established by the City Council for the period of recess.

The City Manager shall have the aforementioned authority beginning the day after the ~~Agenda Committee~~ Agenda & Rules Committee meeting for the last regular meeting before a Council recess and this authority shall extend ~~through-up to the deadline for submission of staff reports for date of the first~~ Agenda & Rules Committee meeting ~~for the first regular meeting~~ after the Council recess.

Commented [NML15]: The existing definition left a significant gap that did not allow City Manager action on administratively urgent items

Commented [NML16]: Edit from July 15, 2019 Agenda & Rules Committee meeting

The City Manager shall make a full and complete report to the City Council at its first regularly scheduled meeting following the period of recess of actions taken by the City Manager pursuant to this section, at which time the City Council may make such findings as may be required and confirm said actions of the City Manager.

H. Pledge of Allegiance to the Flag

I. Ad Hoc Subcommittees

From time to time the Council or the Mayor may appoint several of its members but fewer than the existing quorum of the present body to serve as an ad hoc subcommittee. Only Council ~~members~~ may ~~become~~ be members of the ad hoc subcommittee; however, the subcommittee shall seek input and advice from ~~the~~ residents, related commissions, and other groups. Ad Hoc Subcommittees must be reviewed annually by the Council to determine if the subcommittee is to continue.

II. MEETINGS

~~City staff may attend and participate in subcommittee meetings. Depending on the desires of the subcommittee members, City staff may participate the same as members of the public, or may be called upon to offer insights or provide information during discussion.~~

As part of the ad hoc subcommittee process, City staff will undertake a high-level, preliminary analysis of potential legal issues, costs, timelines, and staffing demands associated with the item(s) under consideration. Staff analysis at ad hoc subcommittees is limited to the points above as the recommendation, program, or project has not yet been approved to proceed by the full Council.

Subcommittees must be comprised of at least two members. If only two members are appointed, then both must be present in order for the subcommittee meeting to be held. In other words, the quorum for a two-member subcommittee is always two.

In such case the agenda item distributed with the packet shall so indicate.~~

C. Procedure for Bringing Matters Before City Council**1. Persons Who Can Place Matters on the Agenda.**

Matters may be placed on the agenda by ~~the Mayor or any Councilmember~~ council member, the City Manager, the Auditor, or any board/commission/committee created by the City Council. All items, other than board and commission items shall be subject to review by ~~an the Agenda Committee~~ Agenda & Rules Committee, which shall be a standing committee of the City Council. ~~The Agenda Committee shall consist of the Mayor and two councilmembers, nominated by the Mayor and approved by the Council. A third council member, nominated by the Mayor and approved by the Council, will serve as an alternate on the Committee in the event that an Agenda Committee member cannot attend a meeting.~~

Commented [NML25]: Superseded by policy committee section below

The ~~Agenda Committee~~ Agenda & Rules Committee shall meet 15 days prior to each City Council meeting and shall approve the agenda of that City Council meeting. ~~Pursuant to BMC Section 1.04.080, if the 15th day prior to the Council meeting falls on a holiday, the Committee will meet the next business day.~~ The ~~Agenda Committee~~ Agenda & Rules Committee packet, including a draft agenda and Councilmember, Auditor, and Commission reports shall be distributed by 5:00 p.m. 4 days before the ~~Agenda Committee~~ Agenda & Rules Committee meeting.

Commented [NML26]: Clarification

The ~~Agenda Committee~~ Agenda & Rules Committee shall have the powers set forth below.

- a) **Items Authored by the Mayor, a Councilmember, or the Auditor.** As to items authored by the Mayor, a Councilmember, or the Auditor, the ~~Agenda Committee~~ Agenda & Rules Committee shall review the item and may recommend that the matter be referred to a commission, to the City Manager, a Policy Committee, or back to the author for adherence to required form or for additional analysis as required in Section III.B.2, or suggest other appropriate action including scheduling the matter for a later meeting to allow for appropriate revisions.

The author of a "referred" item must inform the City Clerk within 24 hours of the adjournment of the ~~Agenda Committee~~ Agenda & Rules Committee meeting whether ~~he or she~~ they prefers to: 1) hold the item for a future

III. AGENDA

meeting pending modifications as suggested by the Committee; 2) have the item appear on the Council agenda under consideration as originally submitted; 3) pull the item completely; or 4) re-submit the item with revisions as requested by the ~~Agenda Committee~~ Agenda & Rules Committee within 24 hours of the adjournment of the Agenda Committee Agenda & Rules Committee meeting for the Council agenda under consideration. Option 2 is not available for items eligible to be referred to a Policy Committee.

Commented [NML27]: Current practice

Commented [NML28]: Per policy committee regulations

In the event that the City Clerk does not receive guidance from the author of the referred item within 24 hours of the ~~Agenda Committee~~ Agenda & Rules Committee's adjournment, the recommendation of the ~~Agenda Committee~~ Agenda & Rules Committee will take effect.

Items held for a future meeting to allow for modifications will be placed on the next available Council meeting agenda at the time that the revised version is submitted to the City Clerk. ~~If changes made to the item extend beyond the scope of the Agenda Committee referral recommendations, the item must be re-submitted as a new Council item.~~

Commented [NML29]: Unecessary. If the item is being submitted for a future meeting, it is a "new" item.

~~For authors of referred items that select option 2) above, the referred item will automatically be placed at the end of the Action Calendar under the heading "Referred Items". The Agenda Committee shall specify the reason for the referral from the categories listed below. This reason shall be printed with the item on the agenda.~~

Commented [NML30]: No longer needed with the policy committee system.

- Reason 1— Significant Lack of Background or Supporting Information
- Reason 2— Significant Grammatical or Readability Issues

b) **Items Authored by the City Manager.** The ~~Agenda Committee~~ Agenda & Rules Committee shall review agenda descriptions of items authored by the City Manager. The Committee can recommend that the matter be referred to a commission or back to the City Manager for adherence to required form, additional analysis as required in Section III.B.2, or suggest other appropriate action including scheduling the matter for a later meeting to allow for appropriate revisions.

If the City Manager determines that the matter should proceed notwithstanding the ~~Agenda Committee~~ Agenda & Rules Committee's action, it will be placed on the agenda as directed by the Manager. All City Manager items placed on the Council agenda against the referral recommendation of the Agenda Committee Agenda & Rules Committee or revised items that have not been resubmitted to the Agenda Committee will automatically be placed on the Action Calendar.

Commented [NML31]: Inconsistent with current practices. Staff reports are still in review and are not printed in the Agenda & Rules Committee packet.

c) **Items Authored by Boards and Commissions.** Council items submitted by boards and commissions are subject to City Manager review and must follow procedures and timelines for submittal of reports as described in the

Commissioners' Manual. The content of commission items is not subject to review by the ~~Agenda Committee~~Agenda & Rules Committee.

- i) For a commission item that does not require a companion report from the City ~~Mananger~~Manager, the ~~Agenda Committee~~Agenda & Rules Committee may act on an agendized commission report in the following manner:
 - 1. Move a commission report from the Consent Calendar to the Action Calendar or from the Action Calendar to the Consent Calendar.
 - 2. Re-schedule the commission report to appear on one of the next three regular Council meeting agendas that occur after the regular meeting under consideration. Commission reports submitted in response to a Council referral shall receive higher priority for scheduling.
 - 3. Allow the item to proceed as submitted.
- ii) For any commission report that requires a companion report, the ~~Agenda Committee~~Agenda & Rules Committee ~~may~~will schedule the item on a Council agenda. ~~The Committee must schedule the the~~commission item for a meeting occurring not sooner than 60 days and not later than 120 days from the date of the meeting under consideration by the ~~Agenda Committee~~Agenda & Rules Committee. A commission report submitted with a complete companion report may be scheduled pursuant to subparagraph c.i. above.
- d) The ~~Agenda Committee~~Agenda & Rules Committee shall have the authority to re-order the items on the Action Calendar regardless of the default sequence prescribed in Chapter III, Section E ~~of the Rules of Procedures and Order~~.

2. **Scheduling Public Hearings Mandated by State, Federal, or Local Statute.**

The City Clerk may schedule a public hearing at an available time and date in those cases where State, Federal or local statute mandates the City Council hold a public hearing.

3. **Submission of Agenda Items.**

- a) **City Manager Items.** Except for Continued Business and Old Business, as a condition to placing an item on the agenda, agenda items from departments, including agenda items from commissions, shall be furnished to the City Clerk at a time established by the City Manager.
- b) **Council and Auditor Items.** The deadline for reports submitted by the Auditor, Mayor and City Council is 5:00 p.m. on Monday, 22 days before each Council meeting.

III. AGENDA

- c) **Time Critical Items.** A Time Critical item is defined as a matter that is considered urgent by the sponsor and that has a deadline for action that is prior to the next meeting of the Council and for which a report prepared by the City Manager, Auditor, Mayor or ~~Councilmember~~~~council member~~ is received by the City Clerk after established deadlines and is not included on the ~~Agenda Committee~~~~Agenda & Rules Committee~~'s published agenda.

The author of the report shall bring any reports submitted as Time Critical to the meeting of the ~~Agenda Committee~~~~Agenda & Rules Committee~~. Time Critical items must be accompanied by complete reports and statements of financial implications. If the ~~Agenda Committee~~~~Agenda & Rules Committee~~ finds the matter to meet the definition of Time Critical, the ~~Agenda Committee~~~~Agenda & Rules Committee~~ may place the matter on the Agenda on either the Consent or Action Calendar.

- d) The City Clerk may not accept any agenda item after the adjournment of the ~~Agenda Committee~~~~Agenda & Rules Committee~~ meeting, except for items carried over by the City Council from a prior City Council meeting occurring less than 11 days earlier, which may include supplemental or revised reports, and reports concerning actions taken by boards and commissions that are required by law or ordinance to be presented to the Council within a deadline that does not permit compliance with the agenda timelines in BMC Chapter 2.06 or these rules.

4. **Submission of Supplemental and Revised Agenda Material.**

Berkeley Municipal Code Section 2.06.070 allows for the submission of supplemental and revised agenda material. Supplemental and revised material cannot be substantially new or only tangentially related to an agenda item. Supplemental material must be specifically related to the item in the Agenda Packet. Revised material should be presented as revised versions of the report or item printed in the Agenda Packet. Supplemental and revised material may be submitted for consideration as follows:

- a) Supplemental and revised agenda material shall be submitted to the City Clerk no later than 5:00 p.m. seven calendar days prior to the City Council meeting at which it is to be considered. Supplemental and revised items that are received by the deadline shall be distributed to Council in a supplemental reports packet and posted to the City's website no later than 5:00 p.m. five calendar days prior to the meeting. Copies of the supplemental packet shall also be made available in the office of the City Clerk and in the main branch of the Berkeley Public Library. Such material may be considered by the Council without the need for a determination that the good of the City clearly outweighs the lack of time for citizen review or City Council-member evaluation.
- b) Supplemental and revised agenda material submitted to the City Clerk after 5:00 p.m. seven days before the meeting and no later than 12:00 p.m. one day prior to the City Council meeting at which it is to be considered shall be distributed to Council in a supplemental reports packet and posted to

Copies of the supplemental packet shall also be made available in the office of the City Clerk and in the main branch of the Berkeley Public Library. Such material may be considered by the Council without the need for a determination that the good of the City clearly outweighs the lack of time for citizen review or City Council evaluation.

a)–

b)c) After ~~5~~12:00 p.m. ~~seven~~–one calendar days prior to the meeting, supplemental or revised reports may be submitted for consideration by delivering a minimum of 42 copies of the supplemental/revised material to the City Clerk for distribution at the meeting. Each copy must be accompanied by a completed supplemental/revised material cover page, using the form provided by the City Clerk. Revised reports must reflect a comparison with the original item using track changes formatting. The material may be considered only if the City Council, by a two-thirds roll call vote, makes a factual determination that the good of the City clearly outweighs the lack of time for citizen review or City Council–member evaluation of the material. Supplemental and revised material must be distributed and a factual determination made prior to the commencement of public comment on the agenda item in order for the material to be considered.

5. Scheduling a Presentation.

Presentations from staff are either submitted as an Agenda Item or are requested by the City Manager. Presentations from outside agencies and the public are coordinated with the Mayor's Office. The Agenda & Rules Committee may adjust the schedule of presentations as needed to best manage the Council Agenda.

~~Any request for a presentation to the Council will be submitted as an agenda item and follow the time lines for submittal of agenda reports. The agenda item should include general information regarding the purpose and content of the presentation; information on the presenters; contact information; and the length of the presentation. The request may state a preference for a date before the Council. The Agenda Committee will review the request and recommend a presentation date and allotted time based on the Council's schedule.~~

~~The City Clerk will notify the presenters of the date and time of the presentation and will coordinate use of any presentation equipment and receipt of additional written material.~~

Commented [NML33]: Reflects current practice, which is much less formal than deleted text.

D. Packet Preparation and Posting**1. Preparation of the Packet.**

Not later than the thirteenth day prior to said meeting, the City Clerk shall prepare the packet, which shall include the agenda plus all its corresponding duplicated agenda items. No item shall be considered if not included in the packet, except as provided for in Section III.C.4 and Section III.D.4. ~~Reports carried over, as Continued Business or Old Business need not be reproduced again.~~

Commented [NML34]: Inconsistent with OGO

Commented [NML36]: Regulations from the Policy Committee resolution are inserted in red text; changes to the resolution language are in track changes

Commented [NML37]: Clarification

III. AGENDA

j. Presentations from Outside Agencies and Organizations

k. Ceremonial Items

k.l. Committee and Regional Body Appointments

Commented [NML38]: Standard administrative item

~~Notwithstanding the exemption stated above, the Agenda Committee, at its discretion, may route a Full Council Track item submitted by a Councilmember to a policy committee if the item has 1) a significant lack of background or supporting information, or 2) significant grammatical or readability issues.~~

Commented [NML39]: Change made at September 16, 2019 Agenda & Rules Committee; integrated into next paragraph

~~The Agenda Committee~~Agenda & Rules Committee has discretion to determine if an item submitted by the Mayor or a Councilmember falls under a Full Council Track exception or if it will be processed as a Policy Committee Track item. If an item submitted by the Mayor or a Councilmember has 1) a significant lack of background or supporting information, or 2) significant grammatical or readability issues the Agenda & Rules committee may refer the item to a Policy Committee.

Policy Committee Track

~~Items submitted by the Mayor or Councilmembers with moderate to significant administrative, operational, budgetary, resource, or programmatic impacts will go first to the Agenda Committee~~Agenda & Rules Committee on a draft City Council agenda (on a list).

Commented [NML40]: Clarification

~~The Agenda Committee~~Agenda & Rules Committee must refer an item to a Ppolicy Ccommittee at the first meeting that the item appears before the Agenda-CommitteeAgenda & Rules Committee. The Agenda-CommitteeAgenda & Rules Committee may only assign the item to a single Ppolicy Ccommittee.

For a Policy Committee Track item, the Agenda-CommitteeAgenda & Rules Committee, at its discretion, may either route item directly to 1) the agenda currently under consideration, 2) one of the next three full Council Agendas (based on completeness of the item, lack of potential controversy, minimal impacts, etc.), or 3) to a Ppolicy Ccommittee.

Time Critical Track

A Time Critical item is defined as a matter that is considered urgent by the sponsor and that has a deadline for action that is prior to the next meeting of the Council and for which a report prepared by the Mayor or Councilmembercouncil member is received by the City Clerk after established deadlines and is not included on the Agenda-CommitteeAgenda & Rules Committee's published agenda.

The Agenda-CommitteeAgenda & Rules Committee retains final discretion to determine the time critical nature of an item.

III. AGENDA

- a) Time Critical items submitted on the Full Council Track deadlines, that would otherwise be assigned to the Policy Committee Track, may bypass Ppolicy Ccommittee review if determined to be time critical. If such an item is deemed not to be time critical, it ~~may~~ will be referred to a Policy Committee.
- b) Time Critical items on the Full Council Track or Policy Committee Track that are submitted at a meeting of the ~~Agenda Committee~~ Agenda & Rules Committee may go directly on a council agenda if determined to be time critical.

B2. Council Referrals to Committees

The full Council may refer any agenda item to a Ppolicy Ccommittee by majority vote.

3. Participation Rules for Policy Committees Pursuant to the Brown Act

Commented [NML41]: New requirements due to re-evaluation of Brown Act applicability to policy committees

- a. The quorum of a three-member Ppolicy Ccommittee is always two members. A majority vote of the committee (two 'yes' votes) is required to pass a motion.
- b. Two Policy Committee members may not discuss any item that has been referred to the Policy Committee outside of an open and noticed meeting.
- c. Notwithstanding paragraph (b) above, two members of a Policy Committee may co-author an item provided that one of the authors will not serve as a committee member for consideration of the item, and shall not participate in the committee's discussion of, or action on the item. For purposes of the item, the appointed alternate will serve as a committee member in place of the non-participating co-author.
- d. All three members of a Policy Committee may not be co-authors of an item that will be heard by the committee.
- e. Only one co-author who is not a member of the Policy Committee may attend the committee meeting to participate in discussion of the item.
- f. If two or more non-committee members are present for any item or meeting, then all non-committee members may act only as observers and may not participate in discussion. If an author is present to participate in the discussion of their item, no other Councilmembers, nor the Mayor, may attend as observers.
- g. An item may be considered by only one Policy Committee before it goes to the full Council.

C4. Functions of the Committees

III. AGENDA

Committees shall have the following qualities/components:

- a. All committees are Brown Act bodies with noticed public meetings and public comment. Regular meeting agendas will be posted at least 72 hours in advance of the meeting.
- b. Minutes shall be available online.
- c. Committees shall adopt regular meeting schedules, generally meeting once or twice per month; special meetings may be called when necessary, in accordance with the Brown Act.
- d. Generally, meetings will be held at 2180 Milvia Street in publicly accessible meeting rooms that can accommodate the committee members, public attendees, and staff.
- e. Members are recommended by the Mayor and approved by the full Council no later than January 31 of each year. Members continue to serve until successors are appointed and approved.
- f. Chairs are elected by the Committee at the first regular meeting of the Committee after the annual approval of Committee members by the City Council. In the absence of the Chair, the committee member with the longest tenure on the Council will preside.
- f.g. The Chair, or a quorum of the Committee may call a meeting or cancel a meeting of the Policy Committee.
- g.h. Committees will review items for completeness in accordance with Section III.B.2 of the City Council Rules of Procedure and Order and alignment with Strategic Plan goals.
- i. Reports leaving a Policy Committee must adequately include budget implications, administrative feasibility, basic legal concerns, and staff resource demands in order to allow for informed consideration by the full Council.
- h.j. Per Brown Act regulations, any such materials must be direct revisions or supplements to the item that was published in the agenda packet.

Commented [NML42]: Clarification of authority; reflects Charter

Commented [NML43]: Added for transparency and to avoid violations arising from submission of materials only tangentially related to the agenda items

Items referred to a Policy Committee from the ~~Agenda Committee~~ Agenda & Rules Committee or from the City Council must be agendaized for a committee meeting within 60 days of the referral date.

Within 120 days of the referral date, the committee must vote to either (1) accept the author's request that the item remain in committee until a date certain (more than one extension may be requested by the author); or (2) send the item to the ~~Agenda Committee~~ Agenda & Rules Committee to be placed on a Council Agenda with a Committee recommendation consisting of one of the four options listed below.

1. Positive Recommendation (recommending Council pass the item as proposed),
2. Qualified Positive Recommendation (recommending Council pass the item with some changes),

III. AGENDA

- 3. Qualified Negative Recommendation (recommending Council reject the item unless certain changes are made) or
- 4. Negative Recommendation (recommending the item not be approved).

The Policy Committee's ~~will include their~~ recommendation will be included in a new separate section of the report template for that purpose.

A Policy Committee may not refer an item under its consideration to a city board or commission.

Commented [NML44]: Clarification of authority. Commissions are advisory to the Full Council

The original Council author of an item referred to a Policy Committee is responsible for revisions and resubmission of the item back to the full Council. Items originating from the City Manager are revised and submitted by the appropriate city staff. Items from Commissions are revised and resubmitted by the members of the Policy Committee. Items and Recommendations originating from the Policy Committee are submitted to the agenda process by the members of the committee.

Commented [NML45]: Clarification of responsibility for shepherding items through process

A policy committee may refer an item to another policy committee for review. The total time for review by all policy committees is limited to the initial 120-day deadline.

Commented [NML46]: Inconsistent with Brown Act – review by two committees would result in an illegal serial meeting

If a ~~P~~policy ~~C~~committee does not take final action by the 120-day deadline, the item is returned to the ~~Agenda Committee~~Agenda & Rules Committee and appears on the next available Council agenda. The ~~Agenda Committee~~Agenda & Rules Committee may leave the item on the agenda under consideration or place it on the next Council agenda. Items appearing on a City Council agenda due to lack of action by a Policy Committee may not be referred to a Policy Committee and must remain on the full Council agenda for consideration.

Commented [NML47]: Closes "endless loop" loophole

Non-legislative or discussion items may be added to the Policy Committee agenda by members of the Committee with the concurrence of a quorum of the Committee. These items are not subject to the 120-day deadline for action.

Commented [NML48]: Clarification

Once the item is voted out of a ~~P~~policy ~~C~~committee, the final item will be resubmitted to the agenda process by the author, and it will return to the ~~Agenda Committee~~Agenda & Rules Committee on the next available agenda. The ~~Agenda Committee~~Agenda & Rules Committee may leave the item on the agenda under consideration or place it on the following Council agenda. Only items that receive a Positive Recommendation can be placed on the Consent Calendar.

Commented [NML49]: Clarification

The lead author may request expedited committee review for items referred to a committee. Criteria for expedited review is generally to meet a deadline for action (e.g. grant deadline, specific event date, etc.). If the committee agrees to the request, the

III. AGENDA

deadline for final committee action is 45 days from the date the committee approves expedited review, ~~item first appeared on the committee agenda.~~

5D. Number and Make-up of Committees

Six committees are authorized, each comprised of three Councilmembers ~~with a fourth Councilmember appointed as an alternate.~~ Each Councilmember and the Mayor will serve on two committees. The Mayor shall be a member of the Agenda and Rules Committee. The committees are as follows:

1. Agenda and Rules Committee
2. Budget and Finance Committee
3. Facilities, Infrastructure, Transportation, Environment, and Sustainability
4. Health, Life Enrichment, Equity, and Community
5. Land Use, Housing, and Economic Development
6. Public Safety

~~The Agenda Committee~~ Agenda & Rules Committee shall establish the Ppolicy ~~C~~committee topic groupings, and may adjust said groupings periodically thereafter in order to evenly distribute expected workloads of various committees.

All ~~standing~~ Policy Committees of the City Council are considered “legislative bodies” under the Brown Act and must conduct all business in accordance with the Brown Act.

6E. Role of City Staff at Committee Meetings

Committees will be staffed by appropriate City Departments and personnel. As part of the committee process, staff will undertake a high-level, preliminary analysis of potential legal issues, costs, timelines, and staffing demands associated with the item. Staff analysis at the Policy Committee level is limited to the points above as the recommendation, program, or project has not yet been approved to proceed by the full Council.

Commented [NML50]: This will allow two members of a policy committee to co-author an item. The Alternate will substitute for one of the co-authors while the item is heard by the policy committee.

Commented [NML51]: Clarification

IV. CONDUCT OF MEETING

A. Comments from the Public

Public comment will be taken in the following order:

- An initial ten-minute period of public comment on non-agenda items, after the commencement of the meeting and immediately after Ceremonial Matters and City Manager Comments.
- Public comment on the Consent and Information Calendars.
- Public comment on action items, appeals and/or public hearings as they are taken up under procedures set forth in the sections governing each below.
- Public comment on non-agenda items from any speakers who did not speak during the first round of non-agenda public comment at the beginning of the meeting.

Speakers are permitted to yield their time to one other speaker, however no one speaker shall have more than four minutes. A speaker wishing to yield their time shall stand identify themselves, shall be recognized by the chair, and announce publicly their intention to yield their time. Disabled persons shall have priority seating in the front row of the public seating area.

A member of the public may only speak once at public comment on any single item, unless called upon by the Mayor or a Councilmember to answer a specific inquiry.

1. Public Comment on Consent Calendar and Information Items.

The Council will first determine whether to move items on the agenda for “Action” or “Information” to the “Consent Calendar,” or move “Consent Calendar” items to “Action.” Items that remain on the “Consent Calendar” are voted on in one motion as a group. “Information” items are not discussed or acted upon at the Council meeting unless they are moved to “Action” or “Consent.”

The Council will then take public comment on any items that are either on the amended Consent Calendar or the Information Calendar. A speaker may only speak once during the period for public comment on Consent Calendar and Information items. No additional items can be moved onto the Consent Calendar once public comment has commenced.

At any time during, or immediately after, public comment on Information and Consent items, the Mayor or any Councilmember may move any Information or Consent item to “Action.” Following this, the Council will vote on the items remaining on the Consent Calendar in one motion.

For items moved to the Action Calendar from the Consent Calendar or Information Calendar, persons who spoke on the item during the Consent Calendar public comment period may speak again at the time the matter is taken up during the Action Calendar.

IV. CONDUCT OF MEETING

2. Public Comment on Action Items.

After the initial ten minutes of public comment on non-agenda items and public comment and action on consent items, the public may comment on each remaining item listed on the agenda for action as the item is taken up.

The Presiding Officer will request that persons wishing to speak, line up at the podium to be recognized and to determine the number of persons interested in speaking at that time.

If ten or fewer persons are interested in speaking, each speaker may speak for two minutes. If there are more than ten persons interested in speaking, the Presiding Officer may limit the public comment for all speakers to one minute per speaker. Speakers are permitted to yield their time to one other speaker, however no one speaker shall have more than four minutes.

This procedure also applies to public hearings except those types of public hearings specifically provided for in this section.

3. Appeals Appearing on Action Calendar.

With the exception of appeals from decisions of the Zoning Adjustments Board and Landmarks Preservation Commission, appeals from decisions of City commissions appear on the "Action" section of the Council Agenda. Council determines whether to affirm the action of the commission, set a public hearing, or remand the matter to the commission. Appeals of proposed special assessment liens shall also appear on the "Action" section of the Council Agenda. Appeals from decisions of the Zoning Adjustments Board and Landmarks Preservation Commission are automatically set for public hearing and appear on the "Public Hearings" section of the Council Agenda.

Time shall be provided for public comment for persons representing both sides of the action/appeal and each side will be allocated seven minutes to present their comments on the appeal. Where the appellant is not the applicant, the appellants of a single appeal collectively shall have seven minutes to comment and the applicant shall have seven minutes to comment. If there are multiple appeals filed, each appellant or group of appellants shall have seven minutes to comment. Where the appellant is the applicant, the applicant/appellant shall have seven minutes to comment and the persons supporting the action of the board or commission on appeal shall have seven minutes to comment. In the case of an appeal of proposed special assessment lien, the appellant shall have seven minutes to comment.

After the conclusion of the seven-minute comment periods, members of the public may comment on the appeal. Comments from members of the public regarding appeals shall be limited to one minute per speaker. Any person that addressed the Council during one of the seven-minute periods may not speak again during the public comment period on the appeal. Speakers may yield their time to one other speaker, however, no speaker shall have more than two minutes. Each side shall be informed of this public comment procedure at the time the Clerk notifies the parties of the date the appeal will appear on the Council agenda.

Commented [NML52]: Reflects existing due process standards

4. **Public Comment on Non Agenda Matters.**

Immediately following Ceremonial Matters and the City Manager Comments and prior to the Consent Calendar, persons will be selected by lottery to address matters not on the Council agenda. If five or fewer persons submit speaker cards for the lottery, each person selected will be allotted two minutes each. If more than five persons submit speaker cards for the lottery, up to ten persons will be selected to address matters not on the Council agenda and each person selected will be allotted one minute each. Persons wishing to address the Council on matters not on the Council agenda during the initial ten-minute period for such comment, must submit a speaker card to the City Clerk in person at the meeting location and prior to commencement of that meeting.

The remainder of the speakers wishing to address the Council on non-agenda items will be heard at the end of the agenda. Speaker cards are not required for this second round of public comment on non-agenda matters.

Persons submitting speaker cards are not required to list their actual name, however they must list some identifying information or alternate name in order to be called to speak.

For the second round of public comment on non-agenda matters, the Presiding Officer retains the authority to limit the number of speakers by subject. The Presiding Officer will generally request that persons wishing to speak, line up at the podium to be recognized to determine the number of persons interested in speaking at that time. Each speaker will be entitled to speak for two minutes each unless the Presiding Officer determines that one-minute is appropriate given the number of speakers.

~~According to the current Rules and Procedures~~Pursuant to this document, no Council meeting shall continue past 11:00 p.m. unless a two-thirds majority of the Council votes to extend the meeting to discuss specified items. If any agenda item remains unfinished at 11:00 p.m. or the expiration of any extension after 11:00 p.m., it will be referred to the ~~Agenda Committee~~**Agenda & Rules Committee** for scheduling pursuant to Chapter II, Section F. In that event, the meeting shall be automatically extended for up to fifteen (15) minutes for public comment on non-agenda items.

5. **Ralph M. Brown Act Pertaining to Public Comments.**

The "Brown Act" prohibits the Council from discussing or taking action on an issue raised during Public Comment, unless it is specifically listed on the agenda. However, the Council may refer a matter to the City Manager.

B. **Consent Calendar**

There shall be a Consent Calendar on all regular meeting agendas on which shall be included those matters which the Mayor, Councilmembers, boards, commissions, City Auditor and City Manager deem to be of such nature that no debate or inquiry will be necessary at the Council meetings. Ordinances for second reading may be included in the Consent Calendar.

IV. CONDUCT OF MEETING

It is the policy of the Council that ~~the Mayor or C~~councilmembers wishing to ask questions concerning Consent Calendar items should ask questions of the contact person identified prior to the Council meeting so that the need for discussion of consent calendar items can be minimized.

Consent Calendar items may be moved to the Action Calendar by the Council. Action items may be reordered at the discretion of the Chair with the consent of Council.

C. Information Reports Called Up for Discussion

Reports for Information designated for discussion at the request of ~~the Mayor or any Councilmember~~council member shall be added to the appropriate section of ~~the Reports for~~ Action Calendar and may be acted upon at that meeting or carried over as pending business until discussed or withdrawn. The agenda will indicate that at the request of ~~Mayor or any Councilmember~~council member a Report for Information may be acted upon by the Council.

D. Communications

Letters from the public will not appear on the Council agenda as individual matters for discussion but will be distributed as part of the Council agenda packet with a cover sheet identifying the author and subject matter and will be listed under "Communications." _

All such communications must have been received by the City Clerk no later than 5:00 p.m. fifteen days prior to the meeting in order to be included on the agenda.

In instances where an individual forwards more than three pages of email messages not related to actionable items on the Council agenda to the Council to be reproduced in the "Communications" section of the Council packet, the City Clerk will not reproduce the entire email(s) but instead refer the public to the City's website or a hard copy of the email(s) on file in the City Clerk Department.

All communications shall be simply deemed received without any formal action by the Council. ~~The Mayor or Aa Councilmember~~council member may refer a communication to ~~staff the~~ City Manager for action, if appropriate, or prepare a consent or action item for placement on a future agenda.

Communications related to an item on the agenda that are received after 5:00 p.m. fifteen days before the meeting are published as provided for in Chapter III.C.4.

Commented [NML53]: Clarification per OGO

E. Public Hearings for Land Use, Zoning, Landmarks, and Public Nuisance Matters

The City Council, in setting the time and place for a public hearing, may limit the amount of time to be devoted to public presentations. Staff shall introduce the public hearing item and present their comments.

Following any staff presentation, each member of the City Council shall verbally disclose all ex parte contacts concerning the subject of the hearing. Members shall also submit a report of such contacts in writing prior to the commencement of the hearing. Such reports shall include a brief statement describing the name, date, place, and content of the contact. Written reports shall be available for public review

IV. CONDUCT OF MEETING

in the office of the City Clerk prior to the meeting and placed in a file available for public viewing at the meeting.

This is followed by five-minute presentations each by the appellant and applicant. Where the appellant is not the applicant, the appellants of a single appeal collectively shall have five minutes to comment and the applicant shall have five minutes to comment. If there are multiple appeals filed, each appellant or group of appellants shall have five minutes to comment. Where the appellant is the applicant, the applicant/appellant shall have five minutes to comment and the persons supporting the action of the board or commission on appeal shall have five minutes to comment. In the case of a public nuisance determination, the representative(s) of the subject property shall have five minutes to present.

Commented [NML54]: Same as above

The Presiding Officer will request that persons wishing to speak, line up at the podium to be recognized and to determine the number of persons interested in speaking at that time.

If ten or fewer persons are interested in speaking, each speaker may speak for two minutes. If there are more than ten persons interested in speaking, the Presiding Officer may limit the public comment for all speakers to one minute per speaker. Any person that addressed the Council during one of the five-minute periods may not speak again during the public comment period on the appeal. Speakers are permitted to yield their time to one other speaker, however no one speaker shall have more than four minutes. The Presiding Officer may with the consent of persons representing both sides of an issue allocate a block of time to each side to present their issue.

Commented [NML55]: Current practice. Matches existing language for appeals above.

F. Work Sessions

The City Council may schedule a matter for general Council discussion and direction to staff. Official/formal action on a work session item will be scheduled on a subsequent agenda under the Action portion of the Council agenda.

In general, public comment at Council work sessions will be heard after the staff presentation, for a limited amount of time to be determined by the Presiding Officer.

The Presiding Officer will request that persons wishing to speak, line up at the podium to be recognized and to determine the number of persons interested in speaking at that time. If ten or fewer persons are interested in speaking, each speaker may speak for two minutes. If there are more than ten persons interested in speaking, the Presiding Officer may limit the public comment for all speakers to one minute per speaker. Speakers are permitted to yield their time to one other speaker, however no one speaker shall have more than four minutes.

After Council discussion, if time permits, the Presiding Officer may allow additional public comment. During this time, each speaker will receive one minute. Persons who spoke during the prior public comment time may be permitted to speak again.

G. Public Discussions

Commented [NML56]: Unnecessary. A "public discussion" must still occur at a noticed meeting which is regulated by the Brown Act, OGO, and this document.

~~The City Council may, from time to time, schedule a matter for public discussion and may limit the amount of time to be devoted to said discussions. At the time the public discussion is scheduled, the City Council may seek comment from others if they so determine.~~

H. Protocol

People addressing the Council may first give their name in an audible tone of voice for the record. All remarks shall be addressed to the Council as a body and not to any member thereof. No one other than the Council and the person having the floor shall be permitted to enter into any discussion, either directly or through a member of the Council, without the permission of the Presiding Officer. No question shall be asked of a Councilmember~~council member~~ except through the Presiding Officer.

No person, except City officials, their representatives and representatives of boards and commissions shall be permitted to sit at the tables in the front of the Council Chambers without the express consent of the Council.

B. Decorum

No person shall disrupt the orderly conduct of the Council meeting. Prohibited disruptive behavior includes but is not limited to shouting, making disruptive noises, such as boos or hisses, creating or participating in a physical disturbance, speaking out of turn or in violation of applicable rules, preventing or attempting to prevent others who have the floor from speaking, preventing others from observing the meeting, entering into or remaining in an area of the meeting room that is not open to the public, or approaching the Council Dais without consent. Any written communications addressed to the Council shall be delivered to the City Clerk for distribution to the Council. ~~message to or contact with any member of the Council while the Council is in session shall be through the City Clerk.~~

Commented [NML57]: Clarification that Clerk forwards written communications only, not verbal messages

C. Enforcement of Decorum

When the public demonstrates a lack of order and decorum, the presiding officer shall call for order and inform the person(s) that the conduct is violating the Rules of Order and Procedure and provide a warning to the person(s) to cease the disruptive behavior. Should the person(s) fail to cease and desist the disruptive conduct, the presiding officer may call a five (5) minute recess to allow the disruptions to cease.

If the meeting cannot be continued due to continued disruptive conduct, the presiding officer may have any law enforcement officer on duty remove or place any person who violates the order and decorum of the meeting under arrest and cause that person to be prosecuted under the provisions of applicable law.

D. Precedence of Motions

When a question is before the Council, no motion shall be entertained except:

1. To adjourn,
2. To fix the hour of adjournment,
3. To lay on the table,
4. For the previous question,
5. To postpone to a certain day,
6. To refer,
7. To amend,
8. To substitute, and

V. PROCEDURAL MATTERS

9. To postpone indefinitely.

These motions shall have precedence in order indicated. Any such motion, except a motion to ~~adjourn~~, amend, or substitute, shall be put to a vote without debate.

Commented [NML58]: Motion to adjourn is not debatable pursuant to Roberts Rules

E. Roberts Rules of Order

Roberts Rules of Order have been adopted by the City Council and apply in all cases except the precedence of motions in Section V.D shall ~~supercedes~~supersede.

F. Rules of Debate**1. Presiding Officer May Debate.**

4. Privilege of Closing Debate.

The ~~Mayor or Councilmember~~council member moving the adoption of an ordinance or resolution shall have the privilege of closing the debate. 5. Motion to Reconsider.

A motion to reconsider any action taken by the Council may be made only during ~~the same session on the day~~ such action is taken. It may be made either immediately during the same session, or at a recessed or adjourned session thereof. Such motion must be made ~~and seconded~~ by a member one of on the prevailing side, and may be made at any time and have precedence over all other motions or while a member has the floor; it shall be debatable. Nothing herein shall be construed to prevent any member of the Council from making or remaking the same or other motion at a subsequent meeting of the Council.

Commented [NML59]: Must happen at the same meeting, not just the same day.

Commented [NML60]: Inconsistent with Roberts Rules. Requiring a seconder to be on the prevailing side could infringe on a single member's right to reconsider their vote.

6. Repeal or Amendment of Action Requiring a Vote of Two-Thirds of Council, or Greater.

Any ordinance or resolution which is passed and which, as part of its terms, requires a vote of two-thirds of the Council or more in order to pass a motion pursuant to such an ordinance or resolution, shall require the vote of the same percent of the Council to repeal or amend the ordinance or resolution.

V. PROCEDURAL MATTERS

 - a) A motion to extend consideration which, if passed, shall commence a new twenty-minute period for consideration; or
 - b) If there are one or more motions on the floor, the previous question, which, if passed, shall require an immediate vote on pending motions.
2. The time limit set forth in subparagraph ~~a.1~~ hereof shall not be applicable to any public hearing, public discussion, Council discussion or other especially set matter for which a period of time has been specified (in which case such specially set time shall be the limit for consideration) or which by applicable law (e.g. hearings of appeals, etc.), the matter must proceed to its conclusion.
3. In the interest of expediting the business of the City, failure by the Chair or any ~~Councilmember~~~~council member~~ to call attention to the expiration of the time allowed for consideration of a matter, by point of order or otherwise, shall constitute unanimous consent to the continuation of consideration of the matter beyond the allowed time; provided, however, that the Chair or any ~~Councilmember~~~~council member~~ may at any time thereafter call attention to the expiration of the time allowed, in which case the Council shall proceed to the next item of business, unless one of the motions referred to in ~~subparagraph~~~~Section a.4D~~ hereof is made and is passed.

H. Motion to Lay on Table

APPENDIX A. POLICY FOR NAMING AND RENAMING PUBLIC FACILITIES

Purpose

To establish a uniform policy regarding the naming and renaming of existing and future parks, streets, pathways and other public facilities.

Objective

- A. To ensure that naming public facilities (such as parks, streets, recreation facilities, pathways, open spaces, public building, bridges or other structures) will enhance the values and heritage of the City of Berkeley and will be compatible with community interest.

Section 1 – Lead Commission

The City Council designates the following commissions as the ‘Lead Commissions’ in overseeing, evaluating, and ultimately advising the Council in any naming or renaming of a public facility. The lead commission shall receive and coordinate comment and input from other Commissions and the public as appropriate.

Board of Library Trustees

Parks and Recreation Commission –Parks, recreation centers, camps, plazas and public open spaces

Public Works Commission –Public buildings (other than recreation centers), streets and bridges or other structures in the public thoroughfare.

Waterfront Commission –Public facilities within the area of the City known as the Waterfront, as described in BMC 3.36.060.B.

Section 2 – General Policy

- A. Newly acquired or developed public facilities shall be named immediately after acquisition or development to ensure appropriate public identity.
- B. No public facility may be named for a living person, but this policy can be overridden with a 2/3 vote of the City Council.
- C. Public facilities that are renamed must follow the same criteria for naming new facilities. In addition, the historical significance and geographical reference of the established name should be considered when weighing and evaluating any name change.
- D. The City encourages the recognition of individuals for their service to the community in ways that include the naming of activities such as athletic events, cultural presentations, or annual festivals, which do not involve the naming or renaming of public facilities.
- E. Unless restricted by covenant, facilities named after an individual should not necessarily be considered a perpetual name.

Section 3 – Criteria for Naming of Public Facilities

When considering the naming of a new public facility or an unnamed portion or feature within an already named public facility (such as a room within the facility or a feature within an established park), or, the renaming of an existing public facility the following criteria shall be applied:

- A. Public Facilities are generally easier to identify by reference to adjacent street names, distinct geographic or environmental features, or primary use activity. Therefore, the preferred practice is to give City-owned property a name of historical or geographical significance and to retain these names.
- B. No public facility may be named for a living person, but this policy can be overridden with a 2/3 vote of the City Council.
- C. The naming of a public facility or any parts thereof in recognition of an individual posthumously may only be considered if the individual had a positive effect on the community and has been deceased for more than 1 year.
- D. When a public facility provides a specific programmatic activity, it is preferred that the activity (e.g. skateboard park, baseball diamond) be included in the name of the park or facility.
- E. When public parks are located adjacent to elementary schools, a name that is the same as the adjacent school shall be considered.
- F. When considering the renaming of an existing public facility, in addition to applying criteria A-E above, proper weight should be given to the fact that: a name lends a site or property authenticity and heritage; existing names are presumed to have historic significance; and historic names give a community a sense of place and identity, continuing through time, and increases the sense of neighborhood and belonging.

Section 4 –Naming Standards Involving a Major Contribution

When a person, group or organization requests the naming or renaming of a public facility, all of the following conditions shall be met:

- A. An honoree will have made a major contribution towards the acquisition and/or development costs of a public facility or a major contribution to the City.
- B. The honoree has a record of outstanding service to their community
- C. Conditions of any donation that specifies that name of a public facility, as part of an agreement or deed, must be approved by the City Council, after review by and upon recommendation of the City Manager.

Section 5 –Procedures for Naming or Renaming of Public Facilities

- A. Any person or organization may make a written application to the City Manager requesting that a public facility or portion thereof, be named or renamed.
 - 1. Recommendations may also come directly of the City Boards or Commissions, the City Council, or City Staff.
- B. The City Manager shall refer the application to the appropriate lead commission as defined in Section 1 of the City's policy on naming of public facilities, for that commission's review, facilitation, and recommendation of disposition.
 - 1. The application shall contain the name or names of the persons or organization making the application and the reason for the requested naming or renaming.
- C. The lead commission shall review and consider the application, using the policies and criteria articulated to the City Policy on Naming and Renaming to make a recommendation to Council.
 - 1. All recommendations or suggestion will be given the same consideration without regard to the source of the nomination
- D. The lead commission shall hold a public hearing and notify the general public of any discussions regarding naming or renaming of a public facility.

1. Commission action will be taking at the meeting following any public hearing on the naming or renaming.
- E. The commission's recommendation shall be forwarded to Council for final consideration.

The City of Berkeley Policy for Naming and Renaming Public Facilities was adopted by the Berkeley City Council at the regular meeting of January 31, 2012.

APPENDIX B. GUIDELINES FOR DEVELOPING AND WRITING COUNCIL AGENDA ITEMS

These guidelines are derived from the requirements for Agenda items listed in the Berkeley City Council Rules of Procedure and Order, Chapter III, Sections B(1) and (2), reproduced below. In addition, Chapter III Section C(1)(a) of the Rules of Procedure and Order allows the ~~Agenda Committee~~Agenda & Rules Committee to request that the author of an item provide “additional analysis” if the item as submitted evidences a “significant lack of background or supporting information” or “significant grammatical or readability issues.”

These guidelines provide a more detailed and comprehensive overview of elements of a complete Council item. While not all elements would be applicable to every type of Agenda item, they are intended to prompt authors to consider presenting items with as much relevant information and analysis as possible.

Chapter III, Sections (B)(1) and (2) of Council Rules of Procedure and Order:

2. Agenda items shall contain all relevant documentation, including the following as Applicable:
 - a. A descriptive title that adequately informs the public of the subject matter and general nature of the item or report and action requested;
 - b. Whether the matter is to be presented on the Consent Calendar or the Action Calendar or as a Report for Information;
 - c. Recommendation of the City Manager, if applicable (these provisions shall not apply to Mayor and Council items.);
 - d. Fiscal impacts of the recommendation;
 - e. A description of the current situation and its effects;
 - f. Background information as needed;
 - g. Rationale for recommendation;
 - h. Alternative actions considered;
 - i. For awards of contracts; the abstract of bids and the Affirmative Action Program of the low bidder in those cases where such is required (these provisions shall not apply to Mayor and Council items.);
 - j. Person or persons to contact for further information, with telephone number. If the author of any report believes additional background information, beyond the basic report, is necessary to Council understanding of the subject, a separate compilation of such background information may be developed and copies will be available for Council and for public review in the City Clerk Department, and the City Clerk shall provide limited distribution of such background information depending upon quantity of pages to be duplicated. In such case the agenda item distributed with the packet shall so indicate.

Guidelines for City Council Items:

1. Title
 2. Consent/Action/Information Calendar
 3. Recommendation
 4. Summary Statement/Current situation and its effects
 5. Background
 6. Review of Existing Plans, Programs, Policies and Laws
 7. Actions/Alternatives Considered
 8. Consultation/Outreach Overview and Results
 9. Rationale for Recommendation
 10. Implementation, Administration and Enforcement
 11. Environmental Sustainability
 12. Fiscal Impacts
 13. Outcomes and Evaluation
 14. Contact Information
 15. Attachments/Supporting Materials
-

1. Title

A descriptive title that adequately informs the public of the subject matter and general nature of the item or report and action requested.

2. Consent/Action/Information Calendar

Whether the matter is to be presented on the Consent Calendar or the Action Calendar or as a Report for Information.

3. Recommendation

Clear, succinct statement of action(s) to be taken. Recommendations can be further detailed within the item, by specific reference.

Common action options include:

- Adopt first reading of ordinance
- Adopt a resolution
- Referral to the City Manager (City Manager decides if it is a short term referral or is placed on the RRV ranking list)
- Direction to the City Manager (City Manager is directed to execute the recommendation right away, it is not placed on any referral list)
- Referral to a Commission or to a Standing or Ad Hoc Council Committee
- Referral to the budget process
- Send letter of support
- Accept, Approve, Modify or Reject a recommendation from a Commission or Committee
- Designate members of the Council to perform some action

4. Summary Statement/ “Current situation and its effects”

A short resume of the circumstances that give rise to the need for the recommended action(s).

- Briefly state the opportunity/problem/concern that has been identified, and the proposed solution.
- Example (fictional):
Winter rains are lasting longer than expected. Berkeley’s winter shelters are poised to close in three weeks, but forecasts suggest rain for another two months. If they do not remain open until the end of the rainy season, hundreds of people will be left in the rain 24/7. Therefore, this item seeks authorization to keep Berkeley’s winter shelters open until the end of April, and refers to the Budget Process \$40,000 to cover costs of an additional two months of shelter operations.

5. Background

A full discussion of the history, circumstances and concerns to be addressed by the item.

- For the above fictional example, Background would include *information and data about the number and needs of homeless individuals in Berkeley, the number and availability of permanent shelter beds that meet their needs, the number of winter shelter beds that would be lost with closure, the impacts of such closure on this population, the weather forecasts, etc.*

6. Review of Existing Plans, Programs, Policies and Laws

Review, identify and discuss relevant/applicable Plans, Programs, Policies and Laws, and how the proposed actions conform with, compliment, are supported by, differ from or run contrary to them. What gaps were found that need to be filled? What existing policies, programs, plans and laws need to be changed/supplemented/improved/repealed? What is missing altogether that needs to be addressed?

Review of all pertinent/applicable sections of:

- The City Charter
- Berkeley Municipal Code
- Administrative Regulations
- Council Resolutions
- Staff training manuals

Review of all applicable City Plans:

- The General Plan
- Area Plans
- The Climate Action Plan
- Resilience Plan
- Equity Plan

- Capital Improvements Plan
- Zero Waste Plan
- Bike Plan
- Pedestrian Plan
- Other relevant precedents and plans

Review of the City's Strategic Plan

Review of similar legislation previously introduced/passed by Council

Review of County, State and Federal laws/policies/programs/plans, if applicable

7. Actions/Alternatives Considered

- What solutions/measures have **other jurisdictions** adopted that serve as models/cautionary tales?
- What solutions/measures are recommended by **advocates, experts, organizations**?
- What is the range of actions considered, and what are some of their major pros and cons?
- Why were other solutions not as feasible/advisable?

8. Consultation/Outreach Overview and Results

- Review/list external and internal stakeholders that were consulted
 - **External:** constituents, communities, neighborhood organizations, businesses and not for profits, advocates, people with lived experience, faith organizations, industry groups, people/groups that might have concerns about the item, etc.
 - **Internal:** staff who would implement policies, the City Manager and/or deputy CM, Department Heads, City Attorney, Clerk, etc.
- What reports, articles, books, websites and other materials were consulted?
- What was learned from these sources?
- What changes or approaches did they advocate for that were accepted or rejected?

9. Rationale for Recommendation

A clear and concise statement as to whether the item proposes actions that:

- Conform to, clarify or extend existing Plans, Programs, Policies and Laws
- Change/Amend existing Plans, Programs, Policies and Laws in **minor** ways
- Change/Amend existing Plans, Programs, Policies and Laws in **major** ways
- Create an exception to existing Plans, Programs, Policies and Laws
- Reverse/go contrary to or against existing Plans, Programs, Policies and Laws

Argument/summary of argument in support of recommended actions. The argument likely has already been made via the information and analysis already presented,

but should be presented/restated/summarized. Plus, further elaboration of terms for recommendations, if any.

10. Implementation, Administration and Enforcement

Discuss how the recommended action(s) would be implemented, administered and enforced. What staffing (internal or via contractors/consultants) and materials/facilities are likely required for implementation?

11. Environmental Sustainability

Discuss the impacts of the recommended action(s), if any, on the environment and the recommendation's positive and/or negative implications with respect to the City's Climate Action, Resilience, and other sustainability goals.

12. Fiscal Impacts

Review the recommended action's potential to generate funds or savings for the City in the short and long-term, as well as the potential direct and indirect costs.

13. Outcomes and Evaluation

State the specific outcomes expected, if any (i.e., "*it is expected that 100 homeless people will be referred to housing every year*") and what reporting or evaluation is recommended.

ACTION CALENDAR
February 4, 2020

To: Honorable Mayor and Members of the City Council

From: Open Government Commission

Submitted by: Dean Metzger, Chair, Open Government Commission

Subject: Change to the Council Rules and Procedures
Public access to changing status of a Consent Calendar Item

RECOMMENDATION

Adopt a Resolution changing and updating the “Council Rules and Procedures” to give the public a procedure for moving items on the consent calendar to the Action Calendar.

FISCAL IMPACTS OF RECOMMENDATION

None

CURRENT SITUATION AND ITS EFFECTS

Up until recently, it was possible for citizens at council meetings (four or more asking to do so) to move an item on the Consent calendar to Action, so that it could be discussed in public by Council, and so that the public knew that their commentary might have an effect on how Council considered the item. That ability has been removed. This is a direct exclusion of the public from participation. Though people can still speak on Consent items, public input is non-effective.

This proposal is designed to restore to the public a way to remove an item from Consent and place it on Action. If the public wants a Consent item to be addressed by Council, there must be a democratic way to do it.

At the November 21, 2019 meeting, the Commission took the following action:

Motion to amend and send recommended resolution to Council (M/S/C: Metzger/Saver; Ayes: Metzger, Ching, Saver, Blome, McLean, Tsang, Smith; Noes: none; Abstain: none; Absent: O'Donnell (excused))

BACKGROUND

At an Open Government Commission meeting in 2018 the Pro-Democracy Project presented several issues pertaining to how the City Council Rules and Procedures effect the democratic process in Berkeley. The OGC formed a subcommittee to investigate the issues and met for the first time in May of 2019. The subcommittee met again on June 6, 2019, took public comment and made several recommendations. The June 2019 meeting resulted in the attached report that was heard and discussed by the OGC on September 19, 2019.

ENVIRONMENTAL SUSTAINABILITY

There are no identifiable environmental effects or opportunities associated with the subject of this report.

CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA)

Not relevant for CEQA review

RATIONALE FOR RECOMMENDATION

This proposal emerges from a growing concern regarding procedures in Berkeley City Council meetings. What this suggests is that some rules of Council procedure serve to prevent real participation in political matters.

The principles from which this proposal derives are first, that policy is made through public participation, and second, that those who will be affected by a policy should be involved in articulating and deciding the policy that will affect them.

ALTERNATIVE ACTIONS CONSIDERED

None.

CITY MANAGER

The City Manager takes no position on the content and recommendations of this report.

The ProDemocracy Project

For the-initiation of a ProDemocracy Movement that will return the people to policy-making status in city government

Three areas of political process that block people from policy-making.

- 1- City Council procedures
- 2- Neighborhood issues from which local autonomy is highly restricted
- 3- City policy-making from which those to be affected are effectively excluded

1- City government procedures that essentially silence the people.

1- The Loss of Access to Determine the Consent Calendar: Recently, the City Council eliminated the ability of the public, at council sessions, to pull items from the Consent Calendar. For issues or items that the council agrees should be given no time, discussion, or consideration, the public now has no ability to countermand that, or bring it as an issue to the floor. This is one way by which the Council silences the people, by truncating its ability to foster discussion and substance in Council proceedings.

People who come to Council should have the power to pull items off Consent. Council should not have monopoly control over the consent calendar. Instead, if people come to Council to speak on an issue, then they should not have the issue removed from their influence by a consensual council. In other words, the inverse principle should be true. What concerns people, for which they come to Council meetings, must be given respect and priority.

2- Speaking Time: Individuals lose the ability to speak if many show up. In Public Comment, speakers ordinarily have two minutes. But if more than ten desire to speak, each gets only one minute. Time is reduced so that an item doesn't take more time than others. If more than ten people desire to speak on an item, it means that issue is more important than others for which no one wishes to speak. So each speaker should have more than two minutes, and not less. Large public presence for an item would also mean that there are different perspectives on it. One minute is not enough to present a coherent and cohesive argument on a complex question. Reducing speaking time is a way of silencing the people. Allowing more than two minutes to each speaker does not imply that each will take the time allowed. More time should be allowed out of respect for people's desire to participate.

3- The Inflexibility of the Agenda Order: In general, items concerning the well-being of the people, or impositions on neighborhoods by business or corporate interests, and for which many people come to Council to express themselves, are left for late in the session. Business or administrative issues are generally considered first. This is an "anti-people" deferral of an issue. When an issue is set late in the session, many of those concerned in it will have gone home. It is a way of silencing them. The inverse principle should hold. If many people come to Council for an issue, it should be considered early in the meeting. The agenda order should respond to people's involvement. That for which there are the most people should go first. People present should have the power to move items earlier according to their involvement.

4- The "Public Comment" procedure reduces people "faces in the crowd."

In Council discussion, "public comment" comes first, which council manages to sit through, and then council members discuss the item. The public is thus speaking into a vacuum, addressing the issue in disarray, from a variety of unfocused perspectives, without engagement with councilmembers. This produces conceptual confusion and incoherence of idea.

The inverse principle, which should be put in practice, is that Council address the item first, for a specific time-span, speaking about why it exists and what it is designed to accomplish from their various perspectives. Then public comment could address the issue as presented in a more focused way. People could take issue with specific attitudes or stances by councilmembers. Ultimately, some form of dialogue needs to be facilitated between council and the public since policy-making depends on dialogue, and not simply on monologue. As long as the public is only allowed monologue, it is essentially excluded from the policy-making process, and thus silenced.

Council should replace the monologue character of public comment with dialogue through inversion of session phases.

5- A Structure of Flexibility of Format Needs to be Invented

In cases where many people show up to discuss an issue, a shift of format should be possible. To include the people in policy-making, an arena of dialogue and discussion between the public and the council should be possible. For important issues affecting the people and/or the neighborhoods, it is anti-democratic to restrict the people only to monologue (commentary), leaving dialogue to a hermetic Council. One could image a form of townhall meeting in which the dozens of people who come to council to speak on an issue (which isn't rare) would have the ability to enter into dialogue with councilmembers and with each other. Policy does not depend on people speaking to the air. It requires people speaking to each other and exchanging ideas and perspectives. If this occurred prior to council making a final determination on the item, it would be much more democratic. Make procedural format flexible enough to accommodate the people's participation:

In general

- Berkeley City Council has been structured against the public/people having a voice in policy-making. That means *Procedure* takes precedence over *People*.
- In each area, the *people* could be given *priorityover* procedure.

2- Ancillary structural ideas that would put policy making in the people's hands.

A- neighborhood control over zoning (and thus their own neighborhoods)

The zoning regulations of Berkeley are enforced by the Zoning Adjustment Board (ZAB) and controlled by City Council. The Zoning Ordinance works within the city's relationship to corporate finance and the real estate industry. In times of crisis, as in the present, they give only lip service to the specific needs of neighborhoods. Neither the ZAB nor the City Council are attuned to respond to neighborhood concerns about housing development. They hear and ignore, and thus essentially silence the neighborhoods.

- Both city and local zoning regulations (which are enacted by a neighborhood) become conditions to which industry and finance must conform. The people can do this locally by creating Zoning Overlays.
- A Neighborhood Zoning Overlay is a special set of zoning regulations and standards defining neighborhood conditions that are passed by a neighborhood in its own autonomous assembly (A Neighborhood Assembly).
- Zoning Overlays could control how housing development occurs in a neighborhood - corporate vs. non-profit, market rate vs. affordable, etc. For instance, require that any new development should be affordable to people who live in the vicinity of development.
- Neighborhood assemblies could extend their operations to other issues as well, such as stopping displacement of long-term tenants, or defining special community benefits (educational or health benefits).
- **Neighborhood assemblies would become the local policy making bodies for their neighborhood.**

B- an ombudsperson

An ombudsperson is someone to whom one can go to make complaints about a city agency's unethical behavior, and establish a dialogue with that city agency about its compartment or malfeasance. An ombudsperson would act to bring disagreeing parties into dialogue, with the aim goal of undoing unethical city activities.

Such an office is sorely needed. One can't go to City Council since it is a form of silencing. Complaints to the City Clerk will only be addressed as violations of rules or regulations. Yet ethics is an essential element of democratic governance.

What an ombudsperson could do:

- 1- Receive ethics complaints about city staff, police, councilmembers, etc. from residents, and have the power to bring those complaints to council's attention.
- 2- Be an advocate or special conduit for residents or neighborhood groups in dealing with bureaucratic attitudes and procedures.
- 3- Introduce political and economic issues brought by residents into council agendas.
- 4- Assist constituents in finding and using the proper channels or procedures for obtaining city services, and assist in finding out about services.

3- Serious Anti-Democratic Procedures by the city government that have emerged recently, and which violate the fundamental principle of democracy.

The Fundamental Principle of Democracy -Those who will be affected by a policy should be able to participate in making the policy that will affect them:

A second crisis has emerged in California, and thus in Berkeley, the crisis of homelessness. It is ancillary to the housing crisis, but much more dire for those who now form part of the many communities of unhoused people. Federal courts say that the city must let people camp on public land if they cannot provide shelter, but the city has spent time and energy trying to figure out how to harass and torment the homeless, even against those federal conditions.

This has become particularly egregious with respect to those homeless people who live in RVs. Those people have partially housed themselves, and one would expect the city to applaud this. On the contrary, the city has been developing rules and regulations designed to torment and harass them.

The salient fact in all this is that none of the homeless people have ever been included in the process of arriving at rules and regulations concerning them as homeless. From on high, the City Council as an elite makes rules for people who become their victims.

The homeless are able to organize themselves. They have means of pressuring the city into providing primitive and basic services for them as human beings. The hesitancy and refusal to provide those services simply out of a sense of humanity or democracy becomes a mark on the face of Berkeley's government.

The simplest solution

The fundamental principle of democracy holds that the city should bring the homeless together, along with members of the communities in which the homeless find space for themselves, in assemblies of common interest, and have them develop rules and regulations in dialogue with the neighborhoods and with other homeless people.

Democracy is about human beings governing themselves .

The purpose of the ProDemocracy Project is to put policy-making into the hands of people who will be affected by those policies.

Open Government Commission

ACTION CALENDAR
February 4, 2020

To: Honorable Mayor and Members of the City Council

From: Open Government Commission

Submitted by: Dean Metzger, Chair, Open Government Commission

Subject: Change to the Council Rules and Procedures:
Public Comment on Council Agenda Action Items

RECOMMENDATION

Adopt a Resolution changing and updating the “Council Rules and Procedures” to change the public comment section that would allow a more comprehensible discussion between the Council and the public.

FISCAL IMPACTS OF RECOMMENDATION

None

CURRENT SITUATION AND ITS EFFECTS

Public comment often takes place before councilmembers have discussed the agenda item up for consideration. That means people know little of the positions of the councilmembers on the item, and little of the motivation that brings it to Council’s attention. Thus, much of the public comment is reduced to abstract approaches to the issue, without informed knowledge. Even when the Mayor or sponsor introduces the item, he or she gives their own interpretation and background on it. The public has no awareness of how individual councilmembers consider the item. This leads to a certain randomness in the way the public attempts to participate in the discussion.

By changing the order of addressing an item this effect can be mitigated. Before public comment, have the council as a whole discuss it for a specified period of time, during which councilmembers can say something about how they see the item and its purpose. People can then address the item with greater knowledge, knowing how Council thinks about it. This will enhance the relevance of public commentary, and possibly lead to some dialogue between the public and the councilmembers.

The proposed resolution was adopted by the Open Government Commission (OGC) at its regular meeting of November 21, 2019.

Action: M/S/C (Metzger/Blome) to send recommended resolution to Council.

Vote: Ayes: Metzger, Ching, Saver, Blome, McLean, Tsang; Noes: none; Abstain: Smith; Absent: O'Donnell (excused).

BACKGROUND

At an Open Government Commission meeting in 2018 the Pro-Democracy Project presented several issues pertaining to how the City Council Rules and Procedures affect the democratic process in Berkeley. The OGC formed a subcommittee to investigate the issues and met for the first time in May of 2019. The subcommittee met again on June 6, 2019, took public comment and made several recommendations. The June 2019 meeting resulted in the attached report heard by the OGC on September 19, 2019.

ENVIRONMENTAL SUSTAINABILITY

There are no identifiable environmental effects or opportunities associated with the subject of this report.

CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA)

Not relevant for CEQA review.

RATIONALE FOR RECOMMENDATION

This proposal emerges from a growing concern regarding procedures in Berkeley City Council meetings. What this suggests is that some rules of Council procedure serve to prevent real participation in political matters.

The principles from which this proposal derives are first, that policy is made through public participation, and second, that those who will be affected by a policy should be involved in articulating and deciding the policy that will affect them.

ALTERNATIVE ACTIONS CONSIDERED

None.

The City Manager takes no position on the content and recommendations of this report.

1- The Loss of Access to Determine the Consent Calendar

Proposal:

Council Rules of Procedure and Order – Adopted January 29, 2019

IV. CONDUCT OF MEETING

B. Consent Calendar There shall be a Consent Calendar on all regular meeting agendas on which shall be included those matters which the Mayor, councilmembers, boards, commissions, City Auditor and City Manager deem to be of such nature that no debate or inquiry will be necessary at the Council meetings. Ordinances for second reading may be included in the Consent Calendar.

It is the policy of the Council that councilmembers wishing to ask questions concerning Consent Calendar items should ask questions of the contact person identified prior to the Council meeting so that the need for discussion of consent calendar items can be minimized.

Consent Calendar items may be moved to the Action Calendar by the Council. Action items may be reordered at the discretion of the Chair with the consent of Council.

Insert paragraph that reads as follows:

An item on the consent calendar shall be moved to the action calendar if five (5) or more speakers request that the item move to the action calendar. The Mayor may implement this as she or he sees fit. One implementation path is as follows: if a speaker requests that an item on the consent calendar move to action, then the Mayor will poll the audience to determine whether five (5) members of the public would like to pull the item, and, if so, the item shall be moved to action.

The ProDemocracy Project

For the-initiation of a ProDemocracy Movement that will return the people to policy-making status in city government

Three areas of political process that block people from policy-making.

- 1- City Council procedures
- 2- Neighborhood issues from which local autonomy is highly restricted
- 3- City policy-making from which those to be affected are effectively excluded

1- City government procedures that essentially silence the people.

1- The Loss of Access to Determine the Consent Calendar: Recently, the City Council eliminated the ability of the public, at council sessions, to pull items from the Consent Calendar. For issues or items that the council agrees should be given no time, discussion, or consideration, the public now has no ability to countermand that, or bring it as an issue to the floor. This is one way by which the Council silences the people, by truncating its ability to foster discussion and substance in Council proceedings.

People who come to Council should have the power to pull items off Consent. Council should not have monopoly control over the consent calendar. Instead, if people come to Council to speak on an issue, then they should not have the issue removed from their influence by a consensual council. In other words, the inverse principle should be true. What concerns people, for which they come to Council meetings, must be given respect and priority.

2- Speaking Time: Individuals lose the ability to speak if many show up. In Public Comment, speakers ordinarily have two minutes. But if more than ten desire to speak, each gets only one minute. Time is reduced so that an item doesn't take more time than others. If more than ten people desire to speak on an item, it means that issue is more important than others for which no one wishes to speak. So each speaker should have more than two minutes, and not less. Large public presence for an item would also mean that there are different perspectives on it. One minute is not enough to present a coherent and cohesive argument on a complex question. Reducing speaking time is a way of silencing the people. Allowing more than two minutes to each speaker does not imply that each will take the time allowed. More time should be allowed out of respect for people's desire to participate.

3- The Inflexibility of the Agenda Order: In general, items concerning the well-being of the people, or impositions on neighborhoods by business or corporate interests, and for which many people come to Council to express themselves, are left for late in the session. Business or administrative issues are generally considered first. This is an "anti-people" deferral of an issue. When an issue is set late in the session, many of those concerned in it will have gone home. It is a way of silencing them. The inverse principle should hold. If many people come to Council for an issue, it should be considered early in the meeting. The agenda order should respond to people's involvement. That for which there are the most people should go first. People present should have the power to move items earlier according to their involvement.

4- The "Public Comment" procedure reduces people "faces in the crowd."

In Council discussion, "public comment" comes first, which council manages to sit through, and then council members discuss the item. The public is thus speaking into a vacuum, addressing the issue in disarray, from a variety of unfocused perspectives, without engagement with councilmembers. This produces conceptual confusion and incoherence of idea.

The inverse principle, which should be put in practice, is that Council address the item first, for a specific time-span, speaking about why it exists and what it is designed to accomplish from their various perspectives. Then public comment could address the issue as presented in a more focused way. People could take issue with specific attitudes or stances by councilmembers. Ultimately, some form of dialogue needs to be facilitated between council and the public since policy-making depends on dialogue, and not simply on monologue. As long as the public is only allowed monologue, it is essentially excluded from the policy-making process, and thus silenced.

Council should replace the monologue character of public comment with dialogue through inversion of session phases.

5- A Structure of Flexibility of Format Needs to be Invented

In cases where many people show up to discuss an issue, a shift of format should be possible. SUMMARY

In November, 2019, the City of Berkeley will begin receiving revenue from cannabis tax proceeds.

As the numbers of homeless persons continue to grow in Berkeley and Measure P monies may not be sufficient, Council should consider allocating a substantial amount of the cannabis tax proceeds towards funding subsidies under the 1000 Person Plan.

FISCAL IMPACTS OF RECOMMENDATION

Cannabis tax monies would provide partial funding of the 1000 Person Plan subsidies.

CURRENT SITUATION AND ITS EFFECTS

The numbers of homeless persons continue to grow in Berkeley with no end in sight.

On April 30, 2019, Council heard the City of Berkeley Homeless Services Coordinator present the 1000 Person Plan proposing that over 570 subsidies be funded by the City over 5 years to house the growing homeless population.

The numbers of homeless persons, based on the Homeless Count, has increased in Alameda County by 43% from 2017 to 2019. Berkeley is waiting for the Berkeley-specific numbers to be released from the County. In the interim, it has been estimated that as many as 2,000 persons experience homelessness in Berkeley in a year.

In order to house people under the 1000 Person Plan, monies need to be allocated. The only perceived current source of possible revenue is Measure P monies which either may not be wholly granted for this purpose and/or may not be substantial enough for the 1000 Person Plan to begin fulfilling its purpose.

BACKGROUND

The Homeless Commission voted at its July 10, 2019 meeting as follows:

Action: M/S/C Mulligan/ Hirpara that the Homeless Commission recommends that a substantial amount of the proceeds from the cannabis tax be allocated towards funding subsidies under the 1000 Person Plan.

Vote: Ayes: Hill, Mulligan, Marasovic, Hirpara, Kealoha-Blake.
Noes: None. *Abstain:* None. *Absent:* Behm-Steinberg.

ENVIRONMENTAL SUSTAINABILITY

There are no identifiable environmental effects.

RATIONALE FOR RECOMMENDATION

Monies are needed to fund the over 570 subsidies recommended under the 1000 Person Plan. Measure P monies may not be sufficient and additional funding may be needed to fulfill the mission.

ALTERNATIVE ACTIONS CONSIDERED

The only alternative is to rely only on Measure P monies.

CITY MANAGER

The City Manager does not recommend that the City Council take action on this item at this point in time. This recommendation is based on the following:

- Measures O, U1, and P, which were passed in 2016 and 2018, provide significant resources to address homelessness. Measure O provides for the sale of bonds to increase the supply of affordable housing. City staff anticipates selling \$35 million in bonds towards the end of 2019 / early 2020 that will be used to fund the Berkeley Way Project and other affordable housing projects. Measures U1 and P are both general taxes that are deposited into the City's General Fund. As such, revenues from Measure U1 and P could be allocated to implement programs that address homelessness as discussed in the 1000 Person Plan. In addition to the new revenue streams that have been recently adopted by Berkeley voters, the State continues to allocate funding to address homelessness. For example, the \$4.0 million Homeless Emergency Aid Program (HEAP) allocation to Berkeley is being used to fund the STAIR Center, Dorothy Day House shelter, sanitation and trash services to encampments, and other City priorities. City staff will continue to track the various programs created by the state and will pursue opportunities as they arise.
- There are a number of commissions (i.e. Community Health, Cannabis, and Civic Arts Commission) that are preparing recommendations for City Council as to how cannabis revenues could be deployed to support education, arts and equity

programs. By not taking action at this time, City Council would be able to consider feedback from other commissions.

- The Health, Housing and Community Services Department and Planning and Development Department are working on a number of cannabis related initiatives that pertain to education and enforcement. As the programs take shape, it is likely that resources will be needed for implementation. Delaying action on this item will provide City Council with an opportunity to consider recommendations from city staff.
