

Office of the City Manager

Date: May 5, 2021
To: Honorable Mayor and Members of the City Council
From: *Dee* Dee Williams-Ridley, City Manager
Subject: **Online Pier / Ferry Questionnaire**

As part of the year-long public process for the Berkeley Pier / Ferry Feasibility Project, the City is asking residents to provide public feedback on the project using an on-line questionnaire that is located at the following web page:

<https://www.cityofberkeley.info/parks/pier/>

In January 2021 staff conducted an online questionnaire to get general feedback on both the Berkeley Marina Area Specific Plan (BMASP) and the Pier / Ferry Feasibility Project. We received 979 responses which we will use to guide the process and plans. This current questionnaire goes into more detail about modes of transportation, destinations, amenities and use of the Pier / Ferry.

We have distributed this link to everyone who attended any public meeting regarding the Pier / Ferry Project as well as the BMASP, and advertised in the Berkeleyside and Berkeley Times. **Please share this link with your constituents.** The questionnaire takes approximately five minutes and will be accessible to the public through May 31, 2021. The project team will assemble the results and share them at the second Community Meeting in late June 2021.
