

Communicable Disease Quarterly Report

City of Berkeley Public Health Division

Publication Date: July 17, 2019

This report includes provisional counts of reportable communicable disease cases through **June 30, 2019** as of July 17, 2019. These numbers may change due to delayed reporting and processing. Included cases are confirmed or probable and follow CDPH inclusion criteria used for reporting communicable diseases and detailed in published report technical notes. Reports can be accessed here (<https://www.cdph.ca.gov/Programs/CID/DCDC/Pages/SSS.aspx>).

Disease	2019		2018			2017
