Request for initiation of Landmark designation on a future agenda lies within the range of action to be considered on each structure or property appearing at any place on the agenda.

Consent Calendar: The Consent Calendar allows the Commission to take action, without discussion, on Agenda items for which there are no persons present who wish to speak, and no members who wish to discuss. The Consent Calendar may include the following: (1) Approval of previous meeting minutes; (2) Items being continued to another meeting (action will be postponed to another meeting) or withdrawn by the applicant; and (3) Items noticed for public hearing which the Commission decides to move to the Consent Calendar. The Chairperson will announce any additional items proposed for the Consent Calendar at the beginning of the meeting. Anyone present who wishes to speak against one of these items should advise the Chairperson if they request the item be pulled from the Consent Calendar.

** Indicates that the Landmarks Preservation Commission received documents (notices of decision, staff reports, application materials or correspondence) as part of the packet that was delivered prior to this meeting.

1. **ROLL CALL:** Please put all cellular phones and ringers on silent during the meeting.
2. **EX-PARTE COMMUNICATIONS:** In the context of adjudicative matters that come before the LPC, ex-parte communications are those which occur outside of the formal hearing process. LPC members should avoid ex-parte contacts on matters pending before the LPC as much as possible, as they may represent, or be perceived to represent, the receipt of evidence that can unfairly influence a decision on a matter before the Commission. If such contacts do occur, they must be placed in the record and disclosed to all interested parties sufficiently in advance of the decision to allow rebuttal.
3. **LAND ACKNOWLEDGEMENT STATEMENT:** The Commission recognizes that the community we live in was built on the territory of xučyun (Huchiun (Hooch-yoon)), the ancestral and unceded land of the Chochenyo (Cho-chen-yo)-speaking Ohlone (Oh-low-nee) people, the ancestors and descendants of the sovereign Verona Band of Alameda County. This land was and continues to be of great importance to all of the Ohlone Tribes and descendants of the Verona Band. As we begin our meeting tonight, we acknowledge and honor the original inhabitants of Berkeley, the documented 5,000-year history of a vibrant community at the West Berkeley Shellmound, and the Ohlone people who continue to reside in the East Bay. We recognize that Berkeley's residents have and continue to benefit from the use and occupation of this unceded stolen land since the City of Berkeley's incorporation in 1878. As stewards of the laws regulating the City of Berkeley, it is not only vital that we recognize the history of this land, but also recognize that the Ohlone people are present members of Berkeley and other East Bay communities today. The City of Berkeley will continue to build relationships with the Lisjan Tribe and to create meaningful actions that uphold the intention of this land acknowledgement.
4. **PUBLIC COMMENT on Non-Agenda and Information Items** (Three minutes per person; five minutes per organization, or at the discretion of the Chairperson)

3. Pursuant to Government Code, Section 65009(c)(5), no lawsuit challenging a City Council decision to approve (with or without conditions) a permit or variance may be filed more than ninety (90) days after the date the decision becomes final, as defined in Code of Civil Procedure, Section 1094.6(b), which has been adopted by the City.
